

Tuesday Night Walleye League 2021

Presented by T.J.'s Tavern

When: Tuesdays between 6am – 12pm or 3pm - 9pm (will change with available light) starting July 19th. The ninth Tuesday will be September 14th, and there will be a Saturday tournament September 17th that will count as the tenth week.

Where: Lake Roosevelt out of KF marina

How: Anglers (teams) can weigh 4 fish no size restrictions. If there is more than one angler in the boat that team can still only weigh 4 fish (no size restriction), and all anglers in the boat will be given the same weight for that week. There will be a morning flight ending at 12pm and an afternoon flight ending at 9pm (time adjusted later for darkness)

Fees: League fees are \$50 per angler. Kids under 18 are free. League fees are due by week 3 (Aug 3rd). More than one angler can fish from a boat but that boat's total catch will count for all anglers in the boat for that week. Any fish caught by an angler that is not a paid member of the Tuesday Night League cannot be used towards that boat's weight for the week.

Season: The league runs 10 weeks, and anglers will keep their best 4 weeks total string toward the season payoff. There will be weekly payouts for big fish and big string.

Weekly Payoff: pays 50% of total league worth

Big string **each week** pays 3% of total league worth. (10 weeks)

Big fish **each week** pays 2% of total league worth. (10 weeks)

Season Payoff: pays 50% total League worth based on each anglers best **4 weeks total weight**.

1st place total weight 22% of total league worth.

2nd place total weight 16% of total league worth.

3rd place total weight 12% of total league worth.

Tuesday night walleye league runs 10 weeks (*anglers are not required to fish all 10 weeks*). League Fishing is open from 6am – 12 pm or 3 pm to 9 pm, anglers are only allowed to fish one session per day. Anglers can launch anywhere but must weigh their fish at the Kettle Falls Marina before 9 pm. Contestants can weigh 4 fish. Fish will be weighed by the weigh master starting at 12:00 pm or 9:00 pm (time adjusted for daylight) using the Walleye clubs scale. Weigh master decisions are final.

Sponsors: T.J.'s Tavern and Tripp Distributing are current sponsors, but other sponsors are welcome. Added money goes in the general payout fund and makes percentages higher.

The Intent of this League is to Increase participation, encourage membership, have fun, fish with friends and family, learn from each other, enjoy the River and compete. The rules are simple.... Use integrity and always respect your fellow anglers. League Director: Don Ghramm (509) 680-1650
