THE CANAAN KIBITZER

VOLUME 58, ISSUE 1

WINTER 2022

PRESIDENT'S MESSAGE

Hello Everyone,

Hope everyone had a safe and happy holidays. A lot of us are so glad 2021 is over, now let's make 2022 special.

First I would like to say a heartfelt condolences to those that lost loved ones, both human and pets, hopefully your memories will help to make it more bearable.

COVID makes me crazy, the National Specialty in Tucson in November, - yes - no - yes - no - yes but... Unbelievable the job that Carrie and Risa had to do planning and planning and unplanning, then planning again. Let's go here - no here - no here. Know what let's just all meet and see what we can do once that week comes. I really think we had a great time with all the changes that happened. The judges did great jobs with all the dogs we had there, we had majors all 5 shows with 4 different dogs winning them and finishing 3 of them. It's always great to see people that you only see once a year. Thank you to everyone that came with or without dogs, just to talk Canaan Dogs.

Then bring on the herding, just wow on the location, high in the mountains over looking the valley that houses Tucson. As much as I love confirmation there's nothing like seeing a dog when the light goes off in their head about herding sheep. Then after herding a lovely wine testing.

Some of us stayed around for the next weekend and we got 4 more majors, 3 different winners and finishing one more dog to the Champion class.

Next was Dan & Julie giving 120% to put on the agility trials, great job to all and this year for the agility in May and November they could use help, if your interested please let us know.

December in Florida at the AKC National Championship, people we haven't seen and Canaan Dogs showing off there stuff. Plus this year we had a very special Canine College photo shoot. The AKC is making a video for judges to study on different breeds and this year they chose the Canaan Dog, each dog that was there got to do a photo shoot, and over the next few months the AKC along with the judges education committee will be putting together a study video that we will also be able for us to use for our own education and promoting of this great breed.

EDITOR'S NOTE

Whew! This is traditionally the issue that almost kills me, and this time was no exception. This time, photographers were hard to reach leaving many folks scrambling. HUGE appreciation to Risa Baumrind whose habit of capturing CDCA events on camera was extra helpful this issue.

Next issue deadline is June 1, 2022. Please send submissions to the Newsletter email: cdca.kib@yahoo.com

I don't tend to check that account between issues, so will acknowledge receipt of emails close to or after the next deadline.

AKC Meet The Breeds are back on calendars but are still at the mercy of local COVID spikes. Contact your favorite Board Member if you are interested in helping at a local event. Currently the AKC is planning events in Tampa FL, Dallas TX, San Diego CA, Columbus OH, and New York NY.

Member of the Year and Dog of the Year Nominations are open. See page 6 for full details.

Stay safe!
- Amanda

Once again please join us on every 2nd Tuesday of the month on Zoom for Canaan Happy Hour and General membership meetings and on the 4th Thursday of every month the Board meets, the meetings are open to ALL members, see what the club does and give us your thoughts to help promote this wonderful breed.

Remember we're always looking for more members to help on different things that your good at.

Also looking for places to hold the 2024 National Specialty at. Give us your ideas.

We voted 4 Associate members to full and 3 new memberships, welcome and congrats [to all of them].

Best Regards,
Keith Shank

PS: [Canaan Dogs] ... now can add the TT from ATTS to end of our dogs [name] that have past the temperament test and submitted to the AKC (see the AKC.org website for form and cost).

CDCA 2020 MEMBERS OF THE YEAR

Keith and Cheryl Shank

Nominated by Cynthia Dodson and David Golden

Nomination:

In 2002 Keith and Cheryl Shank welcomed their first Canaan Dog, Jake, into their lives. Since then, they have owned 5 Canaan Dogs, which they have shown in conformation, exhibited to advance the public's knowledge about the breed and the Club, and bred. In short, they have been an integral part of the Canaan Dog community for almost two decades.

