Support the Next Generation of Entrepreneurs & Empower Local Growth

Hosted by **Food Truck Affiliates**, the ***Triangle Mobile Food Open House*** connects mobile food owners, industry professionals, and local business leaders for an afternoon of networking, learning, and community collaboration.

Your sponsorship doesn't just support the mobile food community — it shows that you believe in the meaningful work we're doing with the next generation of entrepreneurs who have a vision for their own American Dream.

By helping entrepreneurs achieve sustainable success, you help strengthen our economy as these growing brands continue contributing tax dollars that support national initiatives far beyond our local reach.
