

Good afternoon! Your student is registered in the 2024-2025 Junk Box Wars class at TEACH! In this class, students will ENJOY learning how to tackle projects alone; in groups; with minimal and unusual supplies ... all real-life skills! This class will make your student THINK outside the "JUNK BOX"! Sometimes students will succeed; sometimes they won't ... either way, they will be celebrated!

The class fee includes all necessary supplies to accomplish each challenge, but I do accept donations! Gift cards to Target; Amazon; Publix ... all are helpful! In addition, the link to my Amazon Wish List is below; I appreciate any donations!

For this class, we need 'space' and 'freedom' to create; therefore, the classroom is a 'parent-free' zone.

I look forward to seeing you/your student at the TEACH Open House (Wednesday, July 31 from 10 a.m. - 1 p.m.). If you don't make it to the Open House, I look forward to seeing your student on Wednesday, August 7! Kelli (aka Ms. Kelli) Sandefur
