

Welcome to Cursive Adventures! I'm thrilled to welcome your children to a fun and hands-on introduction to cursive handwriting. Throughout the co-op year, we will dive into uppercase and lowercase cursive letters, as well as connecting them fluidly. Like any skill, practice is essential for improvement. Given the nature of cursive, I will assign homework to ensure that they receive additional practice throughout the week. Consistent practice is key to mastering cursive writing.

Occasionally, I will reward outstanding work with a special food treat. Please let me know if your child has any allergies.

The class fee covers all necessary supplies. However, your child will need a labeled folder dedicated specifically to this class to organize their work. Please provide a three-pronged folder with your child's name clearly marked on it for easy identification.

This class operates as a "parent-free zone" to maintain focus and minimize distractions during learning activities. You are welcome to peek in through the door window at any time.

I regret that I will not be available for the open house, but I eagerly anticipate meeting everyone in August!

Blessings,

Mrs. Liana
