PURPOSE

The purpose of the Swimming and Diving Handbook is to foster a better understanding of the High School swim/dive program, one of the fastest growing varsity activities in the Gwinnett County Public Schools. The great number of participants plus the use of non-Gwinnett County Public School facilities create situations which are unique to the sport of swimming/diving. Dealing with the logistics of this program during the time of year when the weather is a factor requires a great deal of understanding, dedication, sacrifice, and preparation on the part of many people--swimmers, officials, coaches, and parents.

The Handbook should be used by coaches, parent volunteers, and officials. Hopefully, you will find it to be an informative, useful tool designed to insure a successful program. If you have any other suggestions or items which could be included in future handbooks, please submit the information to Susan Moody, Coordinator of Gwinnett County Swim and Diving Booster Club. Coaches are strongly encouraged to reproduce copies of rule clarifications in this book and give them to team/parent officials. The amendments in this book will be considered official for Gwinnett County Public School competitions.

NOTEWORTHY ADDITIONS and CHANGES to THIS YEAR'S HANDBOOK

As the handbook is revised each year, items may be re-arranged and sections may be modified or added to make this as comprehensive and complete a reference as possible. This is a list of changes of particular interest.

CURRENT SEASON NOTIFICATIONS

This page contains notifications of importance specific to the current season, i.e. policy or software changes. Please be sure to read all the items on this page so that you are fully up to date. We do not want any meet to be compromised due to lack of knowledge of these policies.

DUAL MEET SOFTWARE PROGRAMS

When beginning a new season, it is imperative that coaches, and all staff or volunteers who utilize meet software ensure that the software has been updated to the current release. **The software used for all swim meets, registration, rosters and results has been changed this year. Hy-Tek is no longer to be used for regular season meets.** The Training Managers can advise you as to the most recent software version and guide you through the new processes and operation using Swimtopia and Meet Maestro. Hy-Tek software will still be used for the County Championship Meet.

HY-TEK FOR 2025 – 2026 SEASON

Team Manager	Version 8.0	Release Gb (9/12/24)
Meet Manager	Version 8.0	Release Ff (7/22/25)

Software also includes the Excel Diving program used at regular season meets. The Excel Dive program may or may not change depending on recent rule changes or DD assignments. It is important that any previous releases be deleted and completely removed from computers. Their use could result in errors. Use of the most recent release is imperative as it complies with the most recent rules.

HISTORY OF THE GWINNETT COUNTY PUBLIC SCHOOLS

VARSITY SWIMMING AND DIVING

Season

- 1978-79 Parkview High initiated the sport with over 40 participants. Meets were arranged with several local private schools and schools outside the county. Practices were held at the YWCA in Decatur. There were many drawbacks for the Panthers. Team members had to provide their own transportation, raise money for suits and warm-ups, and pay \$1 per practice at the YWCA. They were only able to practice three days a week for 45 minutes in a pool that did not have lane ropes. There were also no coaching supplements. Despite these drawbacks, the boys' team finished an undefeated dual meet season and placed 5th at State. The team was led by Bill Steel who won the State Championship and established the State record in the 500 Freestyle.
- 1979-80 Parkview Boys place 3rd at State
- 1980-81 South Gwinnett, Central Gwinnett, and Norcross start their own programs. With the Gwinnett County summer swim league growing to around 1,500 swimmers, all that was needed was a year-round swimming facility. Thanks to some quick action by the High School Booster Club and the County Commissioners, Gwinnett County was about to get its first heated pool. The new pool being constructed at Mountain Park had a heater added to its design. Later that year an air structure covering was purchased for the Mountain Park Aquatic Center through a joint effort of the Northlake Aquatic Club, Gwinnett Recreation Authority and the Board of County Commissioners. This unique facility featured a removable air support building which provided a warm environment in the winter months and could be taken down for outdoor summer swimming. The pool became the State of Georgia's only indoor/outdoor 50-meter facility.
- 1981-82 Gwinnett High school swimming seemed to be on the right track when the Recreation Authority of Gwinnett allowed the local high schools to use the Mountain Park facility rent free because of the department's use of several high school gyms. However, there were nine high schools with swimming programs and only one coach. Parents formed booster organizations that paid fees much like the local community schools. Despite overcrowded conditions with more than 250 swimmers, a medley team from Parkview won Gwinnett's first State team event.
- 1983-84 Scott Hogg of Parkview establishes the State record in the 50 Freestyle and the 100 Butterfly
- 1985-86 Mark Smith of Central Gwinnett establishes the State record in the 100 Breaststroke.
- 1988-89 Jonathan Jennings of Brookwood establishes the State record in the 200 Individual Medley. Brookwood Boys place 2nd at State. For the past 30 years, the private schools in the state and the high school teams from Dekalb County had dominated the sport of swimming. Mary Ellen Blanchard of Norcross received All American Status. The decade of the 90's began to change all that!

- 1989-90 With the fantastic growth of the county and the summer league programs growing to over 4,000 participants, the high schools in Gwinnett began to lead the way at the State meet. Shiloh Boys place 2nd at State. Clay Tippins establishes the State record in the 100 Butterfly.
- 1990-91 Shiloh Boys become the first Gwinnett County team to win a State Championship. Clay Tippins of Shiloh establishes the State records in the 100 Butterfly and the 200 Freestyle. The 100 Butterfly is still a current State record.
- 1992-93 Shiloh Boys place 2nd at State.
- 1993-94 Shiloh Boys win State Championship. Shawn McNew of Shiloh establishes the State record in the 200 Individual Medley. The 200 Medley relay of McNew, Heitner, Keen and Simonton establish the State record. The 200 Free relay of Newman, Lewter, Simon and McNew establish the State record. The 200 Free relay is still the current State record. Other State successes - Parkview Boys - 3rd, Brookwood Boys - 6th, and Brookwood Girls - 5th.
- 1994-95 Parkview Boys win State Championship. Other State successes - Brookwood Girls - 3rd, Brookwood Boys - 6th, Shiloh Boys - 9th. For the State of Georgia, Rick Creed (Parkview) was named Boy's Coach of the Year and Greg Puckett (Brookwood) was named Girl's Coach of the Year. Collins Hill High School was an addition to our county.
- 1995-96 State successes - Parkview Boys - 3rd, Brookwood Boys - 4th, Parkview Girls - 5th.
- 1996-97 Parkview is first Girls team in County to win State Championship. Other State successes - Brookwood Girls - 3rd, Parkview Boys - 2nd, Brookwood Boys - 3rd, Duluth Boys - 9th. Whitney Leatherwood of Brookwood is selected as the Female Swimmer of the Year for the State.
- 1997-98 County teams dominate State tournament. Parkview becomes first team in County to win both the Boys' and the Girl's State Championship in the same year. Other State successes - Duluth Boys - 2nd, Brookwood Boys - 5th, Collins Hill Boys - 10th, Brookwood Girls - 3rd, Collins Hill Girls - 7th. Parkview Boys 400 Free relay of Reed, Baker, Shanteau, and Gayle establish the State record. For the State of Georgia, Rick Creed (Parkview) was named Girl's Coach of the year and Brook Whitmire (Duluth) was named Boy's Coach of the year. Katie Permenter of Parkview was selected as the Female Swimmer of the Year for the State.
- 1998-99 County teams again successful at State tournament with 7 teams placing in top 10. They were Duluth Boys - 2nd, Brookwood Boys - 3rd, Parkview Boys - 4th, Brookwood Girls - 2nd, Parkview Girls - 5th, Norcross Girls - 8th, and Collins Hill Girls - 9th.
- 1999-2000 Due to tremendous growth and interest, Parkview and Brookwood start Junior Varsity (JV) teams. State tournament is split for the first time. There is an AAAA meet and a combined AAA/AA/A meet. Gwinnett teams dominate the AAAA meet with Parkview Boys winning the State Championship. Other State successes were Brookwood Boys-2nd, Shiloh Boys - 5th, Duluth Boys - 6th, Brookwood Girls - 2nd, Parkview Girls - 4th, and Norcross Girls - 5th. In the AAA/AA/A meet the Dacula Boys place 9th. For the State of Georgia, Rick Creed (Parkview) was named AAAA Boy's Coach of the year and Greg Puckett (Brookwood) was named AAAA Girl's Coach of the year. Christie Hupman of Brookwood was selected as the AAAA Female Athlete of the Year for Georgia.

Parkview established numerous state records:

- Boys 400 Free Relay of Jeff Craig, Eric Shanteau, Landon Odom, and Mike Kauffman
- 200 I.M. - Ashley Daly and Eric Shanteau
- 500 Freestyle - Mike Kauffman

2000-01 The new century begins with two new additions to the swim/dive community - Grayson High School has its first team and the 10-lane Collins Hill pool opens. The success of the 90's carries over into the new century. The Parkview Boys and the Brookwood Girls win the first ever AAAAA State Championships. Other State successes were Brookwood Boys 3rd, Shiloh Boys - 5th, Norcross Boys - 8th, Parkview Girls - 4th, Duluth Girls - 8th, and Shiloh Girls - 9th.

Many new State records are set:

- Eric Shanteau of Parkview beats his previous record in the 200 I.M
- The Parkview 400 Free Relay of Eric Shanteau, Jeremy Oversier, John Millen, and Mike Kauffman crush their previous record
- Amanda Weir of Brookwood sets a state record in the 100 Free and ties a 20-year-old record in the 200 Freestyle
- For the State of Georgia, Eric Shanteau, Mike Kauffman, and Amanda Weir were selected as the AAAAA Male and Female Athletes of the Year
- Rick Creed (Parkview) and Greg Puckett (Brookwood) were selected as the AAAAA Boy's and Girl's Coaches of the year for the State.

2001-02 The success of the new century continues. The Parkview Boys and Brookwood Girls successfully defend their AAAAA State Championships. Other State successes were Brookwood Boys – 3rd, Shiloh Boys – 9th, Norcross Boys – 10th, and the Parkview Girls – 3rd. The State records continue to fall.

The Parkview Boys set numerous records.

- Eric Shanteau crushes his previous 200 I.M. record
- His teammate Mike Kauffman breaks his previous 500 Free record
- The 200 Medley Relay of David McManic, Eric Shanteau, Michael Kauffman, and John Millen set a new record.
- The 400 Free Relay of Eric Shanteau, John Millen, Michael Miller, and Mike Kauffman break their previous record

The girls also break their share of State records:

- Ashley Daly of Parkview sets record in 200 I.M.
- Amanda Weir of Brookwood breaks her previous record in the 100 Free.
- The Brookwood 400 Free Relay of Andrea Hupman, Meredith Alfrey, Christie Hupman, and Amanda Weir crush the previous record.
- Eric Shanteau, Mike Kauffman, and Christie Hupman were selected as the AAAAA Male and Female Athletes of the Year for the State of Georgia
- Rick Creed (Parkview) and Greg Puckett (Brookwood) were selected as the AAAAA Boys' and Girls' Coaches of the year for the State

2002-03 With more depth our county successes continue. The Parkview Boys and Brookwood Girls successfully defend their AAAAA State Championships. For the girls, Parkview placed 2nd and Duluth placed 9th. For the boys, 8 of the top 15 teams were from Gwinnett with the following placing in the top 10 – Collins Hill – 6th, Brookwood – 8th, and Shiloh – 9th. Two more.

More new State records were set:

- John Millen in the 500 Free and Amanda Weir in the 50 Free.
- Amanda Weir was chosen as the AAAAA Female Athlete of the Year for the State of Georgia
- Rick Creed (Parkview) and Greg Puckett (Brookwood) were selected as the AAAAA Boy's and Girls' Coaches of the Year for the State.

2003-04 Continued Gwinnett success – with some differences. For the first time, this season we are joined by Peachtree Ridge High School, the new Mountain Park pool opens, and coaches have laptops. The Brookwood Girls successfully defend their AAAAA State Championship and become the first girls' team in Georgia to win 4 State Championships in a row. The Collins Hill boys win their first State Championship. The Eagles were joined by four other boys' teams in the top 10 (Parkview 4th, Brookwood 7th, Shiloh 9th and Duluth 10th). The Collins Hill boys also put an end to the 13-year streak of the Parkview boys as County Champions. Jennifer Weaver (Collins Hill) and Greg Puckett (Brookwood) were selected as the State AAAAA Boys' and Girls' Coaches of the Year.

- Amanda Weir set a new state record in the 100 Freestyle
- Amanda also became the first female in Georgia history to be a perfect 8 for 8 as State champion in her individual events.
- During the regular season, the Broncos also set 3 National meter records – 200 Medley Relay (Andrea Hupman, Kimberly Morris, Amanda Weir, and Callie Merriman), 100 and 200 Free – Amanda Weir

2004-05 The Gwinnett County High School Swimming and Diving Teams continue their tradition of Excellence. The Brookwood Girls successfully defended their County Championship. The Collins Hill boys repeated as the AAAAA State Champions as well as winning their second straight County Championship. Mill Creek High School opened this year and added another Swimming and Diving program to the county. The county now has 15 schools with Girls and Boys Swimming and Diving programs. Our Coach of the Year for Men's swimming was Jim Reason of Duluth and our ladies Coach of the Year was Susan Ethridge of Grayson. Our Swimming Award winners this year were Greg Tunning from Collins Hill and Layla Lester from Dacula.

2005-06 The Parkview Boys Swimming and Diving Team reclaimed the 2006 5A State and County Championships. The Gwinnett County High School Boys Swimming and Diving Teams have won the 5A State Championships for the last six years. In looking at the top 10 teams from the State Championship, Gwinnett County had four Boys Teams (Parkview, Collins Hill, Brookwood, and Duluth) and three Girls Teams (North Gwinnett, Parkview, and Mill Creek) finish in the Top Ten. In doing this, the Gwinnett County High School Swimming and Diving Teams continued their pursuit of Excellence.

The Brookwood Girls narrowly defeated the Parkview Girls to successfully defend their 3rd straight County Championship. Our Coach of the year for the Men's Swimming and Diving was Jeremy Laird of Peachtree Ridge and our Women's Coach of the year was David Perron of North Gwinnett. Our Swimming Award winners this year were South Gwinnett (Boys) Cole Porter, (Female) Carmen Rodriguez.

For the first time, the Gwinnett County Swimming and Diving Booster Club also recognized a Swimmer and Diver of the Year. Nat Emmett of Collins Hill was the Male Swimmer of the Year and Abigail Alton of Dacula was the Female Swimmer of the Year, Jordan Horsley of Collins Hill was the Male Diver of the Year and Lexie Bryant of Duluth was the Female Diver of the Year.

