Work Experience

Current: Brand Manager; P. Mauriat North America, St Louis Music.

Overview:

The Sales and Marketing Manager for the P. Mauriat brand is responsible for the day-to-day functionality and overall success of the brand, including all instruments and accessories associated with them. The Brand Manager takes a lead role in driving sales strategy, designing and executing promotional plans, and working with the brand owners to bring new products to market in North America. In addition, the Brand Manager is primarily responsible for the day-to-day elements of working with the procurement strategist on inventory management for P. Mauriat.
