About Us

Sal and Berta started Salvo's as a bait shop on Barriere Road over 40 years ago in 1984. Shortly after opening, they expanded their menu to include plate lunches and po-boys. Within a few years, they were blessed with an opportunity to purchase a house on Belle Chasse Highway. Sal with the help of lots of friends and family turned the house into a full service restaurant. In 2011, their daughters Shannon and Amelia joined the family business full time. Over the years we have expanded the menu, added rooms, the yard and the patio. However, our focus has never changed. We aim to consistently provide our customers with big portions of quality seafood at low prices. Our goal is to give the very best experience to our customers every visit. So, if you like our food and service, please tell others. If not, please tell a manager.

We Cater

Whether it's 10 or 500 people, on site or off site, full-service or delivery, BBQ or seafood, formal or informal, we have you covered. Call or email (salvosseafood@yahoo.com) for a custom quote.

The yard and restaurant are available for private parties.
 Holiday catering menus posted on facebook a few weeks in advance.