- Lexie Bryant, a Duluth diver, wins 5A state diving championships. This is the first GCPS girl to win a state title.

2006-07 The Gwinnett County High School Boys Swimming and Diving Team took the Top 5 places at this year's State Championship Meet. The Parkview Boys Swimming and Diving Team successfully defended their 5A State Championship, while Brookwood, Collins Hill, Grayson, and Norcross finished out the Top 5. The Gwinnett County High School Boys Swimming and Diving Teams have won the 5A State Championships for the last seven years. The Parkview Boys Swimming and Diving Team also defended their Gwinnett County Championship.

The Gwinnett County High School Girls Swimming and Diving Teams had three teams finish in the Top 5 places at this year's State Championship Meet. The Parkview Girls Swimming and Diving Team performed beyond expectations and were the State-Runner up. North Gwinnett and Brookwood had a great meet to finish fourth and fifth respectively. The Brookwood Girls Swimming and Diving Team made it four straight County Championships by defeating their archrival Parkview.

- Scott Royal of Peachtree Ridge was the Male Swimmer of the Year.
- Abigail Alton of Dacula was the Female Swimmer of the Year.
- Jacob Tzegaebge of Shiloh was the Male Diver of the Year.
- Heidi Olnhausen of Norcross was the Female Diver of the Year.
- Kevin Rodgers of Mill Creek was the Coach of the year for the Men's Swimming and Diving.
- Michele Broeg of Central Gwinnett was the Coach of the Year for the Women's Swimming and Diving.

2007-08 The Brookwood boys had an extremely strong showing to win their first state championship. This is the 9th year in a row that a Gwinnett men's team has won the state championship. Following the Broncos, Gwinnett swept the top five places at state with Parkview (2nd), Mill Creek (3rd), Norcross (4th), and Collins Hill (5th). Peachtree Ridge and Duluth also finished in the top ten with a 7th and 10th place finish respectively. The Brookwood girls took second place in state and were followed by Mill Creek (5th) and Parkview (6th). Greg Puckett was named AAAAA Boys Coach of the Year. Tradition was upheld at the county meet where the Brookwood girls and Parkview boys defended their titles. This season also marks the first year that touchpads are in use during dual meets. Permanently mounted 10-line scoreboards are purchased and will be operational during the 2009-2010 season.

The Gwinnett County Booster Club began a new tradition by hosting a county awards banquet. This banquet, hosted by Collins Hill, was a great success and displayed the countless honors that our athletes have achieved. Amanda Weir (former Brookwood swimmer and Olympian) was the special guest and helped present awards.

- The swimmers of the year were Stephen Swan of Brookwood and Abigail Alton of Dacula.
- The divers of the year were Sara Halliburton of Duluth and Cameron Cowgill of Mill Creek.
- Rick Creed and Kevin Rodgers were named Gwinnett County Girls Coaches of the Year.
- Jack Gayle and Eric Brown were named Boys Coaches of the Year.
- George Ranney was named the Dive Coach of the Year.

2008-09 The Brookwood boys won a second state championship. This makes ten years in a row that a Gwinnett boys' team has won the state championship. Following the Broncos were Norcross (2nd), Parkview (3rd), Peachtree Ridge (4th), Collins Hill (6th), Mill Creek (7th), and North Gwinnett (9th). Andrew Ruffing of Parkview was named the 5A Boys Swimmer of the Year, and Greg Puckett of Brookwood was named 5A Boys Coach of the Year. At the girl's state meet, the Brookwood girls took second place followed by Parkview (5th), Mill Creek (6th), and North Gwinnett (8th).

The Brookwood Broncos swept both the boys and the girl's county championship.

The Gwinnett County Booster Club took another step to improve Gwinnett swimming with the introduction of scoreboards, and by hosting the county championship inside Gwinnett County (West Gwinnett Pool) for the first time in a long time.

Peachtree Ridge hosted the Booster Club's Award banquet. The keynote speaker was Eric Shanteau, (former Parkview swimmer and Olympian).

The following honors were bestowed:

- The swimmers of the year were Andrew Ruffing of Parkview and Caroline Kenney of North Gwinnett.
- The divers of the year were Glenn Branscomb of Parkview and Mary Kate Young of Collins Hill.
- Greg Puckett and Michelle Golden were named Gwinnett County Girls Coaches of the Year
- Jennifer Weaver and Corinne Brehm were named Boys Coaches of the Year.
- Bettie Hudson was named the Dive Coach of the Year.

2009-10 The Brookwood boys won a third state championship, someone say THREEPEAT! This makes 11 years in a row that a Gwinnett County boys' team has won the state championship. Following the Broncos were Peachtree Ridge (2nd), Parkview (6th) and Collins Hill (8th). Greg Puckett was named 5A Boys Coach of the Year. At the girl's state meet, Mill Creek took 3rd, which was the first time that the Hawks made it to the podium at the state meet. Following the Hawks were Brookwood (4th) and North Gwinnett (9th). Rick Creed was named 5A Girls Coach of the Year. At the Diving state championships Sean Piner from Parkview took 2nd and Tabitha Banks also from Parkview took 5th.

Claiming titles at the county championship meet were the Parkview Boys and for the first time, the Mill Creek Girls. Luke Upchurch of Peachtree Ridge and Caroline Kenney of North Gwinnett were named the swimmers of the year. Sean Piner of Parkview and Tabitha Banks of Parkview were named the divers of the year. Greg Puckett and Michelle Golden were named Gwinnett County Boys Swimming Coaches of the Year. Rick Creed and Kevin Rodgers were named Gwinnett County Girls Swimming Coaches of the Year. Megan White was named Gwinnett Diving Coach of the Year.

We welcomed two new schools this year; Archer and Mountain View.

The Gwinnett County Swimming and Diving celebration was held at Duluth High School. The keynote speaker for this event was Brock Newman (a former Shiloh swimmer).

The Booster Club continued to take steps to improve Gwinnett diving with the purchase of new diving software and judges' score consoles that display dive information and scores on the scoreboards.

2010-11 The Gwinnett County High School Boys' Swimming and Diving teams had four teams finish in the top ten at the State Championship Meet. The top 3 places were occupied by Gwinnett County. The Peachtree Ridge Boys Swimming and Diving Team broke through and won their first State Championship by 3 points. The Parkview Boys team finished in 2nd and the Brookwood Boys team finished 3rd. It was one of the closes meets in the history of GHSA State Championships. The two other teams in the top ten are 6th place Collins Hill, and 10th place Mill Creek. From the year 2000, Gwinnett County Boys' teams have won the 5A State Championships 11 times. In all, Gwinnett County Boys' teams have won 16 State Championships.

The Gwinnett County High School Girls' Swimming and Diving teams had four teams in the top ten at this year's State Championship Meet. The Brookwood Girls team finished in 2nd place, Mill Creek Girls finished 3rd, Peachtree Ridge Girls finished 6th, and Parkview Girls finished in 8th. Gwinnett County Girls teams have won a total of 6 State Championships. Three divers from Gwinnett finished in the top ten at State, Sean Piner and Tabitha Banks from Parkview, and Darcie O'Brien from Grayson.

Winners at this year's Gwinnett County Swimming and Diving Championship Meet were the Parkview Boys and the Brookwood Girls.

We welcomed Lanier High School this year. On the technical side, a video was created to assist in the training of volunteer dive judges at our dive clinics. Certified volunteer judges were used for the first time during regular season dual meets to provide a field of five judges.

Mill Creek hosted the Booster Club's Award banquet. The keynote speaker was Jacob Tzegaegbe, (former Shiloh diver).

The following honors were bestowed:

- The swimmers of the year were Luke Upchurch of Peachtree Ridge. Sommers Creed and Rachael Dudley both of Mill Creek shared the Girls Swimmer of the Year honor.

- The divers of the year were Sean Piner of Parkview and Darcie O'Brien of Grayson.
- Jeremy Laird and Kara Lane of Peachtree Ridge were named Gwinnett County Boys Coaches of the Year
- Greg Puckett and Meredith Alfrey of Brookwood were named Girls Coaches of the Year.
- Bettie Hudson was named the Dive Coach of the Year. She received special recognition for her years of service as a dive coach as she retires from coaching this year.

2011-12 The Gwinnett County High School Boys' Swimming and Diving teams had five teams finish in the top ten at the State Championship Meet. The Parkview Boys Swimming and Diving team reclaimed the top spot with their 9th State Championship. The other Boys teams in the top ten were: Brookwood (3rd place), North Gwinnett (7th place), Collins Hill (8th place), and Mill Creek (9th place). From the year 2000, Gwinnett County Boys' teams have won the 5A State Championship 12 times. In all, Gwinnett County Boys' teams have won 17 State Championships.

The Gwinnett County High School Girls' Swimming and Diving teams had four teams in the top ten at this year's State Championship Meet. The Brookwood Girls' team reclaimed the top spot with their 5th State Championship. The other Girls' teams that finished in the top ten were: Parkview (3rd place), Peachtree Ridge (6th place), Mill Creek (7th place), and North Gwinnett (9th place). Gwinnett County Girls' teams have won a total of 7 State Championships.

Winners at this year's Gwinnett County Swimming and Diving Championship Meet were the Parkview Boys and the Brookwood Girls.

Meadowcreek hosted the Booster Club's Award Banquet. The keynote speaker was Nancy Morrison, parent of Marin Morrison.

The following honors were bestowed:

- The swimmers of the year were Michael Trice of Brookwood and Rachael Dudley of Mill Creek.
- The divers of the year were Sean Piner of Parkview and Tabitha Banks, both of Parkview.
- Jack Gayle and Eric Brown of Parkview were named Gwinnett County Boys Coaches of the Year.

- Boys 100 Backstroke – Baylor Stanton – Brookwood
- Girls 100 Backstroke – Hailey Dopson – Brookwood

Winners at this year's Gwinnett County Swimming and Diving Championship Meet were the Brookwood Girls and Boys teams.

The County Awards Celebration was held at Seckinger High School.

These honors were bestowed:

- The Girls swimmers of the year were McKenzie Jenny of North Gwinnett and Nicole Amike of Brookwood.
- Boys swimmer of the year was Baylor Stanton of Brookwood.
- The Girls diver of the year was Leah McCarthy of Mill Creek
- The Boys diver of the year was Miles Gravitt of North Gwinnett
- The Girls coaching staff of the year went to the North Gwinnett coaching staff.
- The Boys coaching staff of the year went to the Meadowcreek coaching staff.
- Sydney Morgan was named the Diving Coach of the Year.

AMENDMENTS TO THE NATIONAL FEDERATION HIGH SCHOOL SWIMMING AND DIVING RULE BOOK FOR GWINNETT COUNTY PUBLIC SCHOOLS

I. High School Events - Dual Meets (Including all Tri and Quad regular season meets)

The times of meets, as shown on the master schedule, are times the teams begin use of the facility for the purpose of warm-ups. The official start time of the meet is 45 minutes after the time listed on primary schedule.

II. Dive Entry Limit for Dual, Tri, and Quad Meets

The Gwinnett County coaches have agreed on the following limitations regarding diving entries in regular season meets.

The Standard number of Diving Entries for any regular season meet (Dual, Tri, and Quad) will be a total of 12 for **ALL** schools involved in the meet, regardless of gender.

Dual Meet:	6 divers per team
Tri Meet:	4 divers per team
Quad Meet:	3 divers per team

This is a guideline, **NOT** a rule. Coaches may agree to alter the amount of diving entries prior to the start of the meet.

III. Materials and Equipment

The following is a list of materials required to properly run a dual meet. Teams should accumulate this equipment prior to their first meet. Items specified in the “Pool” section can be expected to be supplied by the County Booster Club or the pool facility and may be found at the facility. Coaches should not expect any other materials to be provided at the pool venues. All equipment provided by the teams should be in good working order. All equipment provided by the facility and the Booster Club should be treated with the utmost respect. The lists below are based on two team dual meets. For Tri and Quad meets, coaches should discuss with all teams who will cover specific duties and provide the equipment. See the Technical Notes manual for specific equipment locations on site.

HOME TEAM:

Clipboards (1 per lane)
Pencils (Spares in case there aren't enough at the pool)
Lane Timer Sheets
Diving Score Sheets
Printer paper (Home Team Coach)
16 Stop Watches
National Federation of State High School Association's Swimming and Diving Rule Book
Heat Sheets for Officials

VISITING TEAM:

National Federation of State High School Association's Swimming and Diving Rule Book
Pens (Spares in case there aren't enough at the pool)
16 Stop Watches

POOL:

(Most items are located in the GCSDBC Storage Cabinet.)
2 Laptops for meet and diving
Printer and Extra Ink
Starting System
Timing Console and Touchpads (Set up Cards in binder)
Lap Counters (1 per lane)
Diving Score Cards (5)
Backstroke Flags/ Lane Ropes/ Starting Blocks
Tables and Chairs
First Aid Kit
Last Lap Bell
Score Table Office Supplies (including calculator, stapler, pens, pencils, manuals)
AC power cables and plug strip
Dry deck mats to cover cables

MEET DIRECTOR'S GUIDELINES

The Meet Director's job is to ensure an efficiently run meet. The director oversees all aspects of the running of a meet except those which the dive judges, starter, and stroke judges handle. If the meet director carries out the job as outlined, the meet should start on time and be conducted smoothly. The home team provides the meet director at all dual, tri and quad meets. The meet director must attend the meet. However, meet tasks may be delegated to others. The meet director does not need to know or to learn High School rules to perform his duties.

Personnel:

Each team is required to provide the following volunteer resources:

Home

1. One (1) Timer per lane (each with a digital watch) at all Gwinnett pools plus 2 extras
2. Computer Operator
3. One (1) Scorer for diving (to assist in verifying scores)
4. Head backup timer (requires 2 digital watches)
5. Timing Console Operator

Visitors

1. One (1) Timer per lane (each with a digital watch) at all Gwinnett pools plus 2 extras
2. Runner to collect lane timer sheets
3. Diving Software Operator
4. Diving announcer
5. Two (2) Score table verifiers (one for the computer operator, one for the console operator)

****Note: Four (4) High School Officials have been requested for each regular season meet. The officials are assigned by the GHSA, not by the Booster Club. When scoring diving using 5 judges, the fifth judge will be a GCSDBC dive coach.***

If only 3 state officials are present then the 3-Judge method of scoring must be used: 2 state officials and 1 GCPS dive coach.

