Washington State Governor's Cup

Walleye Tournament

PO BOX 806  
KETTLE FALLS WA 99141

Greetings,

Spring has been sluggish to warm up this year, everything including the fish seem to be about 2 weeks behind schedule. The 3<sup>rd</sup> CRWAA Angler of the Year tournament took place in Moses Lake and it was a tough tournament. Only a few anglers came in with a full stringer and the biggest fish was only 5.12 lbs. Despite the challenges, our local anglers did us proud. Justin Lundquist came in 4<sup>th</sup>, Ron Charleton and Michael Potestio placed 7<sup>th</sup>, Byron Richart came in 12<sup>th</sup>, and Ben McKenna placed 18<sup>th</sup>. The 4<sup>th</sup> tournament is this weekend at Potholes and many of our members will be competing again. You can check out the full results of these tournaments at [www.crwaa.profishingtournaments.com](http://www.crwaa.profishingtournaments.com).

## Tournament News

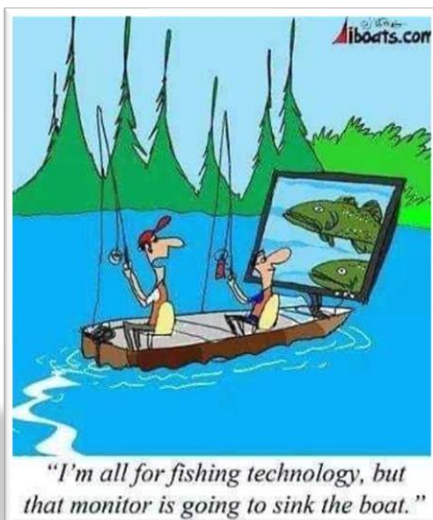

The Governor's Cup is only weeks away and we are still in need of volunteers to help out at the tournament, particularly to work the docks. Also we will need individuals at the park on Friday to help set stuff up. Let me know what you can do, just send me an email at [rgriggs80@gmail.com](mailto:rgriggs80@gmail.com) and I will put you on the list. Don't forget to sign your team up to fish the tournament, and partner up with a youth to receive \$50 off your entry fee, courtesy of Richart Company and B Adventures. You can now register and pay online at [www.lakerooseveltwalleyeclub.com](http://www.lakerooseveltwalleyeclub.com), thanks Chip for cranking out this last minute change.

## Country Chevrolet Community Yard Sale

We will be participating in the Country Chevy Yard Sale again this year, it is May 28<sup>th</sup>, 7am to 4pm. We will be selling the rest of Bill Johnson's fishing collection there, donated to us by his wife Michele in memory of Bill's many years of service and participation in the LRWC.

## Fish-out/BBQ

We had our first Fish-out/BBQ of the summer last Saturday and it was a great success. A big thank you to all those who helped make this a good time for all.
