EDUCATIONAL OUTREACH KKK RECRUITMENT FLYERS - "JOIN THE KLAN" FOUND ON A HIGH SCHOOL CAMPUS

Human Relations Initiative, Inc. is a non-partisan organization which advocates for cultural social transformation by advancing diversity, equity, and inclusion through awareness, education, and dialogue (mission statement).

A component of the portfolio of services is **Educational Outreach**. Therefore, we respectfully share the following information as a resource.

In September 2019, Human Relations Initiative, Inc. learned of KKK recruitment flyers, "Join the Klan" which were discovered on a high school campus. We confirmed that this was an act of hate. We immediately and directly reached out to the High School Administration to request an opportunity to meet.

Human Relations Initiative, Inc. unequivocally condemns all acts of bullying, exclusion, harassment, hatred, oppression, prejudice, racism, and violence.

The objective was to convey the immediate availability and share how our services could assist resolution efforts. Concurrently, there was also an offer of partnership expressed for both short-term and long-term collaboration.

The goal was to provide education, reduce the risk of escalation, and work to limit and/or remove additional harm to any individual or group threatened.
