

A Princess Tea

Mother/Daughter Tea Party

What and Why?

A Mother & Daughter Princess Tea is a special time for girls, ages 4-10, to spend a fun-filled afternoon with a mother, aunt, grandmother, or any other important female in the child's life to celebrate the joy of being created as a young woman in the image and likeness of God. The purpose of A Mother & Daughter Princess Tea is two-fold. First, we seek to provide an environment of beauty that models to young girls the privilege of being a female by instilling within them their own God-given dignity. Second, A Mother & Daughter Princess Tea is an outreach and fundraising event in support of Mommies Matter, the central Ohio-based nonprofit that serves single mothers who have made the brave decision for life.

You can expect all the glitz and glamour at this event - from tea cups, tiaras, manicures and make-up to the fashion show on the catwalk. Make plans to attend with your special little girl - this is one you don't want to miss!

Join the Party!

Please note that you get to choose what is and isn't included in **your Mother & Daughter Princess Tea! Whether your looking to plan a smaller event with just tea and tiaras or want to go all out with a fashion show and catwalk - we are here with you every step of the way!*

* These volunteer positions are optional based on the activities you plan to include in *YOUR* tea party.

A Mother & Daughter Princess Tea is the perfect event for your church to host in the spring or summer, when the flowers are blooming and new life is being celebrated. By hosting A Mother & Daughter Princess Tea, your church community is taking part in a cause that supports single mothers in need when walking through an unplanned pregnancy. Your involvement and financial support helps Mommies Matter provide the resources necessary for her to experience abundant life for both herself and her baby. Hosting A Mother & Daughter Princess Tea also serves as an invitation to your church community to foster and instill values that the young girls in your congregation will remember for a lifetime.