Before the Meet

The meet director should arrive at the pool within 30 minutes before the time on the "master schedule". If the pool staff has not arrived by 15 minutes before a morning meet scheduled start time, you should phone the Parks and Recreation pool leader to let them know of the problem so they will take care of it. Make sure you contact the leader first and only call the supervisor if you are unable to reach the leader. Refer to the time guidelines for meet venue access in **Appendix B**.

Once you are in the building you should prepare the pool for warm-up. Swimmers and divers will begin warm-ups at the assigned time. They warm-up at the same time, therefore, lane ropes should be set out in all lanes except in the diving area. One diving board will be used for warm-ups at Bogan Park. We will use two diving boards at the Collins Hill, Mountain Park, and West Gwinnett pools. You are responsible for moving lane ropes.

30 minutes are allotted to complete warm-ups. Coaches will allocate the warm-up lanes themselves. The official start time is 45 minutes after the time listed on master schedule. Meet Directors should ensure that the pool is cleared of athletes with enough time to insert and test the touchpads prior to the start of the meet. Full instructions for meet set up are included in the Technical Notes manual.

Review it for complete details of meet operations. A copy may be found in the binder in the Meet Support bin.

Preparing for the Competition

1. Collect all dive sheets and deliver to the Diving Official to put in dive order. When done, the Dive Computer operator needs the sheets to input data for the meet.
2. Teams may elect to use only three dive judges. There must be a consensus among all coaches participating in the meet and this decision must be made prior to the meet and entry of the divers' programs into the software. The final decision regarding the number of judges used for scoring diving must be made no later than 15 minutes prior to the start of the meet in order to permit the dive software operator to complete all data entry before diving competition begins.
3. Post a copy of the dive order of the competitors as provided by the scorer's table. The order sheet shall be taped to the wall or other object about 5 feet from the edge of the diving boards. Also post a copy over in the area where the students are sitting.
4. Set out 3 tables, 2 for swimming and 1 for diving. Provide a minimum of 5 chairs for the score table, 2 for the dive score table, and 5 for the dive judges.
5. Unplug the electric start system from the charger and set it up near the score table.
6. Set up electronic timing system: test the console and lane modules with plungers.
7. Bring the meet supply box to the scorer's table.
8. Get the paper from the home coach and place at score table.
9. 15 minutes before the meet, call all meet volunteers to the scoring table or classroom for a meeting with the officials.
10. Announce the end of warm-ups 10 minutes before the meet start time.
11. When the pool is clear, insert the touchpads and test. Touchpads require ***a minimum of 2 people*** to insert them into the lanes. Do not let one person handle the pads alone. This is to ensure that the pads are not dropped or smacked against the deck. Assemble at least two teams of helpers (draw from the timers if necessary) after the timer's meeting to complete this task quickly. Touchpads are sensitive items and cost a great deal to fix or replace.
12. If any stroke judges are missing, after the meet, contact Susan Moody to let her know they were no shows. Use volunteer officials who understand the strokes and turns.
13. At the start of the 100 Freestyle distribute lap counters at the turn end of each lane.
14. At the end of the 500 Freestyle remove the lap counters from the deck, drain and store.
15. Raise the diving boards prior to the first event after warm-ups. ***A minimum of 4 people*** should be charged with moving diving boards. When raised, the boards should never be forced to touch the glass of the facility. They should gently rest against side of the wall. Assemble a team to be in charge of moving the boards after the timer's meeting. Draw from the timers if necessary.
16. Check that the backstroke flags are correctly positioned.

Diving Competition – Events 9 and 10

1. After the 50 Freestyle, swimming will be halted to prepare for diving.
2. Remove the lane ropes and backstroke flags from the area around the diving.
3. Lower the diving boards. This requires ***a minimum of 4 people***. Boards should never be dropped, but carefully laid down.
4. Allow approximately 5 minutes for warm ups.
5. Place dive judges' chairs at the edge of the pool where the dive score table can easily view them (keep athletes and others away from the dive judging area of the pool).

6. Place dive score pads in each chair.
7. Move the starter to the diving area, if necessary (only at certain pools)
8. Call for the diving announcer.
9. After diving is complete, put the lane ropes back in place, raise the boards carefully, replace the backstroke flags, and remove the judges' chairs. Collect the judge's scoring pads and replace in the Meet Support bin.

After Meet is Complete

1. Put the starting system away. Plug it back into the charger.
2. Put away all tables and chairs that were used for the meet.
3. Assign a clean-up person or persons to patrol all areas of the facility, including locker rooms, to pick up.
4. Store and lock electronic timing system console, plungers. Drain the touchpads and restore to cart. Follow instructions for storage of equipment located in Equipment Manual binder. Ensure that ALL equipment is returned to correct bins (office supplies should be watched in particular).
5. Confirm that all storage locations are locked securely once equipment has been returned.
6. Make sure that the Head Official signs the meet results for each coach.
7. On Friday nights only, if a Saturday morning meet is scheduled at the same venue, certain equipment may be left set up to help the morning meet get started on time. The Technical Notes manual includes full details on the specific items.

The Meet Director is charged with ensuring that all equipment used at the meet, both that belonging to the pool facility and the Booster Club, is being handled correctly and safely.

NO EQUIPMENT IS EVER TO BE LEFT OUT AFTER A SATURDAY MORNING MEET!!!

PARENT MEET VOLUNTEER DESCRIPTIONS

Meet Director - An experienced volunteer representing the Home team serves as the Meet Director. This person oversees proper equipment set up and take down, and the overall smooth running of the meet, including proper timing and scoring functions. The Meet Referee (head official) may seek the assistance of the Meet Director during the meet to help resolve any problems or issues that may arise. The Meet Director also serves as the primary liaison with the lifeguard staff at the host facility (pool).

Timers - Two timers are assigned per lane. Both timers have a stopwatch. Timer (A) has a clipboard and stopwatch. Timer (B) has the plunger and a stopwatch. Both timers start their watches upon seeing the flash of the strobe light on the Starting System, and then stop them when the swimmer touches the wall to complete their event. Timer B presses the plunger button only once during each heat, when the swimmer touches the wall to complete their event. Timer A records the watch times on the timer sheet on the clipboard to the nearest 100th of a second (e.g. 2:57.71). Timer A should verify the swimmer's name. There is 1 Back-up timer who uses 2 stopwatches. As a timer, you should plan to work the entire meet - usually 2 hours of swimming time. There is one extended break during the Diving events. The Home and Away teams each provide 1 timer per lane plus 2 extras. The Home team provides the Back-up Timer. Teams may opt to provide a second shift of timers.

Runners - Two runners are needed for each meet. The runner's responsibility is to pick up the timer sheets after each swim event and bring those to the scoring table. Both are provided by the Away team.

Scoring Computer Operators - We use the SwimTopia software. We need several parents who are willing to score the meet using the team laptop during Home meets. THIS IS AN EASY, BUT VERY IMPORTANT JOB—you should be comfortable with data entry and the software. We can provide training if you need it. The Home team provides at least one computer operator per meet.

Timing Console Operators - This person runs the Daktronics timing console during a Home meet. The function of the console is to process the automated timing data that is sent from the touchpads and forward that data to the scoreboard and the scoring computer. THIS IS A VERY IMPORTANT JOB that requires the operator's full attention. The county booster club schedules 2 official training sessions on how to run the console. No advance registration is needed. Additional "at meet" training is also available upon request. The Home team provides at least one Console operator per meet.

Scoring Table Verifiers - The Away team provides 2 parents to function as the Scoring Verifier and Console Verifier. They assist the console and computer operators and double-check all results.

Dive Scoring and Announcer - One parent uses the team laptop to score the diving portion of a meet. This parent should be comfortable with the Excel diving program. A second parent serves as the announcer for diving and should be comfortable with speaking in public. These are both provided by the Away team.

Dive Scoring Verifier - The Home team provides 1 parent to function as the Dive Scoring Verifier.

Concessions at Home Meets – Concessions are optional at the discretion of the Home team. If the Home team does not choose to run concessions, a visiting team may do so with the Home team's permission. The team running concessions recruits all necessary volunteers to help set up, sell during meet, and take down at the end of the meet.

SWIM COACHING RESPONSIBILITIES

Be aware that the coach, as the sole school representative, is responsible for the entire activity of a practice or a meet. You must monitor the conduct of your student athletes and spectators before, during, and after the activity. You are also responsible for seeing that the meet runs smoothly and starts and ends on time. You can rely on parent support to help you accomplish many of your tasks, but you are in charge.

- Please clean up the facilities prior to departing.
- See **Appendix K** for all state meet procedure entries.
- Coaches are responsible for the safety of their swimmers and divers
- Educate athletes in the proper procedure of using touchpads for splits and finishes
- Ensure athletes treat all pool equipment with respect

DIVING FROM STARTING BLOCKS, FROM POOL EDGES, AND OFF DIVING BOARDS PRESENT CERTAIN DANGERS THAT COACHES SHOULD CLEARLY RELATE TO THEIR TEAMS. COACHES SHOULD PRESENT PROPER TECHNIQUES OF DIVING BEFORE ALLOWING THEIR TEAM MEMBERS TO PARTICIPATE IN PRACTICE OR COMPETITION.

Swimming Forms and Information

The following forms must be on file before your swimmers may enter the water for the first practice:

- Gwinnett County Athletic Physical form
- Insurance and Consent form
- Eligibility form for each athlete filed with the athletic director

Proof of Performance for Gwinnett County Swimming/Diving Championships:

Home team school will submit “Lock Out Changes” in Meet Maestro and Transfer Results button. The Visiting team will submit the diving Excel file to the Google dive location provided by the Data Manager. Coaches are expected to check the website at www.gwinnettswimdive.org to make sure their results are posted correctly. Contact the Data Manager in a timely manner if corrections are needed. In order for the swimmer/diver to compete in the Gwinnett County Championship Meet, the coach must have exported the files to the data manager that include a qualifying time/score. For swimming, the seed time at the County Championship meet will be the fastest verified time on the website. For the 3 invitational diving meets, (Clody, Hudson Memorial, and Ranney Invite), it is the responsibility of the diving meet manager to submit the diving meet backup file to the Data Manager **using the link sent out for that week to Google Drive** by the following Sunday at noon.

<u>DUE DATES FOR PROOF OF PERFORMANCE</u>

Publicity

If we are wanting our students and the swimming and diving programs to have the publicity and recognition they deserve, complete these few simple tasks.

- Both Coaches will provide results to the Data Manager no later than 1:00 pm the Sunday after the meet so the information can be posted on the website.

Sportsmanship Announcement

The following statement must be read at the beginning of each competition. This is required by GCPS. The Home team coach should ensure that this is read. Laminated copies are available in the meet support and timing console bins at each site. It may also be found on the inside front cover of this handbook.

“The GHSA and its member schools have made a commitment to promote good sportsmanship by student / athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today’s event.”

Practices

Scheduled practice locations, times, and number of lanes are created and posted at the start of each season. The Coordinator works hard to accommodate all teams and their needs according to the practice space available, size of teams, and the current rental costs. Please adhere to the published schedule. Refer to the section under GCSDBC Policies and Procedures if you require a change in your practice schedule or additional practices.

Illegal Practices Ruling

The following statement comes from the GHSA bylaws and concerns coaches who participate in coaching athletes outside of the high school swim and dive season.

2.69 (b). Illegal practices are defined as practices involving three or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). At any given point in time, only one (1) coach in a sport may work with up to two (2) athletes in skill-building drills.

(1) Any practice occurring after the beginning of the school year and **before the opening of the designated season** is an illegal practice.

(2) Any practice occurring **after the end of the season** for that team and the end of the school year for students in that school is an illegal practice.

(3) **During the summer** (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary.

NCAA COLLEGE BOUND ATHLETE RECOMMENDATION

The following information comes from the NCAA. Coaches are encouraged to share this with any athlete who has indicated that he/she is preparing to continue participating in swimming and diving at the college level.

Freshmen and Sophomores:

- Start planning now!
- Work hard to get the best grades possible.
- Take classes that match your preferred college's list of approved core HS courses.
- You can receive the lists of approved core HS courses at www.eligibilitycenter.org.

Juniors:

- At the beginning of your junior year, register at www.eligibilitycenter.org.
- Register to take the ACT, SAT or both and use the Eligibility Center code (9999) as a score recipient.
- Double check to make sure the courses you have taken match your school's list of approved core courses.
- Ask your guidance counselor to send an official transcript to the Eligibility Center after completing your junior year. If you have attended more than one high school, the Eligibility Center will need official transcripts from all high schools attended. (The Eligibility Center does NOT accept faxed transcripts or test scores.)
- Before registration for classes for your senior year, check with your guidance counselor to determine the amount of core courses that you need to complete your senior year.

Seniors:

- Take the SAT and/or ACT again, if necessary. The Eligibility Center will use the best scores from each section of the ACT or SAT to determine your best cumulative score.
- Continue to take college-prep courses.
- Check the courses you have taken to match your school's list of approved core courses.
- Review your amateurism responses and request final amateurism certification on or after April 1 (for fall enrollees) or October 1 (for spring enrollees).
- Continue to work hard to get the best grades possible.
- Graduate on time (in eight academic semesters). If you fall behind, use summer school sessions before graduation to catch up.
- After graduation, ask your guidance counselor to send your final transcript to the Eligibility Center with proof of graduation.

DIVE COACHING RESPONSIBILITIES

Code of Ethics

1. The function of a coach is to properly educate students through participation in interscholastic competition. The interscholastic program is designed to enhance academic achievement and should never interfere with opportunities for academic success. Each child should be treated as though they were the coach's own and their welfare shall be uppermost at all times.
2. The coach must be aware that he or she has a tremendous influence, either good or bad, in the education of the student athlete and, thus, shall never place the value of winning above the value of instilling the highest desirable ideals of character.
3. The coach must constantly uphold the honor and dignity of the profession. In all personal contact with the student athlete, officials, high school coaches, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.
4. The coach shall take an active role in the prevention of drug, alcohol, and tobacco abuse and under no circumstances should authorize their use.
5. The coach shall be thoroughly acquainted with the contest rules and is responsible for their interpretation to team members. The spirit and letter of rules should be regarded as mutual agreements. The coach shall not try to seek an advantage by circumvention of the spirit or letter of the rules.
6. The coach must adhere to all GCPS policies as well as GHSA policies.

Illegal Practices Ruling

The following statement comes from the GHSA bylaws and concerns coaches who participate in coaching athletes outside of the high school swim and dive season.

2.69 (b). Illegal practices are defined as practices involving three or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). At any given point in time, only one (1) coach in a sport may work with up to two (2) athletes in skill-building drills.

(1) Any practice occurring after the beginning of the school year and **before the opening of the designated season** is an illegal practice.

