

Make and Create Team

Create a beautiful Bramble Bear

Saturday 6th September

10am to 3pm

**LFWI Offices, Croston House,
Leyland, PR26 6TU**

Tutors: Sarah Wilkinson & Sue Heffernan

£20.00

Meet Bramble Bear, who is a beloved big bear. Bramble is beautifully soft, and it is hard to resist a cuddle with Bramble.

On this course, you will have the opportunity to make your own Bramble Bear. The tutors will help you create this gorgeous bear using boucle in a beautiful honey bear colour. A kit will be available on the day with everything to make Bramble, including the boucle, buttons for arms and legs, safety eyes, and black felt for the nose. A pattern with instructions will also be included. All will be presented in a box for safekeeping.

You will need to bring sewing thread (two bobbins), a sewing kit including pins, scissors (large and small), a sewing machine, hand sewing needles, and a thimble. The ability to use a sewing machine confidently will be required, as Sarah will aim to help you complete this bear to take home.

Sarah and Sue will give ideas on how to dress Bramble, and also have available additional kits in other colours.

The cost of the kit to make Bramble is £15, payable to the tutors on the day. The maximum number on the course is 12. Please book directly through the normal booking system. Once the course is full, bookings will be closed.

This will be available to book on the LFWI website from Tuesday, 27th May.