Throughout the years, the Shanks have worked on a wide variety of CDCA events. For example (and way back when), Keith assisted with organizing and running the 2005 National Specialty in Rochester MN. More recently, in 2014 Keith served on the Specialty Committee for the National Specialty held in North Branch Minnesota. Cheryl's incomparable performance as part of the duo presenting "the traditional Welcome Song presented by Minnesota Members" is memorialized at: <https://www.youtube.com/watch?v=4VUHFEiwlyc>. For the past, several years Keith and Cheryl and their dogs have anchored the Canaan Dog booth at the Orlando Meet the Breeds. They're members of the Anoka County Minnesota Kennel club and have single-handedly constructed and manned (dogged?) the Canaan Dog exhibit at the Minnesota State Fair, the largest in the country attended by over 2,000,000 visitors every year.

The Shanks currently have 3 Canaan Dogs, which they had shown extensively, raising awareness of our breed. The two youngest (father and daughter) have had many conformation successes, including each winning the breed at the last two AKC Championships. Keith and Cheryl are true assets to the Canaan Dog and the CDCA.

CDCA 2020 DOG OF THE YEAR

“Hava”

**URO1 Pleasant Hill Hava Shirat,
VCD1, BN, RA, TDX, OAP; WCRL-RL1; CPE-CL1, CL2-H, CL2-R, CL2-F; CDCA-HC & V**

Owned by Debra White; Bred by Donna Dodson

Nominated by Marcia Muller

Nomination:

Hava is a perfect example of the courageous spirit and determination present in the Canaan Dog breed.

Hava is the first Canaan Dog to earn the Tracking Excellent (TDX) title. This is an enormous accomplishment. I have no doubt that Hava would have qualified in the Variable Surface Tracking (VST) test and earned the title of Champion Tracker (CT) were it not for her current physical limitations. Hava loves to track, and the joy Debby receives from knowing Hava's spirit and desire are still strong at almost age 14 is an inspiration to any dog owner who is dealing with Degenerative Myelopathy.

Hava was awarded the Versatile Companion Dog 1 title after earning her CD, NAP, NJP and TD titles. She also earned the Beginner Novice, Rally Advanced, and Open Agility Preferred titles.

“Living with Degenerative Myelopathy - Hava's Story” in the Kibitzer provides encouragement to other owners dealing with DM along with some helpful hints. Hava certainly is a “Courageous Tracker.”

I've seen a dog in a full quad wheelchair compete in Nose work trials and it is a testament that dogs can overcome obstacles that humans think are insurmountable. The joy they experience from doing what they love to do is what is important. Owners learn to deal with the hardware and other challenges with a little encouragement from friends, family, club members and other competitors.

I am nominating Hava for the CDCA 2020 DOTY award. She deserves to be recognized as an excellent role model of what's possible.

Owner's Statement:

I am honored at Hava's DOTY award nomination. Hava and I have been partners on a journey which has helped showcase Canaan Dog capabilities and temperament. I most fondly recall that her calm, friendly nature made her an excellent breed representative. Never pushy, she always wanted to politely greet people at performance events. During her hospitalization for IBD, technicians sent notes about her sweet personality. At treatment conclusion, her typically very serious doctor suddenly softened and asked to button her winter coat because he would miss her.

But anyone coming to my front door knew that she was my protector.

With her determination, Hava demonstrated to the tracking community just what Canaan Dogs are made of. She will never give up. Although her DM has progressed and she is now in a full quad wheelchair, she still wants to do her job. Her dedication has been truly inspirational to trackers during recent challenging times. She seems to take DM in stride, adapting to changes in equipment and routine, wanting to remain with family and participate in activities.

Hava approached obedience and agility with the same determination to get the job done properly. Although she was rather perfunctory in these venues, I received compliments on her precise performances. Nevertheless, Hava always preferred outdoor activities. She enjoyed being with sheep when I could give her the opportunity, and she was instinct certified. But tracking has always been her passion, and she was out searching for articles today!

2021 DOTY/MOTY NOMINATIONS

2021 Member Of The Year (MOTY) and Dog Of The Year (DOTY) nominations are now open! Nominations of recently deceased candidates will be accepted.