(2) Any practice occurring **after the end of the season** for that team and the end of the school year for students in that school is an illegal practice.

(3) **During the summer** (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary.

Specific Duties

1. Prior to participation of any athlete, the coach must have the following
 - copy of current physical
 - copy of current insurance information
 - emergency personal contact information

2. The coach must conduct a tryout process and assist/advise the high school coach on “cuts” from the team.
3. The coach must be present at and conduct practices for the duration of the season (including holidays).
4. The coach must provide qualified supervision. This includes before practice, in the locker room, during practice, after practice, and while students are waiting to be picked up by their parents.
5. The coach must provide a safe environment. The practice area should be safe for all participants.
6. The coach must provide proper teaching on aspects of diving including but not limited to the following. If you don’t know how to teach a particular skill, you should not teach it.
7. Educate the athlete:
 - on proper procedures and techniques of all dive levels and categories
 - on 6 and 11 dive guidelines
 - on how to properly fill out dive sheets
8. The coach must provide proper conditioning. All athletes should be in condition prior to starting a season. If an athlete is not in proper condition, they should not begin practice until they are in condition.
9. The coach must give sport specific warnings. All participants, including their parents, need to know what the particular risks are for the sport.
10. The coach must provide proper emergency care. It is the responsibility of the coach to know basic first aid procedures and treatment of minor injuries. All injured athletes need to be treated immediately. Athletes who are hospitalized should be accompanied by the coach or the athlete’s parent.
11. The coach should keep records of practice attendance by athletes. The high school coaches should be informed of the attendance of their athletes on a regular basis.
12. The coach should assist athletes in properly filling out dive sheets prior to meets.
13. It is the specific duty of the dive coach to **verify and sign all dive sheets for all meets.** The coach must have witnessed that each dive can be performed safely and legally.
14. To oversee the verification and timely submission of a state qualifying diver’s dive sheet according to the state rules.

Additional Duties of Dive Coaching Staff

1. Ensure that all meets held in Gwinnett County have at least one coach in attendance to instruct and supervise the athletes during the diving portion of the meet. It will be the responsibility of the dive coaching staff in conjunction with the Board to sign up for coverage on the ‘master schedule.’ The individual obligations determined at this time should be met during the season. In setting up this schedule, priority should be given to having the coaches who work with athletes on a daily basis covering those specific meets. When feasible, coverage for meets held outside the county should also be provided.
2. Individual coaches of athletes participating in State meet must attend the diving portion of the meet.
3. Be in charge of all aspects of running the dive portion of the following meets – Bettie Hudson Memorial Dive Challenge, Clody Meet, Coach George Ranney Invitational, and County Championship.
4. The coach is expected to adhere to all GCPS policies as well as GHSA policies.
5. A dive coach may be a judge in any GCPS meet.

Dive coaches are required to wear a non-team specific shirt at all meets.

GCPS PROCEDURES AND POLICIES

TRANSPORTATION

Scheduling Buses

Transportation arrangements should be made by the head coach and local school activities director with the approval of the principal.

INCLEMENT WEATHER TRANSPORTATION PROCEDURES

Practices

There will be no practices on days that school is canceled due to inclement weather.

Weekday Meets: Monday through Friday 8:00 am to 5:00pm

If a meet is canceled or changed, the head coach will notify the transportation contact person immediately and send an email to transportationFieldTripClerks@gcpsk12.org.

Weekend Meets

If school is canceled on a Friday, you need to contact your local athletic director concerning your weekend meets. You may want to get a home number to contact them. Call the dispatch contact person in transportation (above) for guidance. You may also want to call someone to verify that the pools will be open. Use the contact information provided in this handbook.

Transportation Contact:

For ALL GCPS Transportation issues (24/7) call **770-513-6686**, then, **prompt 3**. This is answered by the Operations Department. Anyone who answers the phone will be able to redirect your call to the appropriate person. Use this number for last minute cancellations.

ATHLETES

Insurance

Before any student athlete is permitted to participate in swimming or diving the parent representative or coach must submit either a signed “Waiver of Insurance” form or verification that medical insurance has been purchased through the school.

Physicals

A physical examination form is also required. If you have submitted a physical to your school dated after **March 1, 2025**, you do not have to submit another one at this time. Typically, the system tries to set up free physicals sometime during the month of April. This information is available through the local school athletic director.

Academic Eligibility

In order to participate, practice, and/or try out, a student must be academically eligible. To be eligible, a student must accumulate the following units towards graduation according to the following criteria.

- **First-year students (entering 9th grade):** First semester students are eligible academically. Second semester first-year students must have passed courses carrying at least 2.5 units the previous semester in order to participate.

- **Second-year students:** Second-year students must have accumulated five (5) units in the first year, AND passed courses carrying at least 2.5 units in the previous semester.
- **Third-year students:** Third-year students must have accumulated eleven (11) units in the first and second years, AND passed courses carrying at least 2.5 units in the previous semester.
- **Fourth-year students:** Fourth-year students must have accumulated seventeen (17) units in the first three years, AND passed courses carrying at least 2.5 units in the previous semester. Note: Students may accumulate the required units for participation during the school year and eligibility will be reinstated at the beginning of the next semester.

Student eligibility is determined on the first day of the subsequent semester. The first day of the fall semester shall be interpreted as the first date of practice for the first sport. Swimming and diving are doubly affected because our season occurs during both semesters.

Additional courses may not be taken during the semester to gain eligibility. Courses completed after the beginning of a new semester may not be used to gain eligibility for that semester. Example: night school classes, correspondence courses, etc.

AVOID PROBLEMS: KEEP THOSE GRADES UP!

GCSDBC POLICIES AND PROCEDURES

REGISTRATION and FEES

All athletes must be registered with the Gwinnett County Swim and Dive Booster Club. Share this information with your athletes and their parents so that everyone is informed. Only participating athletes must be registered; Team Managers and inactive athletes do not need to be registered.

Registration is completed by entering the information listed below on the SwimTopia website. It is the coach's responsibility to enter their team's athlete data for the upcoming season. All registration data must be entered into SwimTopia by 9:00 p.m. on **Monday, October 20, 2025**. A single check per team should be made payable to Gwinnett Swim & Dive Booster Club and must be received by the treasurer by **October 22, 2025**. Registration is \$140.00 for each athlete that is in your team's SwimTopia roster. **There are NO refunds granted from Gwinnett Swim and Dive Booster Club.**

**Will Heffner
1156 Bridgewater Walk
Snellville, GA 30078**

Required Information for Registration

The following registration information is required for every team. It is collected via the team's SwimTopia website online registration and will be listed on the athlete record (located on the People tab of the Manage page on the website). If ANY of this information is missing on ANY of your athletes after 9:00 p.m. on **October 20, 2025**, they will not be considered registered and will not be eligible to compete in the first meet until the record is corrected. The county is able to pull each team's roster. Coaches do not need to send them in.

Parent email	Athlete School Year
Parent Name	Athlete Gender
Athlete First and Last names	Athlete Student Number (Athlete ID field on SwimTopia)
Athlete Birthdate	

Late Registration

Any athlete who is added to your roster after **October 22, 2025** must pay the \$140.00 registration fee prior to participation in any meet.

1. Register the athlete on SwimTopia and complete a Late Registration Form for each athlete being registered late. This form may be found in **Appendix N** or online at <http://gwinnettswimdive.org> under the **Documents** link.
2. The completed form must be emailed to both vp.finance@GwinnettSwimDive.org, and data.manager@gwinnettswimdive.org.
3. Mail the registration fee to the address above. If the registration fee is not received within 5 days of email, new additions will be deactivated until payment is received.

Meet Entry Fee Reimbursement for Participants in Out of County or Invitational Meets

GCSDBC will no longer reimburse for any meet outside of Gwinnett County, including invitational meets.

Inviting Outside Teams

When a GCPS team chooses to invite a school outside of GCPS to participate in a dual/tri/quad meet scheduled by GCSDBC and held at a county pool venue, there will be a fee of \$400.00 collected per team to offset pool rental and officials' fees. Checks should be made payable to GCSDBC. The fee should be collected by the home coach at the meet and sent to Susan Moody via courier (Trickum Middle) or, by US Mail to 1623 Spruce Pine Ct., Lilburn, Ga. 30047.

REIMBURSEMENT PROCEDURE

If you purchase an item that qualifies for reimbursement by the Booster Club, the reimbursement procedure requires two executive board member signatures for approval. Use of a check request form has been mandated by the Board of Education for implementation by all booster clubs affiliated with GCPS. This procedure is required for any amount over \$50. The form may be found in **Appendix O** and a digital pdf fill-in version is available on our website on the **Documents** page.

Please follow this procedure whenever requesting reimbursement.

1. Reimbursements of less than \$50.00 do not require this form.
2. Keep and submit your original receipts.
3. Fill out the check request form. The requester is to complete the form through the "Description of Purchase" section. Attach all original receipts to the form and mail* to an authorized officer** for signature approval.
4. The first approving officer will review and sign the form and send to another officer.
5. The second approving officer will review and sign the form and send to the VP-Finance.
6. The VP-Finance will ensure that budgeted funds are available and then send a check to the requester.
7. The VP-Finance will retain all completed Check Request forms.
8. Reimbursements between \$50.00 and \$250.00: The form may be signed electronically and emailed to the VP-Finance for reimbursement.
9. Reimbursements over \$250.00: The form must be signed manually and submitted to the VP-Finance. No electronic signatures are permitted.

* *In order to expedite a check request, the completed, scanned form and scanned copies of all receipts may be transmitted via email in lieu of mailing for purchases less than \$250.*

** *Authorized officers are President, VP-Programs, VP-Information, Dive Representative*

ALTERNATE or ADDITIONAL PRACTICES

Alternate practice locations and/or additional, special practice dates during school breaks, must be submitted to the Coordinator for Executive Board approval at least ten (10) days in advance of said practice. If advance notice is not provided as specified, and if approval is not received, then the Gwinnett Swim and Dive Booster Club will not be responsible for payment of all fees associated with that unauthorized practice time.

1:12.00	100 Backstroke	1:18.00
1:17.00	100 Breaststroke	1:29.00

*Diving scores used to qualify for the county championship meet must be earned at a Gwinnett County Public High School meet.

**To compete at county: A diver must have scored the required 130 score in a 6-dive meet or 200 in an 11-dive meet to qualify. They must be able to complete a 6-dive format, matching dive order requirements needed for a dual or tri meet and is NOT required to do a dive in the reverse discipline or have a state DD.

NOTE: The dive coach for a qualifying diver must approve the sheet signifying that the dive coach has seen the diver perform each dive listed prior to the county meet.

ADAPTED 50 FREESTYLE EVENT AT COUNTY MEET PRELIMINARIES

Inaugurated at the 2020 County Championship meet, adapted heats of the 50 Freestyle were created and take place immediately prior to the 50 Freestyle events (7 and 8) at both the girls and boys county championship preliminaries.

To qualify for this event, the Honorary athlete must meet the following criteria:

- is a current and active member of their high school swim team
- meets team and county requirements:
- paid dues
- physical/insurance waiver

- on eligibility list
- has competed in at least two (2) meets during the current season and has swum the 50 Freestyle event at least one time prior to the championship meet

Events 98 and 99 have been added to the meet for the Honorary athletes that meet the criteria discussed by the coaches. Add these events to your championship meet master. These events will only be part of the preliminary sessions. The events should be created as follows:

- Event 98: Boys 50 Freestyle, Session 3
- Event 99: Girls 50 Freestyle, Session 2

The software will require confirmation that you are creating an event that already appears in the meet albeit with a different event number. Mark all swimmers entered into these two events as exhibition by checking the exhibition box when compiling the meet entries.

Honorary athletes are invited to the annual award celebration held in the spring at the end of the swim/dive season.

COUNTY ALL STARS RECOGNITION

At the end of year county celebration, athletes who attain a top 5 time at the County Championship meet in individual and/or relay events will be recognized as County All Stars. Athletes may qualify in multiple events.

CRITERIA FOR GWINNETT COUNTY SWIMMER and DIVER of the YEAR

SWIMMER of the YEAR

The top 5 swimmers of each gender will be identified by their placement at the Georgia State meet and, if needed, Gwinnett High School Championship meet. The top five will be recognized, but only state champions will be eligible for the voting unless there are multiple swimmers that win both individual awards, then they will be the only ones eligible for voting. This means that if one or more swimmers win only 1 state title, and there are other swimmers that win 2 state titles, then the swimmers that win two are the only ones eligible to be voted for. If there are no state champions, then state finishes and county finishes and then the biographies will be used to determine the winner. The coach of a nominated athlete will be asked to send the NISCA power point totals to the data manager for added information using the NISCA Power Points Tables. Power points are “a protocol where a point value is assigned to a swimmer rather than to their place in a meet.” The points will be calculated from individual events only at the Gwinnett County Public High School Swimming and Diving Championship Meet and the Georgia High School State Championship Meet.

It will be the responsibility of the head coach of each individual high school to write a 200 word or less recommendation/biography on their nominated athletes and send to the data manager, if they so desire, but it is not required unless your swimmer is eligible to be the Swimmer of the Year. The top 5 voted athletes' biographies, will be sent to coaches to help them with the voting. The top 5 athletes will be called to the stage at the Awards Celebration and the biography of the winner read. Gwinnett County head swimming coaches will be allowed one vote per team for the Girls Swimmer of the Year and one vote per team for the Boys Swimmer of the Year. The votes will be sent to the Gwinnett County Swimming and Diving Coordinator for a tally. If there is a tie, a revote/ runoff of

those athletes will be conducted by the coordinator. The coach will have the opportunity to withdraw their athlete's name if there are any circumstances that in the school's opinion would not warrant the recognition. Notification will need to be made to the coordinator as soon as possible. It is strongly suggested that the head coach inform the athletic director of this withdrawal.

DIVER of the YEAR

The Boys and Girls Diver of the Year nominees will be determined by their placement in the Gwinnett County Diving Championships and the GHSA State Championships. The top five finishers from both the girls and boys meets will have their scores combined. Of those, the top 5 divers with the highest number of points will be nominated for Boys and Girls Diver of the Year. The Gwinnett County Diving Championship and GHSA State Championship champions (GCPS students) are to be automatically nominated regardless of their overall score. There will always be five male nominees and five female nominees.

