# IDEAS BY ACES THANKS YOU!

We humbly thank you for choosing us as your preferred supplier to market your business.

We pledge to work assiduously to keep your trust and belief in us. We promise to always be alert when it comes to trending topics in order to keep bringing you the most modern and cutting edge products. So what are you waiting for? Dive into our catalogue and order today!

## Who We Are

Ideas by Aces is a dynamic, young-blooded company with one simple goal:  
HELPING YOU STAND OUT.

Our company is ready to deliver the most creative, relevant and efficient solutions for all your marketing and branding needs.

We go above and beyond to meet our clients' expectations, with the guarantee of satisfaction and excellent follow-up service. We are here to help you be the best whilst saving money. We personally invest in your vision to best recommend items that are designed for innovative minds.

## Why Promotional Items?

We understand that a key component of any business is the relationship you build with the customer. As such, in our ever growing markets, finding new ways of connecting with customers in an impactful way is essential. Promotional items and gifts are the most cost effective ways to promote your company. In addition to opening lines of communication about your business to new customers, they will provide you with the brand and company recognition you deserve. Your company will create a favorable impression on anyone who receives a token from you, simply because it's a gesture of goodwill. Propagating the action of giving tells the receiver that you are appreciative of their support. By making your customers feel special your brand will become associated with positivity.

## MOBILE APP DEVELOPMENT

You are a part of the Mobile Apps Age! Make the most of it! Get a high-performance, feature-rich, cross-platform, cross-device mobile app and reach your offline and online target market with a faster response time and high-end user experience.

## ECOMMERCE WEBSITE DESIGN

Build your brand, generate lots of buzz, roll out offers, sell non-stop, generate a loyal customer-base. All this through one power-packed ecommerce website!

## RESPONSIVE / MOBILE WEB DESIGN

A significant share of your target audience is viewing websites using smartphones, tablets and other mobile devices. If you do not have a responsive website, the visitors landing on your website tend to leave it in the first few seconds due to factors such as: slow loading, unreadable text, the need to frequently zoom in and zoom out, etc. Your mobile website responds to the device on which it is viewed and changes its design accordingly.
