This exciting day will celebrate some aspects of Denmark. We will open with a welcome drink and Danish biscuits followed by a talk by a Viking expert who will tell us about Aethelflaed, a formidable lady who fought the Vikings. There will be a delicious individual graze box lunch (Scandi themed) with cakes and fruit. The day will also include Danish paper craft. We could not miss out a short story by Hans Christian Andersen. Please bring your paper scissors. You will leave with a Danish souvenir!

The Hall, 65 The Gravel, Mere Brow, **PR4 6JX** is just off the A59 past Tarleton,

There is a large car park. If the weather is fine, we will be able to sit at tables on the patio for lunch.
