DISCLAIMER

This is an application to submit for an operational permit. Submittal of this document does not guarantee a operational permit. No work may be started without the issuance of an operational permit. Work started without a permit will result in a Stop Work Order being issued and a \$500.00 violation fee.

I hereby certify that all information in this application is correct and all work will comply with the most current editions of the NC State Building Code and NC Fire Code, and all other applicable state and local laws, ordinances and regulations. The Guil-Rand Fire Department Fire Marshal's Office will be notified of any changes to the approved plans and specifications for the project permitted herein.
