Dear Restaurant Owner,

You Need to Know about Our Reliable *New Cooler* for Your Industrial Kitchen.
We know you are tired of unreliable, heavy kitchen appliances.

You need a Light-weight and Moveable Cooler.

We're offering YOU 4 Complementary Tickets:

**The Syracuse OnCenter
“Restaurateur Products & Trade Show”
March 5 & 6, 9 AM - 7 PM**

Chill-o-Matic, Inc. is extending an invitation to Restaurateurs with Large Industrial Kitchens.
We understand the demands placed on refrigerators. You need a heavy-duty refrigerator that works as hard as you do.

Introducing:

“LBR Cooler” - The Large Industrial Sized Refrigerator on Rollers!

Chill-o-Matic supplies You with **Durability, Efficiency, and Reliability.** Chill-o-Matic, Inc. **LBR Cooler** (“Light, Bright, & Reliable”) has a **light-weight compressor**, that is easily rolled by two adults. Glass doors resisting condensation from our special coating, make viewing lighted shelves easy.

“The LBR Cooler is 28.2% Less Expensive than Similar Models”