MEMBER OF THE YEAR

Please send your nomination of 250 words or less explaining why a past or present CDCA member should be honored for his/her past and/or current contributions to the breed and/or club. If more than one person would like to co-nominate the same candidate, that co-nomination may be an additional 250 words maximum, for a total of no more than 500 words for the candidate's overall nomination. If no nominations are received, we cannot present this award.

DOG OF THE YEAR

Please send your nomination 250 words or less. Please include all of the dog's titles, breeder, and sire and dam names (not counted in the final word tally of the nomination) and explain why this dog should be honored for his/her past and/or current contributions to the breed. Once received, if the nomination is that of a dog that you do not own, the owner will be contacted to allow him/her to send in a co-nomination statement about the dog, again, not to exceed 250 words for a maximum total of 500 words. If no nominations are received, we cannot present this award.

The ballot will contain the write up from the nominator and owner (if received from the latter). Should the owner not choose to submit a nomination, the ballot will only contain the write up from the original nominator. Please note, if you nominate a dog you own or co-own, only the initial write up (max. 250 words) will be published.

For both MOTY and DOTY, a photo of the nominee either in hard copy print or electronic format (preferably JPEG) should be included with the nomination. All hard-copy photos will be returned.

Nominations should be mailed at the address below or emailed to April Gray no later than April 1, 2022. If there is more than one candidate for either DOTY or MOTY, ballots will be mailed to members.

Voting may be done either by ballots returned via US Postal Service or electronically (email). Otherwise, a single nomination in either category by the deadline will

be declared the winner as confirmed by the Board of Directors. Winners will be announced at the 2022 National Specialty awards banquet.

For further information or to submit an application, contact:

April Gray, CDCA Recording Secretary
recording-secretary@cdca.org

Brag Box!

Since the last Kibitzer, "Ziva" (River Rock Reached Any Higher) earned 2 AKC Scent Work titles: Virtual Scent Work Excellent (VSWE) and Scent Work Handler Discrimination Novice (SHDN). In UKC she earned 5 Nosework titles: Advanced Exterior (AE), Advanced Vehicle (AV), overall Advanced Nosework (AN), Superior Exterior (SE) and Master Container (MC) - this one was earned on her 8th birthday.

In a November Barn Hunt trial "Ziva" received the Judge's Choice Award for her first qualifying Open leg, along with a 1st place ribbon.

The icing on the cake was learning that Ziva earned an Outstanding Breed Award and was named the #1 Canaan Dog, Elite Performer, in the AKC 2021 Trick Dog National Competition. The story line is "A CANNAN DOG APPLIES TO THE AKC CANINE COLLEGE" and here's the video link: <https://www.youtube.com/watch?v=opRP5RaOq-A>

I've been entering the AKC Trick Dog Virtual Competition since 2019. Your dog has to have earned the Trick Dog Elite Performer (TKE) title before you can enter this competition. Once entered you have to qualify. Then a panel of judges score your video on creativity, fluency, flow, handling skills, entertainment value and overall impression.

A winner and 2 semi-finalists were chosen. An additional 20 Outstanding Performances were posted on the AKC results page. I found out last week when I received a big box of Bling that Ziva was chosen for an **Outstanding Breed Award (#1 Canaan Dog) - 2021 AKC Trick Dog National Competition**. I had hoped to get my video posted on AKC and some recognition for our breed but I'm happy that the judges saw what's possible with a Canaan Dog. AKC doesn't give a Breed Award to every breed entered. Performance has to be considered Outstanding. We couldn't keep repeating for perfection, so I'm happy with what I got. As Canaan Dog owners you know what I mean when I say Ziva gets bored with repetition.

Story line is: A Canaan Dog applies to the AKC Canine College

The hardest trick was having Ziva remove a ring already on a post and move it to another ring. This was NOT a fluke. It was part of the trick routine.

I'm already working on a story line for next year's competition.

What a way to start a new year!!

