

Memorial Recognition

For All Members

I will be putting together a digital remembrance slideshow featuring both our CDCA Club members and dogs, which will be displayed on a continuous loop during our banquet evening. There will be additional separate memorials for Tom Cassel and Judy Rosenthal.

To be included:

- Please send photos to Amy at Reliccanaans@gmail.com
- Please include “memorial” in the title so I can search and find all submissions
- Please include whatever identification you would like shown on the screen - i.e., name, dates, registered name, call name, family nickname, etc. I will not use unidentified photos - these do not need to be just recent, please feel free to send me photos of our past members and older dogs
- Submit as many dogs or people as you wish - however, only one photo for each
- Please try to get to me by **June 15th. Final cut-off is July 1st.**

I look forward to seeing our memories and sharing them with all of you.