It will be the responsibility of the head coach of each individual high school to write a 200 word or less recommendation/biography on their nominated athletes and send to the data manager. The nominee's dive coach may wish to contact the swim coach with additional information on the diver. The top 5 voted athletes' biographies will be printed in the Awards Celebration program. Those 5 athletes will be called to the stage. Only the biography of the winner will be read at the celebration. The coach will have the opportunity to withdraw their athlete's name if there are any circumstances that in the school's opinion would not warrant the recognition. Notification will need to be made to the coordinator as soon as possible. It is strongly suggested that the head coach inform the athletic director of this withdrawal.

The coaches will then have the opportunity to vote: Each Gwinnett County Dive Coach will receive one vote for Boys Diver of the Year and one vote for Girls Diver of the Year. Gwinnett County Swimming Coaches will be allowed one vote per team for the Girls Diver of the Year and one vote per team for the Boys Diver of the Year. In the event of a tie, the diver with the highest cumulative score from both meets will be determined as the winner.

CRITERIA FOR GWINNETT COUNTY COACHES of the YEAR

Awards are given for the Boys Coach of the Year, Girls Coach of the Year and Dive Coach of the Year. The swimming honors are awarded to the entire coaching staff. The diving award goes to an individual coach.

Nominations for any of these awards should focus on sportsmanship, respect for the athletes, their parents, and the sport, and dedication to uphold honorable, professional, and respectful values at all times. All nominations should include specific reasons why the submitter feels the nominee should be recognized with this honor.

Each team nominates one male swimming staff and one female swimming staff. Schools may nominate themselves. A field of three staffs per gender are then voted upon by all county coaches with each team having one vote per gender. If there are more than three nominations, the current and previous County AD and Club Coordinator will narrow the field down to three. A single dive

coach is voted upon from a field of three selected from nominations submitted by any coach. All dive coaches receive a vote and each team receives one vote.

Retiring GCPS coaches who have dedicated 10 or more years of coaching with us will be honored at the annual award celebration in the spring at the end of the swim/dive season.

GWINNETT PARKS and RECREATION POOL
2025 – 2026 HIGH SCHOOL SWIM & DIVE PARAMETERS

Practice

1. Pool used only during designated times and the allotted space predetermined. Any additional use of additional pools and/or space must be approved by GCPR staff.
2. Aquatic staff will handle adding and pulling lane lines as necessary. Backstroke flags may or may not be put up during designated practice times depending on location and pool configuration. Lane lines have a solid color at each end to indicate the approaching wall to the swimmer.
3. No diving in the shallow areas of the pool. Persons doing so will be asked to EXIT THE WATER FOR THE REMAINDER OF THE DAY.
4. No swimmers may enter the pool until the coach is present on deck. No swimmers or divers should be left unsupervised at the pool.
5. BOE staff must be on deck the entire duration of practice. Swimmers will not be allowed in the pools otherwise.
6. Have swimmers promptly exit the water at the end of practice time and meets.
7. Do not allow swimmers to hang or sit on lane lines. (BROKEN LANE ROPES DUE TO BOARD NEGLIGENCE WILL BE CHARGED BACK TO THE BOARD). Plan practice drills accordingly to end in the shallow area or plan to have swimmers tread water if they are in the deep area.
8. Diving boards are for diving only. One person at a time.
9. Diving boards may only be popped up on designated holders. Do not prop diving boards against walls.
10. Clean deck side and bleacher area after practice. Remove bottles, trash, goggles, caps and other items so that the area is free of debris and clean.
11. No food or drinks other than water are allowed on the pool deck or in the locker rooms. Other food and beverages may be consumed in the picnic or lobby area only.
12. Equipment used during practice must be picked up and returned to its proper location.
13. If available for use, warm down pools should be used for warm downs only. BOE staff are required to supervise their swimmers in the warm down pool.
14. Please remember the facility is in use by other patrons and staff and be mindful of loud noise, language, and behavior.
15. Please contact the facility and/or facility Supervisor at least 24 hours in advance if a practice or event is cancelled. Failure to meet the 24-hour requirement will result in a full charge for the day.

Holiday Schedules

1. Holiday practice schedules will follow the same practice schedule as the regular season at all facilities.

Refer to the GCSDBC Policies and Procedures section of the handbook for information on scheduling additional practice times.

Winter Weather and Storms

1. If school is cancelled or released early because of inclement weather, practice and swim meets will also be cancelled. If this should occur on a Friday then there will be no practices or meets that afternoon and will include Saturday.
2. Other indoor pools will typically remain open for minor storms. Should there be a loss of power or a severe storm the pool will be cleared for a minimum of 30 minutes at the manager's or full time staff members' discretion.

Locker Rooms

1. Please place all belongings in a locker with your own lock to secure items while in practice or in the facility. **Gwinnett County is not responsible for lost or stolen articles!**
2. Items must be placed inside a locker or taken to the bleacher area. Do not leave items out in the open in the locker room. Other patrons must also share this space and should not have to deal with book bags, purses, gym bags, towels, shoes, and other items taking up space on the benches or in the changing areas.
3. Do not leave belongings unattended and do not bring items of value into the facility.

Meets

1. Meets should start and finish within their designated time frame. The posted start and end time includes set up and exiting of the building by all participants and guests. Participants and guests should not enter the building prior to the designated start time and all must exit by the designated end time. Refer to the time guidelines for meet venue access in **Appendix B**.
2. All team members and spectators need to utilize the front entrance for all entry and exits to the facility.
3. Friday and Saturday evening meets/activities may start after 6:00pm. This means entry of participants should not occur until after the pool is closed to the public at 6pm. **Also understand that cleaning of the facility will occur between 6-6:30 pm so certain areas of the facility such as locker rooms and shower areas may be off limits for short periods of time.**
4. **Saturday morning meets may start at any time but must be finished at 11:30AM to allow transition and cleaning of the facility prior to public hours. This includes meet participants and guests exiting the building.**
 - *****This instance shall not be common practice.***** Should a situation occur where a meet runs longer than expected the guard staff should be notified of the need to stay longer and an additional 15 minutes may be allowed. The meet manager should call the event at 11:45AM regardless of the status of events and all activity will cease at this time and priority should shift to cleaning and exiting the facility prior to opening to the public at noon. Understand that meets may start as early in the morning as necessary to assure there is adequate time to complete a meet. If a meet runs over for some reason then recognize and please adjust the starting times earlier to assure completion by the designated end time.
5. All litter, trash, and belongings must be placed in trash cans or removed from the deck by the meet participants prior to exiting the building. It is unacceptable to leave any trash or food items on the deck at any time and debris is expected to be removed by teams at the finish of the event. Each team is responsible for cleaning their area. We suggest having a rotating cleaning crew from each team. Staff will provide necessary cleaning supplies and items. **NO GLITTER OR CONFETTI IS PERMITTED AT THE POOL.**

6. All tables, chairs, and equipment must be returned to their correct location following all activities. Items left out of the classroom or on the pool deck will be noted and may limit continued use of such items.
7. Participants found with food or drink items on the deck other than water will be asked to throw the items out or remove the items to the designated areas in the lobby or picnic area.

Overall

1. ALL facility rules and regulations apply to swim meets and practices. Any conflicts or concerns need to be brought to management's attention.
2. Any problems, accidents, incidents, or injuries need to be immediately reported to the manager on duty. Any other concerns should be addressed through the high school coordinator and the aquatic supervisors or coordinators.
3. Behavior by all guests, participants, and coaches in the locker areas, lobby areas, deck areas, parking lots, etc. should be reflective of facility rules and regulations at all times.
4. Our facilities are places of business. Please assure that other patrons and facility activities are treated with respect and are not hindered by the activities and actions of swim team participants and guests.
5. Vandalism, boisterous activity, inappropriate behavior -- to name a few -- will not be tolerated. Vandals will be barred from the facility for the rest of the swim season.
6. The Gwinnett County Swim and Dive Booster Club is liable for any and all damages to property, or any conduct resulting in additional staff labor outside of the reasonable operations of a swim practice or meet caused by students, booster/BOE staff and visitors.
7. The Gwinnett County Swim and Dive Booster Club is responsible for removing all swim equipment outside of critical timing equipment and touch pads no later than three (3) weeks from the conclusion of the state swim meet. This includes, but is not limited to, all bins, fins, pull buoys and similar equipment. Space will be made available for touchpads and critical timing equipment from Collins Hill Park Aquatic Center and Mountain Park Aquatic Center and West Gwinnett Park Aquatic Center. Failure to adhere to the three week deadline will result in a daily fine.

POOL FACILITIES CONTACT INFORMATION

If a situation arises: Call the office line for the facility first. Only call the supervisor's cell number for emergencies. Email is the best line of communication. Call Kristin Munroe or Jason Cutchins if there is trouble contacting a supervisor or after normal pool hours. You should also alert Susan Moody immediately.

BOOSTER CLUB CONTACT INFORMATION AND EMAIL

The Gwinnett County Swim and Dive Booster Club has its own email service. We use this service to send email users of the Booster Club website. Each Booster Club email address automatically forwards to the member's personal email account. The reason we use this method is to prevent the need for publishing members' personal emails in our handbooks and on the website. It also provides a method by which any member can easily send messages to users and user groups from their personal email account without constantly updating their address list. Only Booster Club email addresses are included in this handbook. The sole exception is Swim Coaches. Here we also provide their school email address to allow emails to be directed just to the head coach and not all the other names attached to that user.

A simple naming convention is used for all users. You do not need to know a member's actual name, only the position he holds (refer to the Board of Directors contact information.) Some special positions also have email addresses, such as the celebration coordinator. The Booster Club email address does not change when someone new assumes a position; only the forwarding addresses attached to that address are modified in the email system.

For example: If you need to send a message to the Booster Club President, you send it to the president's address, **president@gwinnettswimdive.org**. Regardless of who currently holds the position, the message will be sent to him or her.

Our email domain is *GwinnettSwimDive.org*. The naming convention we use is shown in the table below. For schools that have "Gwinnett" in their names, *Gwinnett* is dropped. Names with two words are treated as one word. Please note where periods are used to separate portions of the username. For example: *school.position*.

USER TYPE / POSITION	USER NAME PORTION OF ADDRESS	EXAMPLE
Coach	<i>schoolname.coach</i>	central.coach@gwinnettswimdive.org
Representative	<i>schoolname.rep</i>	millCreek.rep@gwinnettswimdive.org
Board Member	board position *	vp.programs@gwinnettswimdive.org
Diving Coach	dive.coach. <i>lastname</i>	dive.coach.ranney@gwinnettswimdive.org

Coach and parent representative addresses are similar. There is one difference with these members in that additional people may be included in the list of forwards.

For example: If Collins Hill has more than one coach, then each coach's personal address is added to the forwards list in the coach's Booster Club address. When an email is sent to **collinsHill.coach@gwinnettswimdive.org**, all Collins Hill coaches will receive the message. The same is true for parent representatives.

We created group email addresses to make it simple to email groups of users. Individual members will not need to create distribution lists in their personal accounts. These group emails are maintained by the Booster Club. Note that group email names do not use periods to separate the words. An example of a group address is: AllBoardMembers@gwinnettswimdive.org

A complete list of the email addresses for the current year (at time of publication) is available in table form in **Appendix D**.

APPENDIX C:
TEAM MEET DESIGNATORS / CLODY MEMORIAL VENUE
ASSIGNMENTS / GHSA CLASSIFICATIONS AND REGIONS

When entering data for all meets, you must include the team designator. To ensure consistency at all meets and help us maintain accurate records at both the school and county levels and on the GCSDBC website, use the team abbreviations shown to the right of each school's name in the list below.

There are two venues for the Clody Memorial Meet. This list shows the venue assignments for each team along with the school's GHSA classification (5A or 6A) and region designations (R4, R7 or R8) which follow the school names in parentheses.

Data provided by the GHSA website, [https://www.ghsa.net/2025 – 2026-region-alignments](https://www.ghsa.net/2025-2026-region-alignments).

APPENDIX D: **BOOSTER CLUB EMAIL ADDRESSES**

We ask that you utilize the club email system. As long as you have provided your correct forwarding address(es), this system will work. These addresses are tied to the club's website email server. Using the club address helps our name recognition in the community and provides consistency when working with outside entities such as sponsors and vendors.

Chairs of club committees have their own email addresses. If you need to contact a chair, use their specific address. You don't need to know their name or personal address.

Use group addresses as you would a distribution list. This way you are certain to include all the group's members with their current addresses. You don't need your own personal distribution list. For example, all of a school's assistant coaches are included in the head swim coach email group.

When replying to an email sent from a Booster Club address, please ensure that the Booster Club address appears in the TO: box. Because all mail is forwarded, the reply address might be something else.

T-Shirt Coordinator

Website User type: Board Member Vote: No

1. Serves under the direction of the VP Programs.
2. Assists in the selection of a suitable T-Shirt vendor, who can meet the requirements of the booster club, at the most reasonable cost. If possible, the selected vendor should also be a booster club sponsor.
3. Clody Meet Shirts:
 - The standard design will be utilized for the front of the shirt with no design on the back. The board will also determine the color of the shirt. Number of items the design is offered on will be determined by the vendor. Vendor assumes responsibility for unsold items. Pre-orders: The vendor will set up a pre-order website no less than two weeks prior to the Clody meet. Coordinator will be responsible for forwarding the ordering directions to all teams for pre-order sales.
 - The vendor will be asked to distribute the shirts to each team from their sales booth during the Clody meet.
 - The vendor will sell club shirts designated for “on site sales” from their sales booth during the meet.
4. County Meet Shirts:
 - Design Contest: If a contest is planned, in November, in conjunction with the VP Programs, distribute information to all the parent reps and coaches, to promote the County Meet T-shirt Design Contest. The goal of this contest is to receive T-Shirt graphic design entries for the front of the shirt, from among HS swimmers and divers and to then select the best design by second week of December. The final selection should be made via consensus of the executive board. The winning design entrant will receive recognition in the County Meet Program, at the County Awards Ceremony in March, and will also receive a free T-Shirt.
 - The standard design will be utilized for the back of the shirt, which includes the names of all 20 GCPS high schools and the GSDBC logo. The board will also determine the color of the shirt.
 - Pre-orders: The vendor will set up a pre-order website no less than two weeks prior to the County meet. . Coordinator will be responsible for forwarding the ordering directions to all teams for pre-order sales. Number of items the design is offered on will be determined by the vendor. Vendor assumes responsibility for unsold items.
 - The vendor will be asked to distribute the shirts to each team from their sales booth, during the County Championship Dive Meet.
 - The vendor will sell the club’s shirts that are designated for “on-site sales,” from their sales booth during all 4 sessions of the county meet.
5. All-Star Shirts:
 - At the County Meet, athletes who place among the top-5 finishers in an individual event or in a top-5 relay event will receive the designation of County All-Star. Each County All-Star will receive an All-Star T-shirt at the County Awards Ceremony in March. The booster club covers all costs related to production of these All-Star shirts.
 - No later than February 1, the shirt vendor should provide several design concepts for the review and approval of the executive board. The back of the shirt should include a list of the All-Star athlete names. The board will also choose the color and style (long or short sleeves).

