

Lynne Hayman appointed to Boccia New Zealand Board

Boccia New Zealand is thrilled to announce that experienced executive Lynne Hayman has joined its Board.

Lynne has held various senior executive positions in the corporate arena across a variety of sectors and is a Chartered Member of the Institute of Directors.

A qualified Chartered Accountant, Lynne has previously sat on a range of commercial and charity boards and is currently on the Board of Trustees for Osteoporosis New Zealand.

Her corporate experience includes serving as Chief Executive of the Royal New Zealand College of General Practitioners (2019-2024).

Lynne has been appointed through to the next annual general meeting and replaces Colin Frude who stepped down from the Board earlier this year.

“I am delighted to have the opportunity to join the Board of Boccia New Zealand and have long admired the sport through having a friend who plays,” Lynne says.

“I have been impressed with the way the sport’s tournaments are run and the collegiality and joy that participation brings to its members and look forward to having the opportunity to be involved with the community.”

Dr Rachel Batty, Co-chair of Boccia New Zealand, says attracting someone with Lynne’s knowledge and expertise is an excellent outcome for the Board.

“We are grateful to have Lynne join us and know she will help make a difference in our community,” Dr Batty says.

“Her financial acumen will be of significant value to our Board, and we look forward to working with her as our focus turns to the NZ National Boccia Championships in Auckland later this month.”