- Marcia Muller

Asha (CH D&J Ha'Aretz Asha Of Sundowner RI) received her CDCA -HC Tuesday at the Herding Instinct test after the Specialties & shows at the Canyon Cluster.

News Flash: Asha just received BOS with a 4 pt major (I think) both days at the Kachina KC shows last weekend in Surprise, AZ. So she now has her three majors towards her Grand Championship.

- Cathey Dunn

Commentary from Judges

National Specialty Sweepstakes

I want to thank the CDCA for inviting me to judge your National sweepstakes. I consider it a much appreciated honor as I have loved this breed for years (anyone who knows my history with the breed knows that when I campaigned Harry, poor Judy R. thought I would never send him home as I adored him!). I must apologize for not knowing that you would want a detailed critique or I would have taken pictures and written notes. With that said, my comments will be general in nature.

Although the total number of dogs entered was small, I thought the depth of quality was huge. Overall they were lovely type dogs with most exhibiting proper size, angulation, soundness and beautiful headpieces. I was pleasantly surprised by all the good temperaments, having only one shy pup that will hopefully outgrow that phase. I thought my Best In Sweeps dog was exceptional and look forward to seeing him as a mature adult.

My veteran sweeps entries were lovely and I have a soft spot in my heart for all veterans as they are the foundation of your future. Type, soundness, heads and expressions were wonderful. I thought my Best Veteran In Sweeps was in great condition and if I had judged the Specialty I would have made him a serious contender for Best Of Breed.

Kudos to all the breeders for a job well done and presenting to me such beautiful specimens of your breed. Thank you again for this honor and I truly enjoyed my experience.

Sincerely,
Kitty Burke

National Specialty

Had I known you wanted a critique before hand I would have taken notes. so here are a few:

I was very pleasantly surprised at the overall quality and soundness of the entry. I don't see that nearly often enough. Swinging elbows and restricted reach are commonplace now - not to be found with this entry. Granted the Canaan temperament is not very outgoing as befit your heritage, but tail carriage is still important. More work needs to be done in that matter. Lastly, conditioning and handling were much more than I expected. As a judge it is quite exciting to find so many well conditioned entries. Keep up the good work and thank you for giving me the honor to have judged your specialty.

Thank you,
Robert Frost

Editor's Note: Judges had been asked to provide commentary prior the assignment, but as I could not be ringside, I was unable to remind them of that request.—AMP

Designated Specialty

Thank you to the membership CDCA for electing me as the 2021 Designated Specialty Judge. It was an honor to again judge an entry of depth and quality. I would have happily taken a number of dogs home with me!

Despite the fact that for some dogs, this show was their 4th, 5th, or 6th time in the ring in three days, I was extremely impressed by the behavior of young dogs in the ring. We had a couple "hokey-pokey" dogs (as one handler described her charge) but as I don't expect robots in the ring, nothing that was unusual or of concern.

My winners all were pleasing in movement and head and this is where I most often made my decisions. My Best of Breed dog filled my eye upon entering the ring and proved to be as impressive on exam and in motion. I was pleased to see him rewarded later in the group. Well muscled, he covered ground with a "brisk and tireless trot." He has a lovely wedge shaped, elongated head, that is distinctly masculine, on a well arched neck that is balanced to his body. His athleticism was evident both in his footfalls and topline on the move. I asked ages of him and my eventual BOS winner; while I was surprised how young she was, learning he was technically a Veteran reinforced my appreciation of this breed when fully mature.

A reminder; while the head is described as a "wedge" in the standard, it is also described as "elongated." This was especially in my mind in the Winners Bitch class.

In addition, while "his trot tends to converge to the center at higher speeds," there should be no evidence of interference in that convergence. Above all, "correct movement is essential to this breed."

Thank you again to the Western States Canaan Dog Club for the hospitality on my trip, and to the breeders, owners, and handlers in my ring.

CDCA National Specialty 2021: Impressions from The Show

Nine days of all-breed and specialty shows, Nov. 10-16, 2021, including the National and Sweepstakes competitions with entries around twenty dogs.