- The Data Manager will provide a list of all the County All-Star athletes, by team and event. The T-Shirt Coordinator will circulate this list to each of the coaches for confirmation. Upon receiving confirmation, this list will be provided to the vendor for incorporation into the shirt design. This must be completed by March 1.
- The T-shirt Coordinator will bring the shirts, sorted by team, to the County Awards ceremony.
- The vendor will provide a final invoice to the T-shirt Coordinator, by the third week of March. Following careful review; this will be forwarded to the VP Finance for appropriate disposition.

Website User type: Board Member *Vote: No*

1. Past member of the board who serves at the request and discretion of the executive board.
2. Provides a historical voice as needed.
3. Typically, the Ex-Officio member will serve in an advisory capacity and may assist the board with one or more specific projects.

Pool Inventory Manager

Website User type: None *Vote: No*

There is one Pool Inventory Manager for each pool at which the Booster Club stores equipment for high school meets. The Pool Manager reports directly to the Technical Manager. Duties of the Pool Manager are listed below. If you are present at any high school meet and find any issue with our equipment, contact the appropriate Pool Manager for that pool as soon as possible.

Attached to the inside door of each Booster Club equipment cabinet is an inventory folder. Inside it is the inventory listing for that pool which should be used to track the weekly count. Any changes in inventory should be indicated. The Pool Manager should initial and date the listing after the weekly check has been completed.

Pool Manager Tasks:

1. At least one week prior to the first meet at the pool, test the starter to make sure it takes a charge and leave it charging. Report any problems immediately to the Technical Manager.
2. Once competitions begin, complete a weekly check of the inventory on or before the first weekend meet. You do not need to count every item (especially pens, pencils, etc.). However, you should make sure that those items are not missing and that there are enough for the upcoming meets. For example: Are there enough pens, pencils, and console printer paper to get through the next set of meets? If we are missing any of the support bin materials, we have a problem. Teams count on this equipment being available.
 - If any item is missing, broken, or in need of replacement, report it to the Technical Manager immediately in order for action to be taken.
 - Look for any evidence of tampering with respect to the cabinet or any of the equipment that does not fit inside the cabinet (practice kickboards and swim buoys in the locked cart). We have had attempted break-ins in the past and need to know if it continues.
 - Make sure that the starter unit is fully charged for the upcoming weekend meets.

- Make sure that all equipment is replaced in the cabinet per the storage photo. Do not leave anything outside of the cabinet except those items that are stored elsewhere (touchpads, practice equipment).
 - Make sure the kickboard/swim buoy cart is locked correctly (the lids should not be able to open).
 - Make sure that the lane modules are drying properly and have silicone in the unused receptacles (buttons 2 and 3).
 - Make sure that the dive carpet is not wound too tightly so that it may air out and not mildew.
3. At the end of the season, after the state meet in February, take a final inventory of all equipment. This should be a full inventory, counting every item. Ensure that all cabinets and carts are locked securely.

APPENDIX F:
BY-LAWS OF THE
GWINNETT COUNTY SWIM AND DIVE BOOSTER CLUB, INC.

These are the most recent bylaws voted upon and ratified on September 19, 2019.

Article 1. Name

The name of this organization shall be the Gwinnett County Swim and Dive Booster Club, Inc. herein referred to as Booster Club.

Article 2. Purpose

- To promote the advancement, visibility and goals of the Swim and Dive Teams at all high schools in the Gwinnett County Public School (GCPS) system.
- To provide support to the coaching staff and the student athletes of each of those Swim and Dive Teams.
- To teach good sportsmanship, leadership and responsibility to the student athletes of GCPS high schools.

Article 3. Financial Objectives

Section 1. As a non-profit organization, it is the primary financial objective of this Booster Club to provide and manage adequate funding, in order to support the athletic endeavors and related activities of the Swim and Dive Teams of all GCPS high schools.

Section 2. The Booster Club has been formed exclusively for charitable or other purposes within the meaning of and specifically permitted by section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code

Section 3. No part of the net revenue of this organization shall inure to the benefit of, or be distributable to its members, officers, or any other private persons; except that the Booster Club shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in Article 2.

Section 4. No substantial part of the activities of the Booster Club shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the Booster Club shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office.

Section 5. Notwithstanding any other provision of these articles, the Booster Club shall not carry on any other activities not permitted to be carried on by an organization that is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code.

Section 6. Notwithstanding any other provision of these articles, this Booster Club shall not, except to an insubstantial degree, engage in any activities or exercise any powers that are not in furtherance of the purposes of this organization.

Article 4. Policies

Section 1. The Booster Club shall not seek to direct, control, or interfere with the coaching staff of any high school swim and dive team.

Section 2. This Booster Club shall conduct its operations within the parameters described in the Gwinnett County Board of Education policy regarding Volunteer Organizations.

Article 5. Organizational Structure

Section 1. As a non-profit, volunteer, parent-based organization, the Booster Club shall serve as a support organization for the GCPS high school swim and dive teams and their individual booster clubs.

Section 2. The Booster Club shall have a board of directors consisting of a President, Vice-President of Programs, Vice-President of Finance, Vice President of Information; Training Manager; Technical Manager; Dive Representative, Coaches Representative, and Coordinator; with other positions voted on and established to support the club, as needed. No member may serve in more than one position during a given term. The Booster Club and/or Executive Committee may, from time to time, change the requirements of the members of the Board of Directors, executive committee and other positions; however, their general duties are set forth below;

The **President** shall preside at all Booster Club meetings, be ex-officio of all committees, except for the nominating committee. The President must be the parent of a current GCPS high school student.

The **Vice-President of Programs** shall assist in presiding at all Booster Club meetings as well as perform the duties of the President in the absence of that officer. The Vice-President of Programs must be the parent of a current GCPS high school student.

The **Vice-President of Finance** shall be responsible for all financial aspects of the Booster Club. The Vice-President of Finance will submit a yearly revenue and expense report summary and an anticipated budget for the coming year, to the club sponsor and the GCPS administrator for oversight purposes. The Vice-President of Finance position must be adequately bonded, as required by GCPS policy. The Vice-President of Finance must be the parent of a current GCPS high school student.

The **Vice President of Information** shall ensure that written minutes are recorded of all meetings of the Booster Club and shall perform such other duties for the Booster Club as may be assigned. At the discretion of the Board of Directors, a Recording Secretary may be appointed to record meeting minutes and perform similar functions. In this case, the Recording Secretary will be under the direct supervision of the Vice President of Information. The Vice President of Information must be the parent of a current GCPS high school student.

The **Booster Club Coordinator** shall serve as the Booster Club Sponsor. The incumbent in this position shall be an employee of GCPS and shall be designated and appointed as Booster Club Coordinator by Director of Athletics and Community Services of GCPS. The Sponsor will be an ex-officio member of the Executive Committee. This is a non-elective position. The Sponsor will serve as the primary liaison between the GCPS Board of Education (BOE) and the Booster Club. If neither the President nor VP Programs is able to attend a scheduled meeting, then the Coordinator or another board member designated by the President, shall preside over that meeting. There is no limitation to the number of consecutive terms that one individual can serve in this position.

The **Dive Representative** shall focus on the needs and issues that are specific to the competitive high school diving program. The Dive Representative must be the parent of a current GCPS high school student.

The **Coaches Representative** shall focus on the needs and issues that are specific to GCPS high school swim and dive coaches. This position is elected at an annual meeting of the GCPS Swim & Dive Coaches. The Coaches Representative must be an active head or assistant swim or dive coach. It is not necessary that this position be occupied by an employee of GCPS.

The **Technical Manager** shall focus on acquiring and maintaining all equipment and software that is supplied by the Booster Club for the purpose of practice or competition. The Technical Manager should be the parent of a current GCPS high school student.

The **Training Manager** shall focus on training coaches and parent volunteers in the proper use of all software and equipment supplied by the Booster Club used for team management and competition. The Training Manager should be the parent of a current GCPS high school student.

Article 6. Executive Committee

Section 1. The business and affairs of the Booster Club shall be managed by the Executive Committee, consisting of the Sponsor (Coordinator), President, Vice-President of Programs, Vice-President of Finance, Vice-President of Information, Dive Representative, Coaches Representative.

Section 2. The number of members of the Executive Committee shall not be less than five (5). Each member of the Executive Committee, except in the case of death, resignation, retirement, disqualification, or removal, shall serve until the successor shall have been elected and qualified.

Section 3. Any Executive Committee member may be removed from office with or without cause by the affirmative vote of a majority of the members of the Executive Committee and/or the GCPS Director of Athletics and Community Services. Removal action may be taken at any Booster Club meeting with respect to which notice of such purpose has been given, and a removed Executive Committee member's successor may be elected at the same meeting to serve the unexpired term.

Section 4. A vacancy occurring in the Executive Committee, except by reason of removal of an Executive Committee member, may be filled for the unexpired term, and until the Board of Directors shall have elected a successor, by affirmative vote of a majority of the Executive Committee remaining in office, though less than a quorum of the Executive Committee.

Section 5. No notice shall be required for any regularly scheduled meeting of the Executive Committee of the Booster Club.

Section 6. At meetings of the Executive Committee, the presence of at least one-half (1/2) of the members then in office, shall be necessary to constitute a quorum for the transaction of business.

Article 7. Officers and Elections

Section 1. **Officers:** The officers of the Booster Club shall be President, Vice-President of Programs, Vice-President of Finance, Vice-President of Information, Dive Representative. Officers shall remain in office until the end of the fiscal year in which their successors are elected. Additional officers may be designated as the Executive Committee sees fit.

Section 2. **Nominations:** The President shall present a proposed slate of candidates to the General membership. Nominations will also be accepted from the floor.

Section 3. **Election**: Officers shall be elected at the final general membership Booster Club meeting of the fiscal year. Typically, this election will be held in April.

Section 4. **Term of Office**: The term of office shall begin on July 1st and end on June 30th, corresponding to the Booster Club's fiscal year.

Section 5. **Vacancy**: A vacancy occurring in any office or committee of the Booster Club shall be filled by action of the Executive Committee, in appointing a qualified member to serve for the remainder of the term.

Article 8. Duties of the Officers

Section 1. The **President** of the Booster Club shall preside at all meetings, shall be a member ex officio of all committees and shall perform other duties that usually pertain to the office. He/she will have the general powers, which are incident to the office of President.

Section 2. The **Vice-President of Programs** shall assist in presiding at all Booster Club meetings as well as perform the duties of the President in the absence of that officer. The Vice-President of Programs shall be directly responsible for directing activities related to fund-raising, sponsorship, awards and apparel. The Vice-President of Programs shall assist the President with any and all tasks needed to be addressed and shall be present at all meetings.

Section 3. The **Vice-President of Finance** shall be responsible for recording and processing all fees, allocating the proper funds to the Booster Club, making payment of all valid invoices, and reimbursing Booster Club members for valid expenses. The Vice-President of Finance will also (1) prepare and submit all required renewals and related fees to the office of the Georgia Secretary of State; (2) prepare and submit all required filing documentation to the IRS, as required to maintain 501(c)(3) status; and (3) initiate an annual, external audit of the booster club's prior year financial records, to be conducted during the period between July 1st and August 31st.

Section 4. The **Vice President of Information** shall make available the attendance and minutes of all meetings of the Executive Committee and General Membership; will be the designated officer to mail and receive all notices served by or upon the Executive Committee or the Booster Club, will execute amendments to these By-laws, will maintain the Booster Club website per the direction of the Executive Committee, and will perform all other duties incident to this office.

Section 5. The **Coordinator** shall act as the liaison between the Booster Club and the Gwinnett County Public School system and the Gwinnett County Parks and Recreation Department; managing contracts for community coaches and dive coaches; contracts for use and costs of all facilities used for practice and competition; schedules all practice and competition sessions and coordinates with GHSA to schedule officials; contracts with outside sources for computer and/or timing system operators for Club sponsored meets; schedules all Club meeting dates and locations; act as the voice of the Executive Committee when recruiting new board members.

Section 6. The **Dive Representative** shall focus on the needs and issues that are specific to the competitive high school diving program. As such, the Dive Representative will serve as a primary liaison between the Dive Coaches and the Executive Committee. The Dive Representative will perform all other duties incident to this office.

Section 7. The **Coaches Representative** shall act as the voice of the team coaches to the Executive Committee which includes presenting coaches' concerns that require discussion by the committee or items posted by the Committee that require the coaches' consensus; preside (with the Coordinator) over the annual spring coaches' meeting; ensure that coaches comply with published responsibilities; ensure that coaches submit their meet files to the Data Manager in a timely manner

and that any issues are resolved; compile the Swimmer/Diver of the Month lists for publication and award lists for the annual Award Celebration.

Section 8. The **Technical Manager** shall be responsible for maintaining and supervising the proper storage of all Booster Club equipment at all practice and competition venues with Booster Club equipment; tracking the inventory of equipment and acquiring new equipment when necessary; maintaining Booster Club computers and printers; storing spare equipment and county meet equipment; assisting with training sessions on the proper use and storage of Booster Club equipment; coordinating Pool Managers for each venue to oversee the equipment during the season.

Section 9. The **Training Manager** shall be responsible for conducting training sessions for equipment and software; maintaining the Technical Notes Manual; creating and distributing files and other documents relating to software and meet operations as needed.

Article 9. Fiduciary Responsibilities

Section 1. The Booster Club is a non-profit organization and the Executive Committee is responsible for all budgeting, planning, and execution of the funds received and disbursed on behalf of the Booster Club.

Section 2. The records of the Booster Club are considered as open public records and are subject to audit by the GCPS BOE or it's duly authorized representatives. The Vice President of Finance maintains detailed records of all receipts and all expenditures. Any amount paid to the Booster Club should be by check, made payable to "Gwinnett County Swim and Dive Booster Club."

Section 3. The Booster Club must maintain a positive balance in the checking account from year to year. This will provide a small reserve of funds, should investments need to be made in the program in subsequent years.

Section 4. The Booster Club must maintain a checking account at an institution which is insured and in good standing with the FDIC and approved by the Executive Committee. There are three (3) designated signers on the account, who are also voting members of the executive committee. These are the Vice-President of Programs, the Vice-President of Information and the Vice President of Finance. As designated check signers, the incumbents of these three positions must be adequately bonded, as required by GCPS policy.

