PRE AND POST ELECTION: HUMAN + HUMANITY = HUMANITARIAN

Human Relations Initiative, Inc. is a non-partisan organization which advocates for cultural social transformation by advancing diversity, equity, and inclusion through awareness, education, and dialogue (mission statement).

Human Relations Initiative, Inc. acknowledges that we are all collectively living through and experiencing a very divisive time. We are all universally motivated and equally worried.

As simplistic as it may seem, the Human Relations Initiative, Inc. wishes to remind all communities what the official definitions of the following words are per *Merriam-Webster*:

- **HUMAN** (adjective) 3b: representative of or susceptible to the sympathies and frailties of human nature, i.e., human kindness, human weakness.
- **HUMANITY** (noun) 1: compassionate, sympathetic, or generous behavior or disposition: the quality or state of being humane.
- **HUMANITARIAN** (noun) 1: a person promoting human welfare and social reform

On Tuesday November 3rd - Regardless of the results, or what side you are on; what is clear is that some groups will feel victorious and some groups will feel defeated.

On Wednesday November 4th - Acts of Kindness, Behavior via Compassion, and Welfare through Promotion; all support Reconciliation.

Respectfully, while it is easy to identify and/or differentiate via the group(s) we may individually fall in of those mentioned above, we all fall under one group together: **HUMAN!**

HUMAN + HUMANITY = HUMANITARIAN.

Together, we can be collaborative champions of diversity, equity, and inclusion for all people.
