

Healing Declaration

Heavenly Father, I thank you for your Living Word. You said that your Word is life to those who find it and medicine to all their flesh. Today, by my confession I apply your Word to my body by giving voice to it.

You said in Psalm 139:14 that I am fearfully and wonderfully made and that your works are marvelous. I declare that I was created by you and I am a marvelous creation.

I speak to sickness and disease today and proclaim that according to Philippians 2:10 that they must bow down to the mighty name of the Lord Jesus Christ. Every name in heaven, on earth and under the earth bows its knee to Jesus' name.

I speak to my body today and declare that I have authority over it. I command it to receive the Word of God. Matthew 8:17 proclaims that Jesus bore my sicknesses and took my infirmities.

Heavenly Father, I thank you that the same Spirit that raised Jesus from the dead dwells in me and makes alive my mortal body.

I speak to my immune system and command it to line up with the Word of God. My immune system will destroy sickness and disease in my body and perform its job; for this is what God created it to do.

I thank you Father that every cell in my body responds to your Word. Your Word permeates my body from the top of my head to the bottom of my feet. I confess that the Word of God is being made flesh in me.

Psalm 103:3 declares that you Father, forgave all my iniquities and healed all my diseases. Father, that is your confession and I make it my confession also. I don't judge by the sight of my eyes, I judge by your Living Word. It is your Word that lives in me and brings health and healing to every part of my body.

Heavenly Father, I rejoice at your promise of divine health. You said it and I believe it! Today, I declare that I will see your promise of healing manifest in my body.

Healing is mine because Jesus paid the price two thousand years ago. G o d s o loved me that He sent His Son to die on the cross so that I could experience life on God' s terms. His abundant life manifesting in me, making me whole -- body, soul and spirit. Amen.
