VINOS LÓPEZ (IGP Valdejalón)

Vinos López La Bodegaza Garnacha Blanca 2021

100% Garnacha Blanca

**Aging:** Fermented and aged in 600L French oak

**Vineyard:** Certified Organic

**Alcohol:** 13.5% Alc by Vol

**Production:** 660 cases

**Background:** Vinos López is a family winery that was founded in 1970 by their paternal grandfather. Belonging to the IGP Valdejalón and located in Epila, Zaragoza, at an altitude of 500-600 meters above sea level. Vinos López is the only certified winery in the entire IGP Valdejalón. The winemaker, Mario López, is probably best known for his collaboration with Fernando Mora on the Frontonio wines, where Mario's family vineyards provide the fruit and Fernando and Mario make the wines together.

**Grapes:** 100% Garnacha Blanca. From the Bodegaza vineyard (planted at the end of the 1960s).

**Soils/Climate:** 500-600 meters elevation. Deep and stony soils, where clays and silts predominate. Primarily continental climate, but routinely cooled by the northwestern Cierzo wind.

**Viticulture:** Certified organic. Dry farmed and hand harvested from bush vines (en vaso) in the 50+ year-old Bodegaza vineyard.

**Winemaking:** Hand harvested in 20kg containers to avoid crushing the grapes. Destemmed and skin maceration for 24 hours to achieve enhanced aromatic quality and structure. Spontaneous fermentation in 600L French oak barrels to respect the characteristic fruit aromas of the variety.
