With 35 years of firsthand, successful experience in the limousine industry, and his undergrad and grad studies in Traffic Safety Education, Chuck Cotton, Founder, and CEO of TEN STAR TRANSPORT brings a wealth of insight and expertise to the table. Witnessing the transformative shifts within the market, Chuck recognized a pressing need for a paradigm shift. Reflecting on TEN STAR TRANSPORT 's mission, Chuck stated, "It's time to prioritize passenger safety and restore trust in the transportation sector. I couldn't ignore the potential risks posed by unregulated ride-sharing platforms. TEN STAR TRANSPORT is my response to this imperative call for responsibility and integrity."

The private chauffeur vehicle service industry has witnessed exponential growth in recent years, with its value surging to \$61 billion.
