VOLUME 53, ISSUE 4

FALL/SPECIALTY 2017

PRESIDENT'S MESSAGE

I enjoyed seeing the good turnout for the Specialty in Atlanta. Always nice to get to visit with friends from near & far at the specialty. We had a beautiful day for Herding which is always a highlight of the Specialty events for me. 4 days of shows plus meetings & the banquet made for a very busy week! Many thanks to the photographers who graciously allowed us to use pics for the Kib. Next year, we will head for Purina Farms in Gray Summit, MO for the Specialty & hope to have a good turnout there as well. The banquet should be something special as we'll get to enjoy the Museum of the Dog before it moves to its new home in NY.

December will find Canaan Dogs at the Royal Canin National Championship in Orlando & staffing the Meet The Breeds booth there. Please drop by to help with the booth if you're attending.

I hope everyone has a wonderful Holiday Season & enjoys the time with family, including our furry besties who want some extra special goodies too! We'll look forward to more adventures in 2018 kicking off in February with Meet The Breeds and Westminster.—*Julie*

Editor's Column

My appreciation to all who contributed to this issue. HUGE appreciation also to those who took advantage of the Advertising Special. As few took advantage of the Specials, in the last two issues, extra consideration in layout location was given to those ads as a Thanks for support of the Club. Since it was already announced, we will offer the Winter Special of \$5 off a full page ad for a dog with a Performance/Companion title(s). Just list the title and the organization in the text of the ad. Future specials may depend on interest.

I have been editing the Kib for a number of years now, and need to pass the baton to a new person. Past Editor, Christina Miller, will Guest Edit the Winter 2018 issue. Her submission info is listed on page 46. IF YOU ARE INTERESTED IN TAKING ON THE KIB LAYOUT & EDITORIAL CONTROL, PLEASE SEND A LETTER OF INTEREST ON OR BY FEBRUARY 1, 2018 TO THE BOARD: bod@cdca.org. It has been my privilege to give voice to the membership & the Club, and I look forward to the different perspective of a new Editor.—*Amanda*

2017 CDCA National Specialty Herding Instinct Test Results

By Denise Gordon, Herding Chair

I want to thank Amanda Pough and Christina Miller for conducting the 2017 herding instinct test, which was held on October 18th at Woods End Farm in Watkinsville, Georgia. I heard a lot of wonderful compliments about the test, especially from our evaluator, Mr. Doyle Ivie, who is an AKC and American Herding Breed Association (AHBA) herding judge. Seventeen dogs were entered and 11 passed, giving a pass rate of 64.7% this year. Following the test, 5 dogs ran a second time for another chance at a qualifying score toward their CDCA-HCX title and all five passed. Mr. Ivie chose River Rock Under Cover Of Darkness ("Bertie") as Best Rookie and Pleasant Hill The Baron Of Carters Creek, CDCA-HC ("Baron") as Best Experienced; both winners received Canaan Dog motif rosettes and prizes donated in memory of "Wolf", the #1 herding Canaan Dog and 1993 Best Rookie. All qualifiers are listed below. Congratulations to everyone for a very successful herding instinct test!

Viewpoints from Members: Reflections on the 2017 National Bryna Comsky

In their banquet addresses both judges stressed the primary importance of good temperament in the breed. Bravo! And, both praised overall good type and presentation during this year's National. Bravissimo! Thank you very much to Mel Holloman (Sweeps) and Butch Schulman (Breed) for taking the time to enjoy their entries and give a learning experience to the participants and gallery.

This year in Atlanta, competitors showed at a four-

show cluster. Avi and his litter sister, Anni, won Best of Breed and Best of Opposite Sex four consecutive times each. They were handled by Brittany Cipriotti and owner, David Golden, respectively. Breeder: Donna Dodson. Sweepstakes winner was Kochav Mazel Tov Lil Roy, owned by Keith & Cheryl Shank and handled by Keith. His win was appropriate and especially appreciated because he is the namesake of Roy Dodson whose presence was missed by all at the Specialty events.

These wins exemplify consistency of Canaan Dog type and temperament. The Best of Winners award was shared by several up-coming competitors. Select Bitch

A plea from your editor: wins at Nationals & Specialties are more than just a win. They are part of club history. Taking time to have a win photo taken helps the club & the newsletter, as well as gives you photographic proof in case AKC ever gets confused.

was won on four consecutive days by Torino, many-titled CH RivRock Lycm Own Dream Bsnatch Rsndog, fitting and appropriate wins for the two-time national specialty winner who won her first at this same site! Her late former breeder/owner, and mother of Chris Miller, would have been exceedingly proud!