All dog and handler teams represented the breed well. Special mention to Laura Alton and her Canaan Dog team member who excelled in Rally competition.

Attending the AKC judges seminar were two aspiring judges of Canaans and several interested CDCA members. Noteworthy was a glimpse into how breed descriptions had evolved over a twenty-year period from Ann Heir's original illustrations to what they are today. Fortunately the understanding of the breed among newcomers and old-timers hasn't strayed far from the Menzels' description. Dr. Jim Edwards and Ann Heir made their invaluable scientific and artistic contributions which ended at AKC in 2019 with the takeover of DNA.

Good fortune and planning brought us judges familiar with Canaans. Robert Frost had judged the breed since the beginning of point shows for the breed, and Amanda Pough started in the breed as handler, then breeder, and now judge. Mr. Frost judged the National this year, and Ms. Pough the designated specialty. Sweepstakes judge was the much loved and respected Kitty Burke. A necessary judge change brought Ms Regina Lee Bryant into the Sweepstakes ring on Sunday, a fortunate find for the breed. Without exception judges on all five days of competition were knowledgeable, consistent, made predictable choices, and a pleasure to watch.

A part of the collection from the auction went to purchase a K9 vest for the local police dogs. Sad that we had to contribute in this way, but fortunate that we could find a way to make police work safer for dog and handler.

The Herding event on the last day was impressive. AKC and AHBA judge Laura de la Cruz presided. Most of the entries passed. The fact that we were practically in the mountains didn't faze the dogs. They went about their work as though they were on flat land. A wondrous experience!

How better to follow the herding instinct tests with a wine tasting ceremony in the middle of the desert! A great experience! "My" bottle of wine went home with Cathey Dunne! If you find yourself in the neighborhood again, it's worth it to stop at the friendly Sharron Vineyards :)

In May of 1972, Bert and Jay C. Schaefer put on the first CCA, now CDCA, National Specialty Show at Spatterdash Kennels, Emmaus, Pennsylvania. That was the first step on the way to full AKC recognition for Canaan Dogs. Over 20 dogs and owners participated. Tess Hensler, whose breed was Dobermans, judged.

On October 15, 1990, "Misha" TD, earned his tracking title and became CCA CH Ha'Aretz Ayen Aleph J. Maccabee TD from miscellaneous class. Ted Hoesel and Ronny Greenberg judged.

In August 1997, our first AKC "pointed" national specialty was held in Kentucky. Fittingly, Anne Rogers Clark judged our bunch of "wild Indians". She must have included most of the handlers in that statement also. As they say in a variation of Pennsylvania Dutch, "you've come a long way baby!" Yes, we did!

2021 ANNUAL MEETINGS OF THE CLUB

Board Meeting

Held November 2021 in Tucson Arizona

No Minutes provided as “the meeting ... was a closed one, and ... all BOD minutes will be posted on the web shortly.”

- Keith Shank, President, February 13, 2022

Annual General Meeting

Held November 11, 2021 in Tucson Arizona

posted to the CDCA IO Group email list on February 8, 2022 by Keith Shank, President

Annual Meeting of the Club, held in conjunction with the Annual Specialty in Tucson and via Zoom on 11-11-21 called to order at 4:24pm local time.

Attending were Board members Keith Shank , Annette Israel, David Golden, and Bryna Comsky.

Also attending in person were Members Laura Alton, Cynthia Dodson, Debbie Friedman, and Richard Vulliet. Members attending via Zoom were Laura Fochtmann, Julie Haddy, Dan Haddy, Marcia Muller, Jenni Pickard, Cathi Oskow, and Pamela Rosman.

President’s report. Keith talked about the Board’s desire to engage better with each other and with the general Membership by having more frequent opportunities to connect. He outlined new schedules for (a) monthly Board meetings via Zoom on every 3rd Thursday, (b) bi-monthly General membership meetings via Zoom on the 2nd Tuesday, starting in February 2022, and (c) informal Zoom Canaan Dog “happy hours” on alternate 2nd Tuesdays, beginning in January 2022.

