SUMMER 2020

PRESIDENT/EDITOR'S MESSAGE

Well. What a difference a couple months make. It is safe to say 2020 is not how any of us pictured it (but if you did, I hope you are purchasing lottery tickets). I hope you and yours are staying as safe and healthy as possible.

Despite the pandemic, life goes on. Puppies are born, dogs need to be trained, AKC (and others) have moved to video trialing & testing, and shows have even restarted in some parts of the country. I took advantage of one of those litters of puppies and brought home "Lexi" over the 4th of July weekend.

As of press time, the 2020 National Specialty Week is still a go. We hope you and your dogs will be able to join us in Ohio in October. TONS of information—including COVID Rules—may be found in this issue starting on page 7.

To all, stay safe. Reach out to the club if you need help. It takes a village, and these days it can take a club.

Press Release

AMERICAN KENNEL CLUB WELCOMES THE INTRODUCTION OF THE HEALTHY DOGS IMPORTATION ACT OF 2020

New York, NY- The American Kennel Club (AKC®), the world's largest purebred dog registry and advocate for all dogs, is pleased to express strong support and gratitude for the introduction of the Healthy Dog Importation Act of 2020 in the U.S. House of Representatives today.

The organization would like to thank Congressmen Ralph Abraham (LA-5), Ted Yoho (FL-3), and Kurt Schrader (OR-5) for sponsoring this bipartisan legislation that will ensure all dogs imported into the United States are fully immunized; free of infection, parasites and contagious diseases; and are individually certified as such by an accredited veterinarian.

"AKC is grateful for Representatives Abraham, Schrader and Yoho's leadership in sponsoring the Healthy Dog Importation Act," said AKC President & CEO, Dennis Sprung. "In the last several years, zoonotic diseases such as rabies, canine influenza and distemper have been carried into the U.S. by dogs imported without basic veterinary checks or valid health certificates. With an estimated one million dogs entering the U.S. annually, this represents a ticking time bomb for animal and public health. The basic health certifications that this bill requires for every dog imported will protect the health and wellbeing of all dogs in our nation - and the humans who care for them."

The AKC also thanks the National Animal Interest Alliance (NAIA) for their long-time leadership on the issue and the American Veterinary Medical Association (AVMA) for their support.

As our country works diligently to end the COVID-19 pandemic and prevent the spread of other zoonotic diseases, this legislation is an important step in addressing concerns about recent documented incidents of unhealthy dogs being brought into the U.S.

For more information, visit the AKC Government Relations Pet and Public Health pages.

Versatility Program Clarification

A question arose recently with the new matrix of the Versatility program, so it was decided to clarify titling under the new matrix. First of all, the new matrix is the latest of in the series of matrices, an improvement of the previous one. It is not meant to be a wholly new titling regime, but rather a continuation of titling within the program itself. This means any titles earned in the previous matrix or matrices are permanent; in other words, the entry level Versatility (V) title earned in a previous matrix does not need to be re-earned with the new matrix. A further example: dogs that have earned the Versatility Advanced (VA) in the previous matrix have the rough equivalent of Versatility Intermediate (VI) in the new matrix and therefore, the owner can then submit additional documentation for the next title, the Versatility Intermediate Multipliers (VI+; e.g., VI2, VI3, etc.) where each VI title requires an additional 4 AKC titles across at least two different categories in the new matrix. Hopefully, this clarification helps with the transition from the previous matrix to the new one. If anyone has any questions or want to know what next title in the new matrix for which their Canaan is eligible, please contact Denise Gordon, CDCA Versatility Chair, at desertstarcanaans@yahoo.com.

LETTERS TO THE EDITOR

Great Issue!

Just had a chance to read through the whole issue of the Kib [Winter 2020]. Great effort! Balanced, with interests, activities and reports on every page, attracting every reader. Wonderful pictures! Ending with a lovely tribute to Mel Holloman whom we recently lost unexpectantly [sic]. We've come a long way, as Bert Sheaffer would say.

CORRECTIONS - WINTER 2020

Amanda,

Cynthia Dodson and David Golden called my attention to three errors on p. 5 of the Kib:

The WKC carpet is green, not "greed",

Lil' Roy got a RBIS, not BIS,

and Vino was shown by Cydne Clark, an all-breed handler from Watauga, Tennessee, so was not owner-handled.

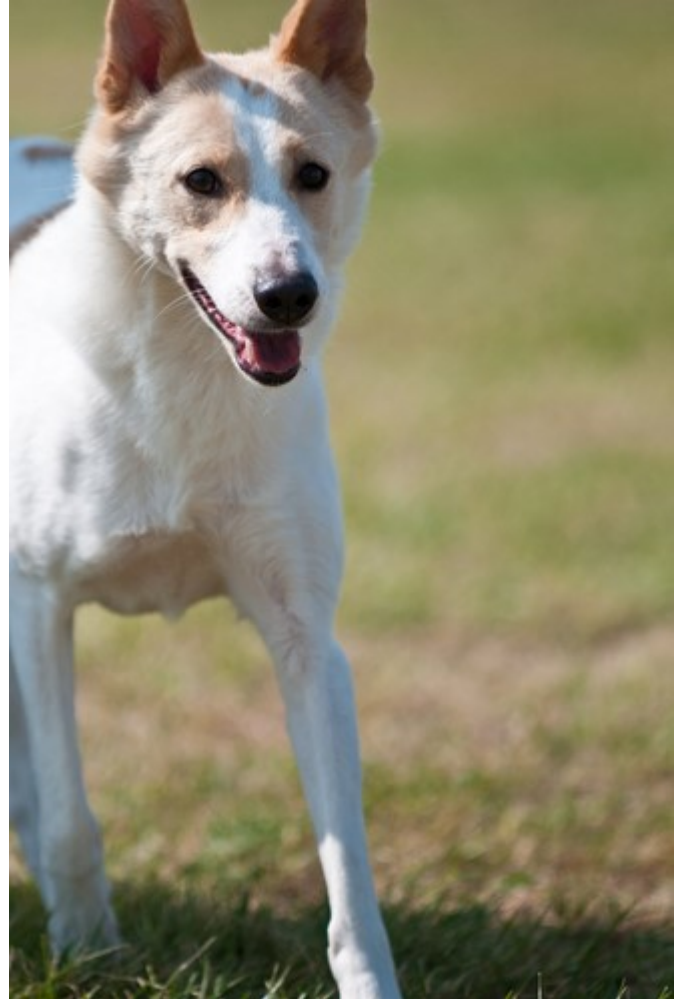

Still can't get over the WKC montage by Sheila. Great, great work!

- Bryna Comsky

Amanda, I noticed that you had an incorrect date included on the page with New Titles. The December 2020 should be December 2019.

Thanks for your hard work.

- Cynthia Dodson
