## ADVENTURE Through the Academy

Choose the class(es) that best fit your student. While on campus, students must be registered in a class, but they may have up to one hour total without a scheduled class—before, between, or after. One hour max.

There's no right or wrong way—just your way! Pick one class, two classes, or build a full day. Adventure Days offer all core subjects plus elective options, giving your student everything in one place!
