

LANCASHIRE FEDERATION OF WOMEN'S INSTITUTES

2025 CHARITY MAKE

Every year LFWI members kindly make charity items to donate to charities around the County of Lancashire

We all have an organisation in our locality that would benefit from our makes, so this year we are asking your WI to choose a local charity to make items and donate, such as chocolate orange covers, Easter egg covers, knitted or crocheted hearts in pairs, premature baby hats etc - the ideas are numerous.

Please make and collect these items together in your WI and send us a photograph of you donating to your favourite charity by 31st October 2025 (Please liaise with the charities and make something they will use). Send the photographs to chairman@lfwfi.org.uk