Section 5: **Authorized Officer Signatures**: In general, Booster Club checks will have one authorizing officer signature by the Vice President of Finance. Check request forms for reimbursement of expenses, must be submitted and duly authorized and signed by at least two (2) other officers. The Vice President of Finance will maintain records containing all duly executed payments and Check request forms and will make those available for review and audit, as appropriately requested.

Section 6. Any officer of the Executive Board can review the financial records at any time for any reason. Any general member of the Booster Club can review these records with reasonable advance notice.

Article 10. Committees

Standing Committees shall be reviewed each year and voted on by the Executive Board. Committees will be developed each year according to the needs of the Booster Club.

Article 11. Membership

Section 1. **General Members:** The general membership of this organization shall consist of the board of directors, the committee members, the swim and dive coaches, and the parent representatives. A parent representative will be designated by the Booster Club of each school and will be a parent or legal guardian of a properly registered student athlete or student manager of that school's swim and dive team.

Section 2. **Voting:** Each member school shall have one (1) vote on each call for a vote. The vote may be cast by either the school's Parent Rep or Coach, but not by both. Board members, committee members, and dive coaches will not cast votes. The executive board may cast a single vote as needed, only for the purpose of breaking a tie.

Article 12. Booster Club Fees

Section 1. **Athlete Fees:** The amount of the annual registration fee will be determined by the Executive Committee. These funds are used to purchase and maintain meet related equipment, to pay for pool rental fees, to pay expenses for meet officials, to cover costs associated with the annual Clody Invitational and Gwinnett County Championship Meets and to meet any other expenses which are deemed appropriate by the executive committee.

Section 2: **Fee Refunds:** The Booster Club will announce a date in October or November, for each school booster club to render payment of athlete fees for all registered student athletes who are associated with their swim and dive team. After this specific date, no refund of the athlete registration fee can be made.

Article 13. Meetings

Section 1. A regular meeting of the Executive Committee shall be held at least twice (2 times) per year or as otherwise needed. These meetings shall be open to any current Booster Club general member. The privilege of holding office, making motions, debating, and voting shall be limited to the members of Booster Club.

Section 2. The Booster Club shall hold at least one General Membership Meeting in the fall prior to commencement of the Swim and Dive season. The final General Membership Meeting of the year will be held in April. Additional general membership meetings may be scheduled at other designated times throughout the year, at the discretion of the Executive Committee.

Section 3: **Quorum:** At all meetings of the General Membership of the Booster Club, a quorum shall be constituted if there is majority of the member schools represented by either a Parent Rep or Coach.

Section 4: **Order of Business:** At all meetings of the Booster Club, the order of business shall be as follows:

1. Posting of the minutes
2. Reports of the officers
3. Reports of the standing committees
4. Unfinished business
5. New business
6. Adjournment

Article 14. Parliamentary Authority

The Booster Club intends to follow “Roberts Rules of Order, Revised.” These rules shall govern Booster Club proceedings in all cases to which they are applicable and in which they are not inconsistent with these by-laws.

Article 15. Amendments

Section 1. All proposed amendments to the by-laws shall be referred to the Executive Committee.

Section 2. These by-laws may be formally amended at any general membership meeting of the Booster Club, by a two-thirds (2/3) vote of the member schools with a quorum present, provided that not less than 14 days written notice has been made to all Booster Club members, stating that by-laws changes are currently under consideration.

Article 16. Fiscal Year

The fiscal year shall be from July 1 through June 30 of each year.

Article 17. Conflicts

If there are conflicts or inconsistencies between the provisions of Georgia law, the Articles of Incorporation, the Declaration, and these By-Laws; the provisions of Georgia law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

Article 18. Dispute Resolution

Section 1. Any claim, controversy, or dispute relating to these by-laws or the Articles of Incorporation, or breach thereof, shall be settled by mediation.

Section 2. If mediation is unsuccessful, said dispute shall be resolved through arbitration, in accordance with the Rules of Dispute Resolution (the complete text of which is available at www.wmapeace.com). The methods described in this article, shall be the sole remedy for any such dispute, except to enforce an arbitration decision. This article is governed by the Georgia Arbitration Act, and shall continue to govern any dispute that may arise during or relating to any term of membership with this Booster Club, even after such membership is terminated for any reason.

Article 19. Dissolution

Upon dissolution of the Booster Club, the remaining assets shall be distributed to the GCPS Athletics Program, to be used exclusively for the purposes stated in Article 2 of these By-laws.

Article 20. Ratification

These By-laws were adopted by the Executive Committee on the ____ day of _____ in the year 2019, and ratified by the General Membership on the ____ day of _____ in the year 2019.

The Board supports the creation and sustainment of volunteer organizations for the purpose of enhancing and promoting academic, co-curricular, and extra-curricular activities. Volunteer organizations must adhere to the basic guidelines stipulated in Procedure P.LEC "Volunteer Organizations" for the establishment and operation of volunteer organizations. The term "volunteer organizations" in this policy refers to all volunteer organizations that operate to support school programs in Gwinnett County Public Schools (GCPS), including but not limited to booster clubs, PTAs and foundations, which are subject to other applicable GCPS and State of Georgia rules and regulations.

**GWINNETT

Gwinnett County Board of Education

Level: Procedure L-Interorganizational Relations	Accompanying Policy: LEC 	Descriptor Code: P.LEC	Rescinds December 10, 2010
Descriptor Term: Volunteer Organizations - Booster Clubs, PTA's and Foundations		Effective Date: July 2, 2021	Last Reviewed Date: July 2, 2021

The following procedure has been established by the Gwinnett County Board of Education as a basic guideline for the establishment and operation of volunteer organizations. The term "volunteer organizations" in this procedure refers to all volunteer organizations that operate to support school programs in the Gwinnett County Public Schools (GCPS), including but not limited to Booster Clubs, PTAs and Foundations, which are subject to other applicable GCPS and State of Georgia rules and regulations. Volunteer organizations desiring to operate on GCPS premises must register with the appropriate GCPS school as prescribed within and must comply with this procedure as a condition of registration:

1. Volunteer organizations, as independent corporations or associations, are solely responsible for appropriate organization and operations and must comply with all applicable statutes and regulations without intervention by or reliance upon GCPS.
2. The sole purpose of a volunteer organization is to support school programs and students. Accordingly, all volunteer organizations must register with the supported school in a manner prescribed by this policy. All existing volunteer organizations must register within ninety days following the effective date of this policy. New volunteer organizations must register within sixty days of formation. Existing volunteer organizations must re-register within thirty days of the start of each school year.
3. A copy of each volunteer organization's by-laws, annual membership-approved budget, and a listing of officers and board members (with contact information) must be submitted to the principal as part of the annual GCPS registration process. Written by-laws shall state a clearly defined purpose and list the objectives of the organization. Any changes to the by-laws and/or officers should be provided to the principal at the time of change to ensure accurate information is on file at all times.
4. Volunteer organizations must follow Georgia law and all applicable GCPS policies and procedures including those pertaining to fund-raising activities and advertising.
5. The principal will designate a "school sponsor" who will work with the volunteer organization in a liaison capacity. The "school sponsor" or his/her designated representative will attend each volunteer organization meeting of the general membership. GCPS expects that the school sponsor will be included as an ex officio board member of the volunteer organization governing body and will participate, in person or via staff designee, in all volunteer organization governing body meetings. The "school sponsor" must be a full-time GCPS employee at the school supported by the volunteer

organization.

6. Subject to volunteer organization bylaws and prior to the annual election, the volunteer organization will announce to its general membership and sponsor, its election calendar for officers and as required by the bylaws, a proposed slate will be presented to the membership for deliberation at an advance time as prescribed. GCPS expects that at the time of his/her election, each officer of a volunteer organization will be a member in good standing as prescribed by the organization's bylaws.
7. Volunteer organization activities must not conflict with or detract from instructional time or objectives. On-premises activities must be scheduled in advance according to the process of the respective school and must be pre-approved by the sponsor.
8. Each volunteer organization will develop a written annual budget, with input from the sponsor. The volunteer organization's budget will be designed to support program needs that cannot be met by the school and must directly support student activities consistent with the "Purpose" section of the organization's bylaws. The school will not confiscate funds or tax volunteer organizations in conflict with organizational "Purpose" as stated in the bylaws although reasonable and customary usage and maintenance fees are anticipated and consistent with the organization's "Purpose" and, with appropriate notice, shall not be unreasonably withheld by the organization.
9. Volunteer organizations are required to pay the entire amount of any coaching/sponsor supplements plus fixed charges for any Board approved programs which they may fund locally. The volunteer organization president will notify the principal of their intention to pay the designated supplement before the coach/sponsor is hired. Any such payments to coaches/sponsors are made through the Business and Finance Division.
10. In its bylaws, each volunteer organization shall include procedures for an annual financial audit/review. The principal and the volunteer organization members will receive a written copy of the volunteer organization's final annual financial report. The superintendent may order, at any time, that a volunteer organization's financial records be audited, at the school district's expense, by an independent accounting firm or qualified accountant designated by the superintendent.
11. Volunteer organizations are required to incorporate and to file with the Internal Revenue Service for 501(c)(3) non-profit, charitable status when required by law. Volunteer organizations must comply with all applicable federal, state, and local statutes including, but not limited to, the submission of annually required IRS filings and state corporate registrations. Smaller organizations must comply with IRS Form 990-N requirements as appropriate.
12. Volunteer organizations are responsible for their own tax filings and accounting and must obtain their own federal tax identification number. Volunteer organization funds must never be commingled with student activity funds or other school or school district funds. All funds collected from a volunteer organization fundraiser or otherwise obtained by a volunteer organization must be deposited into the volunteer organization's bank account. Volunteer organizations are expressly prohibited from using the GCPS employer identification number to open bank accounts or in the conduct of volunteer organization business.
13. Prior to funds being collected at the start of the school year, all volunteer organizations with total deposits exceeding \$2,500.00 during the previous school year must ensure that all authorized check signers are adequately bonded.
14. Disbursements made from the volunteer organization's bank account will be by check

only; the use of bank debit cards or cash applications for disbursements from the volunteer organization's bank account are prohibited. GCPS recommends the use of a check request form, installation of proper operating controls, and compliance with annual self or independent audit requirements as specified in the organization's bylaws.

15. Any facilities, equipment, property or property improvements donated to GCPS by a volunteer organization must comply with all policies and procedures set forth by the Board of Education.
16. Volunteer organizations may disburse funds to a school or to the school district. When these funds are deposited in a school or school district account, the volunteer organization relinquishes all control over these funds.
17. No GCPS faculty sponsor or administrator may hold a leadership position, appear on a signature card, or sign checks for a volunteer organization supporting their department or sponsored activity. Any financial obligation incurred by a volunteer organization shall be solely that of the volunteer organization. Any appearance of a volunteer organization conflict of interest by a faculty sponsor or administrator must be specifically avoided and the circumstances reviewed with the principal and approved in writing prior to GCPS employee participation in that activity.
18. The superintendent or the local school principal may, at his/her sole discretion, terminate/suspend and prohibit volunteer organization operations on GCPS premises for any volunteer organization that does not adhere to these guidelines, including, but not limited to, those that exhibit serious financial irregularities. The assets of a dissolved volunteer organization will be disbursed in accordance with the bylaws of the volunteer organization and/or the laws of the State of Georgia.

Sponsorship Program School Year: 2025 – 2026

We have exciting news!

We're looking for sponsors to help fund the 2025/2026 Swim and Dive Season. The Gwinnett County Swim and Dive Booster Club was created to assist the twenty high school swim and dive teams consisting of 1300+ athletes within the county. The Booster Club arranges for space in local county pools for practice and swim meets. Officials are hired for all meets and paid for by the county boosters. The county meet, diving invitational, and Clody meets are overseen by the booster club.

2025 – 2026 SWIMMING AND DIVING RULES AND PROCEDURES

This is the content of pages 96 to 98 of the GHSA Constitution and Bylaws for 2025 -2026 Vol. 119 (White Book), as downloaded from the GHSA website, www.GHSA.net. (Rev. 9-22-25)

- A. Swimming and Diving is a classified event with four (4) state championships (classes 6A, 5A, 4A and the combined divisions of classes A-3A).
1. Boys and girls compete for separate championships in each class.
 2. Beginning and ending dates for practice and competition can be found at the front of this publication.
 3. The maximum number of contests for swimming is ten (10) exclusive of the state meet.
 4. For divers, the maximum number of dual meet competitions is as follows:
 - a) Six-dive format: ten (10) competitions AND/OR
 - b) Eleven-dive format: five (5) competitions
 5. It is permissible for coaches to use “split squads” during the regular season. However, the use of split squads will count as two (2) of that school’s maximum allowed competitions.
- B. The National Federation Swimming Rules shall be the official rules for all GHSA competitions with the exception of any special regulations found in this section.
- C. In those school systems where facilities are limited and one coach is hired to coach more than one high school team, or coaches from several schools use the same facility, the gathering of these students for practice purposes will not violate GHSA regulations. Competitions between schools during these practice sessions must be avoided unless they are counted within the number of allowable contests.
- D. Each school with a participating student(s) must have a school representative present at all GHSA meets.
- E. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.
- F. ORDER OF EVENTS: (boys events precede girls events)
- | | |
|-------------------------------|------------------------------|
| 1. 200-yard Medley Relay | 7. 100-yard Freestyle |
| 2. 200-yard Freestyle | 8. 500-yard Freestyle |

| 4. 50-yard Freestyle | 10. 100-yard Backstroke |
| 5. 1 Meter Diving | 11. 100-yard Breaststroke |
| 6. 100-yard Butterfly | 12. 400-yard Freestyle Relay |

STATE MEET (GENERAL INFORMATION)

A. In order to participate in the State Swimming and Diving Meet:

1. A participant must qualify at a meet governed by National Federation and GHSA rules.
2. Qualifying times are listed at the end of this section, and entry deadlines must be met.
3. Proof of performance (POP) for swimming events must be verified by two GHSA coaches who are in attendance at that meet.
4. Participating schools will be required to pay \$25.00 per entrant.
 - a) Fees are payable to Atlanta Swimming
 - b) Fees are due on the first day of swimming competition
 - c) Fees not paid within one week are subject to 100% late fee.

B. All eligible relay swimmers must be listed on the entry form. It shall not count as an entry unless the competitor actually competes in the event. Any individual listed on the entry form may swim in the prelims, swim-offs, and/or finals provided he does not exceed the permitted entry limit for the meet.

