PreK Students at TEACH must be born before 9/1/2022. All PreK students must have a guardian on campus at all times.

Guardians must pick up the student at each class and walk them to the next class. Guardians must be on time to pick up the student at the door so that the teacher can transition to their next class. Even if student is with the same teacher for their next class, they must be picked up to give the teacher a transition time. If students are not able to maintain their behavior in the classroom they will be asked to leave.

There is no Journey Prek Level -
 The "core" option for PreK4
 is a two hour block on Mondays