The National drew an entry of 30 for Butch (Mr. Harry H Schulman), and 7 in Sweepstakes for Mr. Mel Holloman.

Untold thanks and gratitude to Denise Gordon and Amanda Pough for organizing the very successful Herding Instinct Test, Chris and Allan Miller and Mike Houchard whose generosity provided the membership with good food and a meeting site at their home, and a loud round of applause for Annette Israel and her daughters who quietly and efficiently looked out for our comfort!! Annette chaired the last CDCA National in Raleigh, NC, a year before our point shows started in 1997.

Three of our top four National Specialty Winners and All-Breed Winners, since full recognition for the Breed was achieved in 1997, were bred or owned by Donna Dodson. They were Champions Felix Take It to The Max (his breeding was "engineered" by Donna), Pleasant Hill Magnum of Samara, and Pleasant Hill Avram of Carter's Creek.

See you next May at Purina Farms!

CANAAN DOG CLUB OF AMERICA, INC. ANNUAL MEETINGS 2017

HELD IN ATLANTA (Board) AND CONYERS (Board & Annual Gen- eral Meeting), GEORGIA

Submitted By Bryna Comsky

Editor's Note: Due to space considerations, individual committee reports as referenced in these minutes will be published in the Winter 2018 issue.

CDCA BOD Meeting called to order at 3:00 PM, Oct. 18th, 2017, by President Julie Haddy.

Members present: Julie Haddy, Chris Miller, Rick Vulliet, Pamela Rosman (Delegate) Cynthia Dodson, Amanda Pough, Bryna Comsky, Joan Capaiu-Greene by telephone. Guests: Allan Miller, David Golden, Lorna Hastings Menaker, Mike Houchard.

Minutes of last year's meeting: approved.

Report of Committees: [Editor's Note: will be printed in full in Winter 2018 issue of Newsletter.]

Delegate's Report: Regular updates posted on website, full detail in report. An amendment to Chapter 11, Section 8-A in Rules, was not acted upon.

Chapter 16, Section 6 was changed to include the dog awarded Select Dog/Bitch in the calculation of Grand Championship points.

Cynthia Dodson gave Denise Gordon's reports:

- to cover the organization for the **Herding** event with Amanda Pough,
 - upgrading the **Awards** requirements,
- Discussion. Average cost of plaques is \$31.00.
- and a call for contributions to the **GAZETTE** column.

Breeder Referral Report was given for Sally Armstrong, who updates information on puppies and adult dogs. Thank you, Sally!

Judges Education: Chris Miller will give a seminar in Orlando this year. Ringside mentoring will be

available for interested judges, as it was during the National in October.

New policy for judges selection list was discussed.

Legislative Committee: Joan Capaiu-Greene, Chair, and Norma Bennett Woolf. HSUS is working to eliminate all but rescue dogs, cats and rabbits from shelters. They will encourage rescue dogs to breed more dogs for sale, not purebred, purpose-bred dogs. A kennel license is required if there are 7 breeding, or breedable, females, and 15 or more pups for sale in a year. Joan recommends familiarizing yourself with the USDA and getting to know your local representatives. Look at the AKC Website, "Legislation 101." Participate in Public Education.

Membership: Amy Preston. An up-to-date membership list is available and there is a Drop Box file. Lifetime members: Sally Armstrong, Lee Boyd, Bryna Comsky, Joan Capaiu Greene, Donna Dodson. New applications presented and approved.

Ways and Means: Needs a Chairman. Annette Israel and April Gray to be approached. Board will provide seed money should committee want to maintain a "store" vs only on demand.

Web committee: Report given by Cynthia Dodson for John Relph.

AKC needs **Media Contact** Person. Lorna Menaker agreed to take on this roll. Donna Davison will be asked to be the Club's **Health** contact.

Treasurer's Report: Chris Miller. "The CDCA remains solvent. The 2 weekends of Agility Trials continue to provide a profit for the club. Huge thank you to Dan & Julie Haddy for chairing those trials. The newsletter (printing and mailing) and our club liability insurance are our two largest annual expenses. The timers we bought for the agility trials last year have been rented out a few times and have started to generate income from those rentals. We are hoping to revitalize the ways and means committee to provide income. Our non-profit status, established in the state of Michigan, has been renewed."

