

WARRANTY

Meeting Machines displays feature a 2 year limited hardware warranty as set forth below. This warranty period begins on the date Meeting Machines initially ships the Product.

Eligibility

The Meeting Machines 2-Year Warranty covers displays purchased from a Meeting Machines dealer or distributor.

Limited Hardware Warranty

Meeting Machines warrants the displays to be free from defects in material and workmanship during the warranty period noted above. If, in Meeting Machines determination, a display proves to be defective in material or workmanship during the warranty period, Meeting Machines will either repair the display or replace it with a similar new or refurbished display per one of the options below.

Replacement Options and Guidelines

If you are in the US (includes Alaska, Hawaii and US Territories), see section A below. If you are outside the US, see section B below.

A. "Advance Replacement" Claim Procedure for Products located within the contiguous United States

Upon discovering a problem with the display, contact Meeting Machines at (1-214-282-9758). Meeting Machines will attempt to correct the problem via phone. If this fails to resolve the problem, a return material authorization (RMA) number will be issued.

Machines will ship you an Advance Replacement Display (no accessories included). Depending on your location, it may take 2 to 4 days for the replacement to arrive.

- 1) Return the defective display in the box in which the Advance Replacement Display was shipped to you, using the same packing materials.
- 2) Return only the defective Product. Meeting Machines will not be responsible for returning or replacing any accessories or peripherals that are returned with the defective Display. You will call the shipping pick-up number provided with the Advance Replacement Display for package pick-up, or take it to your local FedEx drop-off location. You are responsible for any shipping costs incurred when returning the defective Display by any method other than FedEx ground. Verify that the serial number on the RMA return label matches the serial number of the defective Display being returned. Attach the prepaid RMA return label that was included with the Advance Replacement Display.

B. "Return and Replace" Claim Procedure for Products not located in the United States

- 1) If you are unable or unwilling to provide a valid credit card to use the Advance Replacement option, or if you are located outside of the US, Meeting Machines will provide "Return and Replace" service.
- 2) After receiving an RMA from Meeting Machines, return the defective display with sufficient packing materials to prevent damage during shipment. Meeting Machines will charge you an amount not to exceed

the current MSRP for the Product for any damage to the Product caused by shipping. Return only the defective Product. Meeting Machines will not be responsible for returning or replacing any accessories or peripherals that are returned with the defective display.

- 3) You are responsible for any shipping costs incurred when returning the defective Product to Meeting Machines; Meeting Machines will pay for the shipment of the replacement display to you.
- 4) A replacement unit will be shipped out to you once your defective unit is received.

Warranty Exclusions

The following conditions or circumstances are not covered under the terms of this limited hardware warranty for the Products listed above:

- 1) Delivery to P.O. Box, APO Box and FPO Box addresses.
- 2) Any Product on which the serial number has been defaced, modified or removed.
- 3) Replacement rental costs incurred by you in the event of display failure.
- 4) Damage, deterioration or malfunction resulting from:
 - a. Accident, abuse, misuse, neglect, improper ventilation, fire, explosion, water, lightning or other acts of nature, unauthorized product modification, or failure to follow instructions supplied with the display.
 - b. Repair or attempted repair by anyone not authorized by Display Genius.
 - c. Causes external to the display, such as electric power fluctuations or failure.
 - g. Operating the display outside the suggested normal usage conditions stated in the User Guide.
 - l. Opening the Product, tampering with internal circuitry or removing or replacing any internal components or parts.
 - m. Product that has been resold, transferred, rented, leased, lost, stolen or discarded.
 - n. Any other cause, which does not relate to a display defect.
 - p. Any Product returned due to a software or accessory malfunction.
- 5) Removal, installation and set-up service charges.
- 6) Any third-party software.