Vice-President’s report. Annette gave a brief summary of the Committee reports she had received from Committee Chairs that weren’t present, and which Committees needed additional help. Debbie Friedman graciously agreed to begin taking over Membership Committee duties from Risa Baumrind.

Treasurer’s report. David discussed the Club’s new bank account structure and gave a year-to-date overview of the Club’s financial position. The Club had an average daily cash balance for the month of \$23,341. He noted that the Club’s cash flow would increase dramatically, both in and out, during November, given that two of the Club’s three biggest events—the National Specialty and Thanksgiving Agility Trials--were taking place during the month.

Bryna talked about looking for opportunities to get with other clubs and her activity as “Sunshine” Chair, recognizing on behalf of the Club Member’s happy and sad events.

David G. summarized several proposals for the Publicity and Public Education Committee, including a potential Member Survey using Survey Monkey to capture information on (a) Canaan Dog breeding stock in the US, and (b) additional Member interests not currently being served by the Club. He also discussed generating more Member engagement with photos, brags, etc., that could be posted across the Club’s social media platform to inform and promote about the versatility of the Canaan Dog breed.

Dan H. gave an update on the Thanksgiving Agility Trial: 550 entries, a big increase over 2020. He also requested more help from the membership.

Pamela went through her AKC Delegate’s report.

New business: Marcia M asked for an update about the Club’s efforts to get the ATTS temperament test accepting for titling by the AKC.

Cynthia then made a motion to adjourn, and Deb seconded it.

The meeting ended at 5:49pm local time.

2021 COMMITTEE REPORTS AS PREPARED FOR THE CDCA ANNUAL MEETINGS

CDCA Committee Annual Reports as submitted for the 2021 Annual Meetings provided by Committee Chairs for the Newsletter

2021 National Specialty Board Liaisons

submitted by: Amanda Pough and Christina Miller

Despite the stressors and every changing needs/regulations due to COVID, the 2021 National is shaping up to be a successful event. Entries are on par with recent years pre-COVID. While we do not have Junior Showmanship entries, we know we have entries in breed, rally, and herding (not yet sure about obedience). The Committee and Board have worked together to deal with COVID restrictions in terms of Meetings, and the Banquet will be held outside on the showgrounds. This will not be as “formal” event as in the past, but needs must.

As neither Amanda nor Christina are on the Board anymore, the 2022 National will be their last as the National Specialty Board Liaisons. The Board will need to appoint a member(s) to this position who can immediately start working with the 2022 and 2023 Specialty Committees. This person should also plan to work with the Board to call for 2024 proposals over the winter.

It has been our privilege to serve the CDCA and the AKC fancy in this capacity. We look forward to (occasionally) being able to attend a Specialty just as an exhibitor, instead of with multiple hats and being asked multiple questions!

- Amanda Pough & Christina Miller

Job Description: The National Specialty Board Liaison(s) is/are as the name describes, member(s) of the Board who are de facto members of the upcoming National Specialties Committees. The Liaison must be extremely familiar with AKC Rules & Regulations Regarding Dog Shows, with an extensive documented history working on AKC show events.

The job description is that the NS Board Liaison(s):

- 1/ assist the National Specialty Chair & Committee with any questions regarding CDCA policy and procedures (P&P) regarding the National Specialty;
- 2/ makes sure deadlines are met for applications, ensures applications are signed by an Officer and are complete under AKC rules, etc. Follow up with AKC as needed to ensure applications are approved in a timely manner;
- 3/ maintain communication between the NS Committees and the Board;
- 4/ answer AKC and CDCA policy/rule questions in regards to the National;
- 5/ maintains the Specialty Guidelines P&Ps and responds to requests from interested local clubs/groups for copies of the Guidelines. (The most recent Specialty P&Ps will be emailed directly to the new Liaison upon appointment.) Notifies all specialty chairs of changes to the Specialty Guidelines and emails the changes to the chairs;
- 6/ coordinates the Board call for future National Specialties and notifies the local club/group when a bid has been accepted by the Board; CDCA Committee Annual Report: 2021
- 7/ ensures a final report and ALL results of the NS week are submitted by the NS Chair/Committee to the Editor of the Kib for the next issue after the NS;
- 8/ reports & leads discussion with the Board & upcoming NS Committees any recommendations of changes to the Specialty Guidelines P&Ps that came up during the preceding event.

