| 8:30 AM-8:45 AM | Student Award Presentation |
| 8:45 AM-1:00 PM | Special Session: Portland Harbor Superfund Investigation. |

GENERAL INFORMATION

City of Portland

Big city excitement and small town charm make Portland, known as "the City of Roses", one of the favorite destinations on the West coast. Portland, situated approximately 70 miles from the Pacific Ocean where the Columbia River meets the Willamette River, has a magnificent setting, combining sparkling waterways with lush greenery rarely found in urban settings. Portland's historic old town, many galleries and museums, Saturday Market, Waterfront Park, and theatre companies can keep visitors busy for weeks! Short blocks make Portland a walker's paradise. Also, Portland is just a short distance from the spectacular Columbia Gorge and Multnomah Falls, windsurfing at Hood River, touring at valley wineries, skiing at Mt. Hood, fish watching at Bonneville Dam, and all of the excitement of the Oregon coast.

Portland's award winning mass transit system is one of the most extensive and advanced in the U.S. The transit system includes buses and the MAX, an urban light rail line, a new trolley, as well as a downtown transit mall and Fareless Square, the downtown free-ride zone. The PNW-SETAC Conference and many of the hotels and restaurants are within the downtown free-ride zone so traveling around Portland should be easy and cheap. PSU and local hotels are within easy access of both the light rail and trolley lines so you'll have access to all Portland has to offer. There is also a new MAX (light rail) line that connects the airport with downtown Portland and runs every 15 minutes. Maps of Portland's public transit system are available on the net and will also be available at the meeting.

If you are interested in seeing some of the many attractions that Portland has to offer, please visit the Portland Chamber of Commerce visitor's website at www.portlandchamber.com/visiting or the Portland website with street maps, restaurants, lodging etc at portland-oregon.com.

Portland State University

Please see attached maps. Information about Portland State University is available at their website at www.pdx.edu and the Portland State Smith Center website with building, campus and parking maps at www.pp.pdx.edu/FAC/Arch/bldgdesc/smithcenter.html

On Campus Daily Parking

Due to the limited number of parking spaces on the University campus, daily permits are sold on an availability basis only to students, faculty, staff and guests from the kiosk booth at the University Center Building located on SW Harrison at 5th Avenue. **Kiosks accept cash only.**

Daily Permit Rates:

\$9.50 - Full Day (Public Rate)	
\$7.00 - Full Day (With PSU ID)	
\$4.00 - After 1:30 pm	Available at Parking Structure 3
\$2.00 - After 5:00 pm	Available at Parking Structures 1 & 3

Metered Parking

In addition to the City of Portland meters, located on the city streets surrounding the campus, the University has short-term meter parking on campus. Locations are at College and Broadway and street level of 'Ondine' housing, 6th and College. There are additional meters on the street levels of Parking Structures One and Two. Campus meters are for short term parking of 4 hours or less, disabled meters 8 hours or less.

HOTEL/MOTEL ACCOMMODATIONS

PLEASE NOTE! You are responsible for making your own reservations at the hotel/motel that you plan on staying at during the meeting! Maps of exact locations can be obtained at www.mapquest.com, <http://maps.yahoo.com>, and <http://mapsonus.switchboard.com>.

Near Portland State University

\$79-99	Days Inn City Center - 1414 S.W. Sixth Ave. (503) 221-1611 or 1-800-899-0248

\$109-124 Residence Inn By Marriott - 1710 N.E. Multomah St., 1-800-331-3131

PROFESSIONAL DEVELOPMENT

Groundwater/Surface Water Interactions Short Course

Thursday 8:00 AM to 12:00 PM at Portland State University's Smith Memorial Center, Multicultural Center Room 228

The course will be taught by Dr. Bruce Duncan, US Environmental Protection Agency, Seattle, WA with local regulators and consultants with regional case studies. The course is designed for environmental professionals that have ground-water contamination near surface water bodies. The short course will present the issues associated with site characterization and monitoring and discuss the implications for cleanup decision-making. The course will emphasize the hydrological, physicochemical and ecological conditions that make the chemical characterization and risk analysis of such situations challenging. It will also include site-specific case studies. Participants will be instructed in how to incorporate GW/SW interactions into traditional ecological risk assessment paradigm, field data collection methods and designs, data interpretation methods, and decision-making processes.

TECHNICAL PROGRAM

Thursday Evening Opening Reception

5:30 PM to 8:00 PM in the Blue Heron Room, BridgePort Brewing Company, 1313 NW Marshall, (503) 241-7179

The BridgePort is Oregon's oldest craft brewery. Located in the historic Pearl District, the brewery's century-old brick and timber building is a Portland classic. The brewery is known for its award-winning hand-crafted ales and is easily accessible from the PSU campus via Portland's new tram system. PNW-SETAC has reserved the Blue Heron Conference Room on the brewery's newly renovated second floor for an informal get-together featuring drinks and light snacks. One drink and food are included in your registration. Afterward, you might consider exploring the art galleries and trendy restaurants that are a feature of the nearby Pearl District or take the tram to explore shops and restaurants along NW 23rd.

Directions: To get there from the Smith Center at PSU, walk north on SW 10th Ave (it becomes NW 10th after crossing Burnside) to Marshall, turn left (west) on Marshall for 3 blocks to the brewery ~ about 1 mile. Although walking is a good thing, the preferred alternative is to get on the northbound Portland Streetcar at its PSU stop and get off at a stop less than a 1 block from the brewery.

Friday Night Hosted Reception

5:30 PM to 8:00 PM Broadway and Symphony Rooms, Heathman Hotel, 1001 SW Broadway at Salmon, (503) 790-7752

With its understated luxury and superb service, The Heathman, which abuts the Portland Center for the Performing Arts, is one of the finest hotels in the heart of the city. This hotel features a teak-panel lobby hung with Warhol prints, rosewood elevators, and marble fireplaces. PNW-SETAC has reserved the Broadway and Symphony Rooms on the second floor of the Tea Court Atrium, where the original eucalyptus paneling creates a warm, old-world atmosphere, for a hosted reception featuring drinks and light hot and cold food items. One drink and food are included in your registration. The highly walkable downtown area offers a range of post-reception eating and entertainment options.

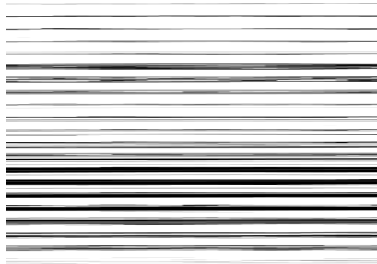

Directions: From the Smith Memorial Center on the Portland State University campus, go west on SW Montgomery St. towards SW 10th Ave., turn RIGHT onto SW 10th Ave., turn RIGHT onto SW Market St/US-26 E, turn LEFT onto SW Park Ave., and then turn RIGHT onto SW Salmon St. Total distance is about a half mile.

SPECIAL SATURDAY SYMPOSIUM

Portland Harbor Superfund Investigation

8:45 AM to 1:00 PM at Portland State University's Smith Memorial Center, Multicultural Center Room 228

Issues surrounding the investigations taking place at the Willamette River's Portland Harbor Superfund Site will be highlighted and discussed on Saturday morning. Many of the environmental problem-solving challenges that are the themes of this meeting are relevant to this investigation. Representatives from regulatory agencies, the Lower Willamette River PRP Group, Trustees and Tribal representatives, and advocacy groups are being invited to participate. We anticipate an exciting and lively session!
