Hello Parents!
We are excited to begin this class in just a few weeks! Please read this email for important information about the class.

Materials:
Students will need a charged laptop for class in order to participate in the class activities. If your child doesn't already have a Roblox account, make sure to create one for them prior to the first day of class.

All students should have their Roblox login and password written down- even if it is autosaved on their computer! We want to make sure there are no issues with them accessing the platform.

We will be at the Open House on July 31st- if your student is new to Trinity or has never met us, this is a great chance for them to do so before the first day of class! If not we will see them Monday August 5th.

Thanks!
Aaron & Thia
