

Hello Parents!

We are excited to begin this class in just a few weeks! Please read this email for important information about the class.

Materials:

Please purchase a composition journal for your students. They will be working on their journalism skills and need a place to write things down! If they have a laptop, please have them bring these to class charged! If they don't have a laptop- I would highly recommend getting one for them! As they get older and continue homeschooling and into college there will be a lot of uses for it, not just this class! It's Amazon Prime day- get one while it's on sale! :)

We will be using some online softwares to put together the yearbook. These are free and I will help them set these up on the first day of class!

They will make an account on our online classroom system, called Mellow Yellow Education. I will have a flyer for them the first day of class on how to set up their account. This platform allows them to access the and complete their homework.

I will be at the Open House on July 31st- if your student is new to Trinity or has never met me, this is a great chance for them to do so before the first day of class! If not I will see them Monday August 7th.

Thanks!

-Thia