The 2018 CDCA National Specialty: Discussion on Host Hotel, banquet and judges. Joan Capaiu Greene will judge Sweepstakes at the National and Carol Brown at the Designated Specialty. Input from Melinda Linton and Donna Davison.

Possible sites for **CDCA-NS 2019 & 2020** were reviewed.

Discussion and consensus to hold **2019 National Specialty** in Franklin TN—date TBA, Julie Haddy to chair.

Goal to have **2020** location & date decided by end of first quarter 2018.

By-Laws: Guest David Golden presented. Discussion of following issues: 1) Build language into By-Laws to allow electronic balloting, and 2) Provide a means to vote for those without a capacity for electronic balloting. 3) How to shorten the grace period to accept dues.

Health Committee, Donna Davison. “Overall we still seem to be doing well on the health front, but I would like to see use gather more hard data. We are working toward this goal.

“I pushed hard for participation in the DNA Repository a year ago, but the numbers reflect that I was unsuccessful in convincing the importance of this. We will not be included in health studies if the DNA is not available. One of my dogs was selected for a thyroid study. Please consider doing this at your next vet visit. The form and instructions are on the OFA site.

“We may consider blood draws at a future specialty.” (Donna Davison)

Discussion of short, organ or disease specific surveys.

The Canaan Kibitzer, Amanda Pough. Taken from Annual Report.

“Since the last annual report four issues have been published and delivered to members either via download from the CDCA.org web site or USPS. Posts have been made to the JUDGES-L email list and a FB page for judges when each issue is posted online. (Judges are given the newsletter only log-in vs the members section one).

“My thanks to John Relph for getting the issues

online so promptly.

“As always, your feedback is welcome as well as your stories, photos and ads. (Amanda Pough, editor)

CDCA Publicity and Promotion Committee, no actions in past year.

Discussion of adding members to committee: David Golden asked and agreed to join. Lorna Menaker and Pamela Rosman are available as AKC liaisons to this committee

Old Business: Chris Miller. “Create a book of CDCA Firsts.” Theme of book is changing. Records and history are being collected. Some will be seen in the Yearbook premiering at this National. Ongoing project.

New Business:

Guest David Golden raised the following item of new business: Canaan Dogs’ relative popularity as an AKC breed has been declining rapidly. For 2016, the breed was the 181st in registrations out of 189 breeds recognized by the AKC. While the absolute number of Canaan Dog registrations may be more or less stable, David asked (1) whether the Club should do more to promote the breed and, if so (2) what should the Club do?

While the Board was not unanimous in the view that the breed is at risk from low numbers, it did agree that more can and should be done to promote the Canaan Dog. Lorna Hastings Menaker, joint the meeting by phone, had a number of worthwhile suggestions for promoting the breed. Both David and Bryna offered additional suggestions, some of which have been used successfully by other breed clubs.

Board Meeting took place both on the 18th & 19th in order to finalize all Board Business.

The following attended the **CDCA Annual General Meeting** on 10-19-17 at the Conyers, Georgia, home of Chris Miller.

CDCA members: April Gray, Bryna Comsky, Cynthia Dodson, Richard Vulliet, Amanda Pough, Julie Haddy, Chris Miller, Annette Israel, Cathi Oskow, Amy Preston, Donna Davison, David Golden, Make Houchard,

Show Chair Report

From the Show Chair's point of view, the 2017 National Specialty was amazing. The dogs that were exhibited were wonderful representatives of the breed. The exhibitors were also a pleasure. They were on time, they took direction in a pleasant manner, and the ring worked smoothly.

Thanks to all who were asked to help during the show. Everyone gladly stepped up and did what they were asked. A special thank you to Amanda's friend Carol Haugland who stepped in and stewarded for us on no notice. Thank you to our judges Mel Holloman for Sweepstakes and Butch Schulman for regular classes. Both judges handled their rings with ease.

The whole week, from start to finish, was wonderful. Again, thank you to all those that exhibited and helped. You all made the 2017 National Specialty week an enjoyable experience for all.

Mike Houchard
2017 National Specialty Show Chair

New Procedure for National Specialty Judge Selection Coming Soon!

The Board, upon discussion & comments from the membership, has agreed upon a new format for National Judge selection.