C. Qualifying standards for the State Meet will be established by the GHSA Executive Director.

D. A coaches' meeting will be held at the site preceding the diving competition.

E. Only the coaches/faculty members listed on the entry form will have access to the pool deck.

F. Rules and Restrictions for Meet Entries:

1. A school may enter only one (1) relay team per event.
2. A school may not have more than four (4) entries in an event in which the contestants compete as individuals.
3. A contestant may enter a maximum of four (4) events, no more than two (2) of which are individual events.

G. No team points will be allowed to a swimmer or relay team if the qualifying standard for that event is not met or bettered in either the prelims or the finals. No team points will be awarded to divers if they do not equal or better the qualifying point total for six (6) dives.

H. Reservation of seating space for spectators is not allowed.

I. The **State Diving Championships** will be held at The Marist School, while the **State Swimming Championships** will be held at the Campus Recreation Center on the campus of the Georgia Institute of Technology on dates listed in the Beginning and Ending Dates Chart found at the front of this publication. The schedule for competition may be found on the GHSA website (www.ghsa.net).

J. Team championships will be determined by scoring twenty (20) places as noted in the National Federation Swimming Rule Book. The top ten (1-10) qualifiers will compete in the championship heat, the next ten (11-20) will compete in consolation heat "B".

K. The lead-off 50-yard Freestyle split in the 200-yard Freestyle Relay, and the lead-off 100-yard Freestyle split in the 400-yard Freestyle Relay will be considered for State records in their respective events. NOTE: If the relay team is disqualified for any reason, the lead-off time will not count for qualifying or for a state record.

L. Admission fee for the GHSA State Swimming and Diving Championship is \$20.00 per session. Free admission will be allowed for the following:

1. Swimmers and divers qualified and entered in the State Meet
2. Coaches that are listed on the Swimming and Diving Coaches list
3. Four girls and four boys designated as substitutes by the coach on the team list
4. Two team attendants or trainers as listed on the team roster
5. Those normally allowed free admission, such as with GHSA passes, will continue to be admitted by signing the pass list

STATE MEET (ELIGIBILITY/PROCEDURES)

DIVING

A. A diver may become eligible for the State Meet using a 6-dive sheet or an 11-dive sheet.

1. **6-Dive Format:** This format is slightly different than the normal 6-dive dual meet format as defined in the NFHS Rules Book. If the 6-dive format is utilized and submitted, the first dive will continue to be from the group as specified by the NFHS and in the NFHS Rules Book. The first dive will maintain its assigned degree of difficulty, unless it is more than 1.8, in which case it will receive no more than 1.8 degree of difficulty. Dives 2-6 shall be one dive from each of the five (5) groups (forward, backward, reverse, inward, and twisting). The degree of difficulty of dives 1-6 when totaled shall be equal to or greater than 11.5 for girls and 12.0 for boys. The score to be achieved must be 190 points or more for both boys and girls.

2. **11-Dive Format:** If the 11-dive format is utilized and submitted, it shall be on the official 11-dive sheet. For girls, the minimum degree of difficulty for optional dives shall be 11.5 when totaled, and the score to be achieved must be 300 points or greater. For boys, the minimum degree of difficulty for optional dives shall be 12.0 when totaled, and the score to be achieved must be 300 points or greater. NOTE: The official 11-dive Checklist as well as the 6-Dive and 11-Dive Forms can be found on the GHSA web site (www.ghsa.net).

B. In both the 6-dive and 11-dive formats, the meet must be scored by at least, but not limited to, three (3) judges. The official dive sheet that is submitted must be completed with all necessary signatures and information provided, such as phone, and e-mail information for the coach and diver, within one (1) week of the performance.

C. Proof of Performance

1. Only one Proof of Performance (POP) dive sheet per diver may be submitted by uploading it onto the GHSA website (www.ghsa.net). The deadline date for submission may be found on a chart later in this section.
2. If the diver's POP is accepted and approved, the coach will be notified at the email address provided when uploading the sheet. If the POP dive sheet is in any way incorrect, the coach will be notified and one (1) additional POP may be submitted, if desired.
3. Dive sheets with electronically generated scores will not be accepted unless submitted from www.DiveMeets.com.

D. *State Meet Dive Sheets*

1. The format and criteria required for the state dive sheet is slightly different than that listed in Section 4 - Choice of Dives that is detailed in the current NFHS Rules Book for championship meets. Divers will compete in a 6-Dive meet format at the State Championship meet with the following requirements:

- (a) One (1) voluntary dive of the diver's choice with its true degree of difficulty followed by five (5) optional dives, one from each of the five (5) groups. The degree of difficulty of dives 1-6 when totaled shall be equal to or greater than 11.5 for girls and 12.0 for boys. The minimum score total to be achieved to earn points for the team must be 190 points or more after six (6) dives for both boys and girls.
- (b) The 10 highest-scoring finishers from the preliminary event will move on to the finals and perform their six (6) dives again. Divers will be permitted to change dives, not dive order, for the finals so long as all sheet requirements are met.
- (c) Scores from the preliminaries and finals will be cumulative.

2. A diver will be automatically entered in the State Meet upon submission of the actual dive sheet on www.DiveMeets.com by the deadline and approval of the dive sheet by the GHSA.

3. The deadline for changing a dive sheet may be found on a chart later in this section.

E. If a school has more than four (4) divers per gender that have been deemed eligible after official approval of the POP dive sheet, the school may submit a maximum of four (4) and only four (4) dive sheets per gender by the deadline.

F. The Meet Director for the State Diving Meet will have jurisdiction over the method of announcing the diving.

G. If possible, the championship venue(s) shall provide two (2) hours of practice time to State Meet participants the week of the State Meet.

H. Boys will dive first in the odd-numbered years, and girls will dive first in the even-numbered years.

I. For questions or concerns about State Meet eligibility and procedures, contact the State Diving Coordinator, Vicky Sanchez Tuymer, (vtuymer@hotmail.com).

J. The diving information found on the GHSA web site supersedes all other sources of information.

APPENDIX L:
DIVING GUIDELINES AND INFORMATION

11-DIVE CHECK LIST

From the GHSA website, www.ghsa.net

5 VOLUNTARY DIVES

- 1 dive of diver's choice from **each** of the 5 diving groups: Forward, Back, Reverse, Inward & Twisting
- DD's (Degree of Difficulty) when added must total 9.0 **or less**
- All voluntary dive #'s must be circled

6 OPTIONAL DIVES

- 6 different dives with all 5 groups represented (Forward, Back, Reverse, Inward, & Twisting), and one of the groups will be represented twice
- DD's (Degree of Difficulty) when added must total a **minimum** of 11.5 for girls and 12.0 for boys

GENERAL

- All of the above dives must be totally different dives. That is, the dive numbers (101, 403) must all be different.
- All 5 groups, (Forward, Back, Reverse, Inward, & Twisting), must be represented in the first 8 rounds of diving. This will be a combination of voluntary and optional dives.

GHSA OFFICIAL 11-DIVE SCORE SHEET

Dives 1-5 Preliminaries

- 2 voluntary and 3 optional dives, in any order
- Circle the 2 voluntary dive numbers.
- The 3 optional dives must be from 3 different dive groups (Forward, Back, Reverse, Inward or Twisting).

Dives 6-8 Semifinals

- 2 voluntary and 1 optional dive, in any order
- Circle the 2 voluntary dive numbers.
- The optional dive must come from a diving group that has **not** been performed in the preliminary optional dives.

For example: If an optional dive from the Forward group has been performed in the Preliminaries then no optional dive from the Forward group may be performed in the Semifinals. DO NOT REPEAT ANY OPTIONAL DIVE GROUP THAT HAS BEEN PERFORMED IN THE PRELIMINARIES!

Dives 9-11 Finals

- 1 voluntary and 2 optional dives, in any order
- Circle the voluntary dive number.
- 1 of the optional dives will be from a dive group that has already been used. The Finals are the ONLY round in which the optional group may be repeated.

GENERAL

- All diving score sheets **MUST** be signed by the diver and the GHSA coach **PRIOR** to submission for competition.
- The phone numbers(s) and/or e-mail address of the GHSA coach must be listed in the appropriate place on the score sheet.

FINAL CHECK

1. Are all 5 voluntary dive numbers circled under “Dive Order”?
2. Do the 5 voluntary DD’s add up to 9.0 or less?
3. Are the 5 voluntary dives from all 5 different dive groups?
4. Are the 6 optional dives from all 5 diving groups, with 1 group being repeated in the Finals?
5. Are the DD’s of the optional dives, when added together, equal to 11.5 or higher (girls) or 12.0 or higher (boys)?
6. Are all 5 different diving groups (Forward, Back, Reverse, Inward and Twisting) represented in the first 8 dives?
7. Are all of the optional dives in the first 8 rounds from different dive groups?
8. Are all 11 dive numbers different?
9. Is the dive description accurate? For example, Forward 1 SS, not Front Flip.
10. Does the Degree of Difficulty (DD) match the dive # and position (A, B, C, D)? For example, dive 103 B should have a DD of 1.7. Use the degree of difficulty table found in the National Federation Rule Book.
11. Is the diving form submitted the OFFICIAL GHSA 11-DIVE SCORESHEET?
12. Are all signatures, phone numbers, e-mail addresses in place and legible?
13. Has the student information at the top of the form been properly completed legibly?
14. If the sheet is being sent in for “proof of performance,” has the 300 point minimum for State qualifying been met?
15. Has the Diving Referee from the qualifying meet signed the scoresheet?
16. Go back and read over #1 – 15 and the check list if you have any questions!

GENERAL NOTES FOR ALL DIVE SHEETS:

- Circle all voluntary dive numbers on the diving sheet. This dive must be first in a 6-dive meet.
- You may NOT arbitrarily change the voluntary dive for any assigned date!!!!
- Voluntary dives may have a degree of difficulty of 1.8 or lower. Use the assigned DD if 1.8 or lower. Use 1.8 if the assigned DD is higher than 1.8.
- The diver **and** a coach must **both** sign the diving sheet before competition begins!

For state qualifying using the 6-dive format, please check the GHSA website at:
<http://www.ghsa.net/swimming-and-diving>.

**PLEASE CHECK WITH YOUR COACHES PRIOR TO FILLING OUT DIVE SHEETS IN
CASE OF ANY CHANGES TO THE ABOVE LIST.**

DIVER SAFETY POLICY

A dive coach or swim coach must sign every diver's dive sheet before each meet. The diver must also sign the dive sheet. The coach is verifying that the dives are the proper dives and that the diver is capable of performing each dive. The coach signing the sheet shall have witnessed that each dive can be performed safely. This provides for the safety of each diver and the ethical behavior of each coach. A dive does not have to be performed well, but it should be legal. Divers should not be entered into a competition if they cannot complete all listed dives safely. Divers should not be allowed to do a jump and take a failed dive.

National Federation High School (NFHS) Rule 9-8-3 requires a diver to be disqualified for:

- Not making a sincere attempt to complete a dive.
- Attempting dives that are too difficult for the diver.
- Failing two dives.

ONE METER DIVING TABLE

Any dive from a group may be designated as a voluntary dive. It will receive its assigned DD through 1.8. Any voluntary dive with a DD greater than 1.8 will be assigned a DD of 1.8.

DIVING PROPOSAL FORM

As dive coaches, we are proposing that any athlete wanting to participate in the sport of diving must attend at least one high school run dive practice with his/her designated dive coach per week. We understand that many divers participate in year-round diving programs, just like swimmers, however; diving is very different from the sport of swimming, in that divers learn and perfect dives all the time. For this reason alone, it is pertinent for the safety and security of each county diver that their designated dive coach has seen and is comfortable with any dives that will be put on dive sheets. As coaches we do not let our divers do dives that have not successfully been completed in practice. It has been found that the year-round divers do not know how to fill out GHSA dive sheets according to the guidelines and as coaches we want to make diving a smooth transition during the swim meet. If the divers attend one weekly high school practice he/she will be kept abreast of all upcoming opportunities, deadlines and requirements needed to compete in a high school varsity sport, which is extremely different than US Diving.

Diver and Parent Contract

It is also my responsibility to communicate with my swim coach as I will not be attending a weekly high school dive practice. I am aware that as a year-round diver it is my responsibility to know about all upcoming meets and requirements. I am to complete dive sheets prior to the meet with a coach's signature and complete dive sheets online before the deadline according to GHSA rules and regulations, including the correct dive of the week and dd.

Diver: _____ Date: _____

As the parents of a year-round diver we have elected to not attend a weekly high school dive practice, thus we will be responsible for communicating about dive competitions with our swim coach. We will also ensure that our athlete will complete all dive sheets properly and have those sheets signed and turned in prior to meet deadlines.

Parent: _____ Date: _____

APPENDIX M:

STATEMENT FOR USE OF GCSDBC EQUIPMENT BY OUTSIDE GROUPS

➔ Policy for Use

The timing systems described below are the property of the Gwinnett County Swim & Dive Booster Club for use by the Gwinnett County High School swimming and diving teams for their seasonal meets. High School meets always receive first priority.

If an outside organization wishes to use this equipment, the dates may not conflict with the high school season. Anyone wishing to use any item or group of items in the list must petition the GCSDBC Board of Directors. Equipment shall be returned in the same condition as first supplied.

Use of the equipment will be permitted only if a GCSDBC Board approved operator is present for the entire event. Approved operators may include employees of companies whose business is meet timing. The operator will, at a minimum, provide access to the equipment. Operators may be in charge of operating the equipment, if requested.

The intention of the Booster Club rental policy is to maintain the integrity of the equipment and prevent premature failure. The Club reserves the right to deny a petitioner use of the equipment.

➔ Description of Equipment

The Gwinnett County Swim & Dive Booster Club automatic timing system consists of the following equipment located at three Gwinnett County Parks and Recreation Aquatic Centers (Collins Hill, Mountain Park, and West Gwinnett).

- 12 Touchpads
- 14 Lane modules
- 1 Lane module extension
- 34 Plungers
- 1 Daktronics OmniSport 2000 Timing Console
- 1 10 Lane Scoreboard
- 6 Dive Judging Handheld Consoles
- Assorted items for equipment support such as cables

➔ Fees for Use

Use of the timing system equipment constitutes wear and tear on the items. GCSDBC requests a donation to the Booster Club to cover maintenance issues. Additionally, if our operator is running the equipment, a fee of \$200 for up to 6 hours of work must be paid directly to the operator. Outside operators must be approved by the GCSDBC Board and should be paid according to their company's pricing policy.
