6 ultrasonic diffuser machines	Php 12,800.00
8 ultrasonic diffuser machines	Php 15,800.00

- Each commercial scent diffuser machine can cover around 200 sqm.
- Choice of one scent from our event collection
- Scent consultation and intensity recommendation
- Machine delivery, installation, and testing
- Machine pullout after the event
- Suitable for indoor venues only

IMPORTANT NOTES

- All prices indicated above are base rates and may be adjusted accordingly.
- The final cost will depend on the venue size, layout, ceiling height, ventilation, and event location.
- Larger or high-ceiling, venues may require additional diffuser machines.
- A nearby and reliable electrical outlet must be provided by the client.
- Machine placement is subject to venue approval and safety requirements.
- A 50% non-refundable down payment is required to reserve the date.
- The remaining balance must be settled on or before the event.
- Rates cover one event date and one venue only.
- Damage, loss, or unauthorized transfer of the machine will be charged to the client.

Prices indicated above may change without prior notice.
