SCHOOL CATALOGUE

Central Mass Technical School offers a 5 Tier Plumbing program. All classes are fully on-line, with tiers 3 and 5 offering a hybrid option for students to attend class in person.

Classes running in the Spring, February through May, and Fall classes running August through November. Dates and times are subject to change.

There will be a 10-student minimum in each tier, and classes will be held 2 nights a week, from 6 pm to 10:30pm for 13 weeks. Classes will be offered online only, with the exception of Tiers 3 and 5, that have a hybrid option, and students may attend class in-person. Classes are also subject to schools' discretion with instructor availability.

If classes are canceled due to lack of students, any and all monies will be refunded to the student. Students will have the option to sign up during the next program session, if that course is available and running.
