How to get started

- 1 Choose the program that best matches your family.
- 2 Apply directly through that organization.
- 3 List Game Changers Volleyball as the sports/recreation provider when requested.
- 4 Contact us if the funder needs an invoice, program dates, cost verification, or provider form.

PRIVACY & IMPORTANT PAYMENT NOTE

Do not send Medicaid/SNAP/WIC records, foster-care documents, disability records, or Social Security information to Game Changers. Funding is not guaranteed, and families are responsible for any remaining balance. Applying for assistance does not reserve a roster spot until Game Changers confirms your registration/payment arrangement.
