

## **Kid Prodigy Harrow Environmental Policy**

Kid Prodigy Harrow will endeavour, throughout all our business activities, to conserve natural resources and to preserve the natural environment through the development of human resources.

Kid Prodigy Harrow will strive to recognise how our business activities affect the environment. We will work to conserve energy and resources, as well as to carry out recycling, in order to reduce the amount of waste we produce. Our overriding aim is to prevent damage to the environment and to reduce pollution.

Kid Prodigy Harrow will work together with associated parties and business partners in order to reduce the impact of our activities on the environment. At the same time, we will act positively to protect the environment by promoting activities aimed at forest regeneration.

Kid Prodigy Harrow will operate in compliance with the applicable laws and regulations in the UK, and will permanently work to preserve the environment.

Kid Prodigy Harrow will strive to make each and every Kid Prodigy Harrow Associate more aware of environmental issues through education and consciousness-raising activities. At the same time, as a responsible corporate citizen, we will make information related to the environment publicly available.
