

WARRANTY

Meeting Machines displays feature a 2 year limited hardware warranty. This warranty period begins on the date Meeting Machines or Partner initially delivers the product.

Limited Hardware Warranty

Meeting Machines warrants the displays to be free from defects in material and workmanship during the warranty period noted above. If, in Meeting Machines determination, a display proves to be defective in material or workmanship during the warranty period, Meeting Machines will either repair the display or replace it with a similar new or refurbished display as described below.

Replacement Options and Guidelines

Upon discovering a problem with the display, contact Meeting Machines at support@meetingmachines.com or phone (1-214-282-9758). Meeting Machines will attempt to correct the problem via phone. If this fails to resolve the problem, a return material authorization (RMA) number will be issued.

Return only the defective display. Verify that the serial number on the RMA return label matches the serial number of the defective Display being returned. Include the RMA number in the box with the display.

Ship to:

Meeting Machines
4220 Proton Rd Ste 160
Dallas, TX 75244

Warranty Exclusions

The following conditions or circumstances are not covered under the terms of this limited hardware warranty for the Products listed above:

- 1) Delivery to P.O. Box, APO Box and FPO Box addresses.
- 2) Any Product on which the serial number has been defaced, modified or removed.
- 3) Removal, installation, or set up service charges.
- 4) Damage, deterioration or malfunction resulting from:
 - a. Accident, improper ventilation, fire, water, or lightning, unauthorized product modification, or failure to follow instructions supplied with the display.
 - b. Repair or attempted repair by anyone not authorized by Meeting Machines.
 - c. Causes external to the display, such as electric power fluctuations or failure.
 - d. Any damage or dissatisfaction associated with latent images, "burn-in". The displays should be turned off for a one hour cool down cycle every 24 hours, or run software with an anti-image retention capability.

Warranty extensions and enhancements are available upon request.
