ANÓNIMAS  
VITICULTORAS

Anónimas Dunaria Caíño Rosado Atlántico 2018

100% Caíño Tinto

**Aging:** Stainless fermented and aged

**Vineyard:** Sustainable

**Alcohol:** 12% Alc by Vol

**Production:** Only 1,200 bottles!

**Background:** Anónimas Viticultoras is the project of winemakers Cris Yagüe Cuevas and María Falcón. Based in Rias Baixas, where Cris has made wine for many years, and where María's family has done so for generations, they also source fruit from around Galicia. Fresh and elegant wines. In Cris' words, "Anónimas is a project from the vine to the consumer, a tribute to the anonymous women that should have had their place in history and were never recognized. We collaborate with other women in the world of wine—growers, winemakers, enologists—to make these personal wines." This Rosado bottling is of particular importance to them, as the Rias Baixas DO does not currently recognize rosé wine, and they are rallying to make this change.

**Grapes:** 100% Caíño Tinto from vines grafted 30 years ago in the Ponte Arnelas part of Salnés. The vines are grafted to a clone not found elsewhere in Salnés and has more mature fruit character.

**Soils/Climate:** Very shallow granitic sand on granite bedrock. Super coastal, classic Salnés climate: rainy, wet and always humid. Cool days and nights with a small diurnal shift (10-15F), which caters to more herbal, earthy character in reds.

**Viticulture:** Sustainable. Anónimas relies primarily on manual leaf pulling and shoot thinning for canopy and grape health.

**Winemaking:** Direct to press. Stainless fermented and aged. Aged on lees, with occasional bâtonnage, until bottling in the Spring. Owing to good maturity and warm winter temperatures, the wine underwent malolactic fermentation (however, it is still super fresh).
