Minutes:

Minutes of the previous meeting on 5th February approval

Treasurer Report:

Balance of £374.94 as of 31st March

Matters Arising:

- Monday Competition: Tees
 - John Hatt has agreed to leave the weekend competition tees in place for our Monday competitions. This means that at least on two Mondays per month we will have separate white and yellow tees.
- Summer Season Senior: Knockouts and Championship
 - We have received an excellent response to the KO competitions from the senior section. We have agreed that the Prize Money will be 2/3:1/3 to those in the Final.
 - The captain will prepare an email requesting that entries for these competitions need to have 3 valid scorecards over the year to enter.
- Roll Ups
 - Members are reminded once again to PLEASE get to the putting green area by 07:15, to assure a smooth allocation of pairings.
 - Those members not putting in cards will be gently persuaded to put in cards to validate their handicaps as and when.
- Captains Charity Day
 - The chosen charity for the 2025 event is Prostate Cancer, Chad will investigate local charities and revert.
 - The event as previously stated will take place on 21st July. We will play a Texas Scramble format. Further details to follow.
- Interclub Competition
 - The increased attendance of Seniors, suggests that we may well be oversubscribed for these matches. We will maintain a spreadsheet to ensure that those wishing to play get a chance.