2021 Meet The Breeds: NYC

submitted by: Amanda Pough

AKC Meet The Breeds The Board – Chris or David/Cynthia in the past for Orlando;
Amanda for NYC

EXTREMELY NEW VERSION OF MTB PLANNED FOR 2021 Traveling events still to be worked out as first one hasn't yet happened. Booths will be set by AKC – we are just asked to supply workers and dogs. Suspect that these are all still pending COVID/

COMMITTEE REPORTS, *continued*

Delta/etc. Members were given locations and dates for 2021 and asked to contact Chris if they could attend any of the events.

EXCEPT, at this time, all events on hold due to the pandemic.

“The Canaan Kibitzer”

submitted by: Amanda Pough

In 2021 year to date, two issues of “The Kib” and the “Canaan Connections” have been produced. All have been posted to the Club website behind the Members/Newsletter log in. Thank you to John Relph for his portion of the publishing to the online platform.

Approximately 40 member household receive the printed version. The Membership Chair and both Secretaries are mailed multiple copies for their use.

We have been having 75 hard copies printed per issue, using DocuCopies (docucopies.com). Their pricing and turnaround time continues to be extremely competitive. During the pandemic, they have been offering many special deals, meaning the cover can often be printed in color for a reasonable cost.

Content, as always, continues to be a struggle. Members are encouraged to submit their story ideas, or forward articles for reprint. I am happy to request reprint permission, but appreciate if this has been already obtained. These submissions do need to be in a format that can easily be dropped into the newsletter – text inside an email, or a Word document attached to the email. I am not willing to retype a scanned article as the chance for the introduction of errors is too high.

Please note, articles also submitted to Denise for “The Gazette” should be published first in “The Gazette.” Once published there, AKC has a standing policy allowing reprint permission with appropriate credit. HOWEVER, “The Gazette” asks for first refusal on article. If we publish it first, it is likely that AKC will refuse to print the article. It is best to allow for the larger AKC audience to see an essay first, before our club.

Once again, my thanks to those who have submitted content over the past year. Any officer or committee chair who posts public reports is expected to copy the cdca.kib@yahoo.com address so that those reports may be included in “The Kib.”

Facebook: January – July 2021

submitted by: Amanda Pough

Facebook posts January – July 2021 tended to be shares from AKC, NPDD, similar groups/organizations, as well as cross-posts from the CDCA groups.IO email list on club business. A good majority of the posts involved CDCA 2021 National Specialty, and shares from the CDRN about “The Texas 56.”

Judge's Education Committee

Chair/submitter: Christina Miller

Co-Chair: Amanda Pough

It's been a rather quiet year. CoVid has affected the ability to have the typical large scale judge's education seminars that we get invited to participate. Thankfully, hopefully, things are making a turn for the better in that respect. The online presentation that was done during AKC's big push for online webinars in 2020 is still available to prospective judges and is still being viewed. That webinar can be found at this link: <https://www.akc.org/public-education/akceducation-webinar-series/previously-aired-judges-education-webinar-2020/> And then scroll down to the Canaan Dog listing from April 20th .

There were a few one-on-one mentor sessions conducted both in person and via online video communication. We have a few RSVP's for the Judge's Education offered at the National Specialty this year. We will be offering ringside mentoring during our National Specialty weekend in Tucson, AZ, November 12th through 14th. Our Judge's Seminar and Hands On workshop will be offered on Saturday the 13th, 30 minutes after Canaan Dog Breed Judging. If you are able to provide a dog for the hands-on workshop, that is always greatly appreciated. The National Specialty week is the single most important opportunity for prospective Judges to learn about our fabulous breed.

