# The Origin of Pizza

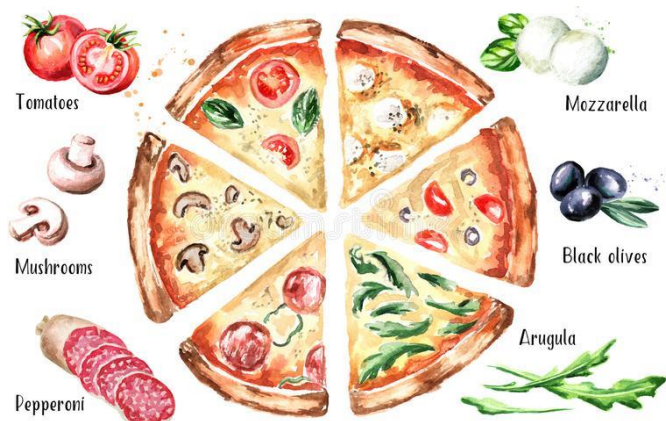

Pizza was first made in Naples 200 years ago.  
We make it by putting "Toppings"  
over a piece of bread covered with sauce.

The Sauce is made from tomatoes.  
The bread is called "pizza crust".  
"Toppings" can be cheese, sausages, pepperoni,  
vegetables, tomatoes, spices and herbs and basil.

Pizza Restaurants are called "Pizzerias",  
They serve in a round shaped dish.  
The first pizzeria started in Italy, 1738  
and it is still working till now.
