## Make and Create Team

### Fused Glass Workshop – Lantern Making

#### With tutor Emma Nuttall

Saturday 4<sup>th</sup> July 2026

Glassy Birds Workshop, Albert Mill, Newhey Road, Milnrow, OL16 3NR

1pm - 4pm

Cost £45 inclusive of all materials

An opportunity to take part in fused glass art and create your own, personally designed, tealight lantern glass panels for indoor or outdoor use. The lantern will have five glass panels which can all be individually designed to your choice using additional glass pieces of different sizes and colours.

As the glass will need to be fired once it has been completed, your artwork will need to be left behind on the day but will be delivered to you after the firing is complete.

Refreshments will be available on the day.

The workshop will be available to book on the LFWI website from Tuesday 7<sup>th</sup> April 2026
