Human Relations Initiative, Inc. is a non-partisan organization which advocates for cultural social transformation by advancing diversity, equity, and inclusion through awareness, education, and dialogue (mission statement).

A component of the portfolio of services is **Community Outreach**. Therefore, we respectfully share the following information as a resource.

Madison Square Presbyterian Church Racial Reconciliation & Justice Ministry. This was a new undertaking by the Church.

“The work of racial reconciliation and dismantling the injustices of white supremacists’ structures are essential work for the church, needs to be intentional and long-term,” Pastor Bart Roush.

Human Relations Initiative, Inc. learned of this new church ministry and their active intention to partner with other agencies and institutions. We immediately and directly reached out to the Church to request an opportunity to meet.

The objective was to convey the immediate availability of the **Human Relations Initiative, Inc.** and share how our services could assist their community efforts. Concurrently, there was also an offer of partnership expressed for both short-term and long-term collaboration.

The goal was to be both a source and resource to aid in the successful results of their efforts through affiliation and likeminded missions and visions.
