We are now expected to take our own bag when shopping; this Japanese-style bag is perfect for shopping, your knitting or going to craft classes. It is made from a selection of fabrics which may have a Japanese look or of your choice. The front panel is made from strips of fabric pieces from your stash, quilted and made into pockets, it has boxed corners and side ties with a tulip end to decorate. The bag is lined throughout. Tea/coffee is available throughout the day but bring your own packed lunch.

Please note that this project is for intermediate sewers as it uses more advanced techniques.

Please complete the form and return to The Federation Secretary, LFWI, Croston House, Lancashire Business Park, Centurion Way, Leyland, PR26 6TU
