

DAILY CONFESSION

Now thanks be to God Who ALWAYS causes me to triumph! In Christ Jesus!

Today, I find profound uncommon favor wherever I go and with whomever I meet that will benefit my life and the lives of my loved ones.

Thank You Lord that I am debt free and owe no man anything but to love him.

All day long, I am the head and not the tail and I am above and not beneath.

Today I am blessed (prosperous) coming in and blessed (prosperous) going out.

This is the day the Lord has made (for me) and I choose to rejoice and be glad in it! Today I vow not to grieve, vex or sadden the Holy Spirit, by my actions, words or deeds or what I meditate upon. I will give NO place to the devil. I meditate upon the Word by day and by night Joshua 1:8

I am debt free and have surplus and abundance in my storehouse.

I grow spiritually every day and walk in His goodness with grace and mercy following me all the days of my life...thanks be unto God.

I honor God with the first fruits of my income no matter where it comes from, and I plant the seed with expectations of a GREAT harvest.

I am not ashamed of the Gospel and the testimony of His greatness.

I bear much fruit in old age and the best is yet to come! I choose to have a grateful and thankful attitude towards God and everyone around me. I have no other gods before me.

I vow to say what the Word says about my circumstances from now on and not what I see or don't see. I boldly speak to the mountain in Jesus name! Calling things that are not as though they were,

I walk in divine health, and always accept His healing power as my source of health and healing in whatever I face on earth. Jesus is my healer and I consecrate not only my spirit but my body and mind to Him afresh each day.

Fear does not have dominion over me, I have dominion over fear in Jesus name.
