Our Street Outreach Services (SOS) support people who are experiencing, or at risk of, homelessness, or have issues with alcohol and other drugs, to access services. We provide non-judgemental and confidential support through referrals, information, and a vital outreach of compassion. Our patrols visit parks, street sides and other accessible areas in the regions where we operate. In some locations we offer a barbeque. Our Mobile Outreach Support and Health Program by Integrated Teams (MOSHPIIT) provides a unique health service. Each of our vans offer a fully equipped on-board health centre providing check-ups, dressings for minor wounds, referrals to other agencies and support in gaining housing. We partner with other local agencies including GPs and nurses, counsellors, Centrelink officers and volunteers.
