

**Amazing Little Hearts**  
Presents  
The  
**5th Annual CHD Awareness Walk & Fun Run**

Dear CHD Supporter,

We are excited to announce the CHD Awareness Walk and Fun Run hosted by Amazing Little Dallas-Fort Worth's chapter to promote CHD Awareness in a family friendly atmosphere. As a vendor, your business is sure to receive exposure from media campaigns and all promotions for the event as well as gain exposure from the audience attending the event.

Last year was very successful in raising over \$40,000 enticing us to raise the bar and set our goal for this year's walk to raise \$50,000 and have 500 people in attendance. With over 6.5 million people in the DFW area and 1 out of every 100 people affected by Congenital Heart Defects this is very attainable; in fact we would not be surprised if this goal is exceeded!

Your contribution immediately advances parent/community awareness and advances our programs and families affected by Congenital Heart Defects. An estimated \$5-\$10 of federal funding and grant support is generated from each \$1 provided by donors. To learn more about CHD's or ALH, please visit our website at [www.amazinglittlehearts.com](http://www.amazinglittlehearts.com).

We look forward to seeing you at our Event on May 16, 2020 at TopFun Ranch in Anna, TX. We are grateful for your donation and look forward to another successful year. Big hearts like yours help make our work possible. Attached is the vendor registration form you may complete online or by mail.

Sincerely,

**Stacey LaBelle and the CHD Awareness Walk and Fun Run Committee**

*Est. 2009*

### **CHD Awareness Walk and Fun Run is:**

A family friendly fun event featuring:

- Live music
- An opportunity for children with CHD to enjoy a fun-filled morning with others just like them without feeling left out and discouraged by their medical challenges.
- Family-oriented activities such as; face painting, raffles, silent auctions, vendors, sponsors, and more!

Registration for the walk will open at 10am with live music, games, crafts and more!

### **About Congenital Heart Defects:**

According to the March of Dimes, Congenital Heart Defects (CHD) is the number one birth defect, affecting an estimated 40,000 births or 1 in every 100 babies born each year in the United States. Unfortunately, twice as many children will die each year from a CHD than all forms of childhood cancers combined.

### **About Amazing Little Hearts:**

Amazing Little Hearts was founded by a group of parents who are living the life of Congenital Heart Defects (CHD) in one form or another. We are affiliated with Medical City Children's Hospital in Dallas, Texas, but we welcome ALL families from near and far! Amazing Little Hearts provides support, care, information and resources to families affected by CHD. We also are working to raise awareness about CHDs through various organizations.

To learn more about CHD, ALH and any of our current programs please visit our website at [www.amazinglittlehearts.com](http://www.amazinglittlehearts.com)