The end of this year and 2021 will bring about some exciting opportunities for the Canaan Dog in the realm of Judge's Education. We will once again participate in the AKC/DJAA Advanced Judges Institute in Orlando during the National Championship week. The presentation will be on Tuesday, December 14th, with the seminar at 11:00 AM and the hands on session at 1:30 PM. As always, if you will be in Orlando and would like to assist with the hands on session by providing dogs and/or handle dogs it is appreciated.

Most exciting is that the AKC has asked to Canaan Dog to participate in their Canine College Breed Course series. (<https://www.caninecollege.akc.org/>) This is a huge opportunity for the breed, so huge that a Canine College committee was formed. Committee members include Christina Miller, Amanda Pough, Cynthia Dodson & Keith Shank. AKC filming will take place in Orlando, Florida December 14th through 19th; Portland, Oregon January 19th through 22nd; and Denver, Colorado February 18th through 20th. If you are able to participate in any of those film opportunities, please let me know via email (riverrockcd@yahoo.com) and I'll get you more information. There may be an additional session in Houston, Texas in July, but that has not been confirmed as of yet.

With the opportunity fast approaching to have a large cross section of the community in one place, we will be doing photo and video sessions during the CDCA National Specialty festivities. Film and photo sessions will be post breed judging on November 11th through 13th. Location to be determined once the show site is assessed. The vision is to have these sessions completed shortly after breed judging when we are all still amassed.

Additionally, if you cannot attend any of these opportunities, we still want your participation. Please feel free to submit high resolution photos of your dog(s). These photos can be candid shots, show shots, fun shots, etc. Please email your submissions to: CDImageCollection@gmail.com

This is a wonderful opportunity to showcase our amazing breed. We look forward to your participation.

Membership Database Manager Report

Submitted by: Risa Baumrind

In summary, for the 2020-2021 period, through 9/20/21:

We have 146 members over 103 households

Of those households, 84 are dues paying households while 19 are lifetime or honorary (i.e. non dues-paying)

COMMITTEE REPORTS, *continued*

We acquired 8 new members in 2020-2021 period

We lost 6 of which 4 were non-renewing and 2 deceased

At the time of the board vote, we had

96 voting members of which

42 were individuals and

27 were in households

Ballots were mailed to each household as per the Constitution and By-laws

Supporting tables and data:

	Single	Family	totals household	totals member	
Full	35	26	61	87	
Associate	12	12	24	36	
Honorary	6	3	9	12	
Lifetime	7	2	9	11	
total single	60				
total family		43			
total household			103		
total member				146	146

no dues	19
paid	84
sum	103

8 new members for 2020-2021 Period

2 members deceased (very long-time members)

4 members who chose not to renew

For the vote:

households	69
families	27
individual	42
total ballots	96

Update as of February 8, 2022, Risa reports we have “156 individual members in 109 households, including members of all sorts.”

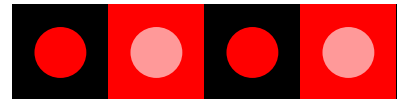

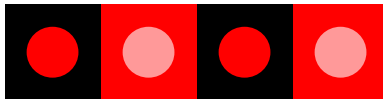

Duties of CDCA Corresponding Secretary submitted by: Bryna Comsky

Over the last year the duties of the Corresponding Secretary have been devoted largely to offering congratulations or comfort to members who have achieved noteworthy promotions, recovered from serious illness or sustained losses. The person offering congratulations or comfort is called the Sunshine Lady.

The Corresponding Secretary is in close touch with the AKC Events Department when CDCA sponsors sporting, tracking, agility and conformation events.

COMMITTEE REPORTS, *continued*

The Corresponding Secretary acts as a referral source and fields inquiries about the breed itself, availability of puppies, dog shows in general, and special interests.

LETTERS TO THE EDITOR

Thank you!