A list of all judges who are approved by the AKC to judge Canaan Dogs will be made available to club members for anonymous voting. Write in options will be available. While the goal is to do this completely electronically, a paper ballot will be made available to those who cannot vote online.

The balloting will be used to develop a list of judges to ask for National and Designated Specialties, and to help with creation of a Preferred Judge List (given to kennel club's for supported entries).

Questions, or to make logistical comments, should be directed to Julie Haddy, president@cdca.org

The balloting period will be announced far & wide to ensure all who wish to participate have a chance to do so.

DUES ARE DUE!

Renewal reminders have gone out to all – thanks to the early birds who have responded. If you have not received communication about your renewal or have any questions please contact me.

Great Lakes Canaan Dog Club

Get-Together

Bryna Comsky

A dozen people and half that many dogs came to Shalay Kennels in Rockford, Illinois, from Iowa; Madison and Milwaukee, Wisconsin; Chicago, Illinois and closer, to celebrate their Canaan Dogs, have fun, compare stories, go on the training trail and satisfy their hunger, literally and figuratively. There were several issues of the Kib, old CCA brochures, a photo album and copies of the original and current breed standards available for perusing and taking.

The young Canaans and their owners tackled the obstacles on the training trail with wariness on the first try. On the second and third attempts they had settled in somewhat. Shay,

who had sired a few of the yearlings, showed the way. Stella, the nine-year-old bitch from Chicago, was among the first to catch on, and so was Shay's son, Major, who had brought his family from Madison. The others fell into line despite the look of near terror

on one of their human's faces when her puppy had to jump over the high jump! "No, I won't" was not an acceptable response. Pretty soon, they all negotiated the 1/4 mile trail almost like old hands. Short tunnels, tire pyramids, high jumps, broad jumps, horizontal ladders, abrupt changes of terrain, A-frames and other challenges hardly fazed them. Their humans were impressed, and had begun to grasp what all is involved in canine socialization and training.

Three of the participants will take home two Ha'Aretz puppies by Shay and Heart, in December.

The purpose of this get-together was manifold. The owners all knew that they had a very special dog at home. This experience made them aware of the importance of early socialization, training and good temperament in the breed. And we all socialized amongst ourselves too. Hopefully there will be another gathering such as this soon! We are even thinking of forming a regional Canaan Dog club. It was a great day for Canaans!

Looking For Budding Authors!!!

Have an amusing anecdote about living with your Canaan? Want to let others know what training your Canaan in agility, obedience, rally, herding, coursing, barn hunt, etc. involves? I'm looking for submission by Canaan Dog owners, handlers, breeders, fanciers for the quarterly Canaan Dog breed column in the *Gazette*. Worried that you aren't sure that you are a good enough writer? I can help! You provide the idea and we can discuss how it can be written! CDCA Club Awards

2017 DOTY/MOTY Nominations

It's time to start sending in nominations the 2017 Member Of The Year (MOTY) and Dog Of The Year (DOTY)! Nominations of recently deceased candidates will be accepted.

MEMBER OF THE YEAR

Please send your nomination of **500 words or less** explaining why a past or present CDCA member should be honored for his/her past and/or current contributions to the breed and/or club. **If no nominations are received, we cannot present this award.**

DOG OF THE YEAR

Please send your nomination **250 words or less**. Please include all of the dog's titles, breeder, and sire and dam names (not counted in the final word tally of the nomination) and explain why this dog should be honored for his/her past and/or current contributions to the breed.

Once received, if the nomination is of a dog that you do not own, the owner will be contacted to allow him/her to send in a co-nomination statement about the dog, again, not to exceed **250 words**.

The ballot will contain the write up from the nominator and owner (if received). Should the owner not choose to submit a nomination, the ballot will only contain the write up from the original nominator. **Please note, if you nominate a dog you own or co-own, only the initial write up (max. 250 words) will be published.**

For both MOTY and DOTY, a photo of the nominee either in hard copy print or electronic format (preferably JPEG) should be included with the nomination. All hardcopy photos will be returned.

Nominations should be mailed or emailed to Denise Gordon **no later than April 1, 2018**. If there is more than one candidate for either DOTY or MOTY, ballots will be mailed no later than April 8th with the due date of April 30th. Voting may be done either by ballots returned via US Postal Service or electronically (email). Otherwise, a single nomination in either category by the deadline will be declared the winner as confirmed by the Board of Directors. Winners will be announced at the 2017 National Specialty awards banquet.
