

# ROBUST SOLUTIONS FOR YOUR LOCALIZATION NEEDS

## Malayalam മലയാളം

I am a freelance Malayalam translator (native language) based in Kerala, India.

I have been working as a freelance translator since 2010. Specialized in technical translations and Apps. I offer a diverse range of subject areas, e.g. Apps, websites, IT, Telecommunications, Banking, Marketing, Adult content, Ads, Games, Manufacturing, Processing, and Manuals. Within my areas of specialization, I translate both technical documents (manuals, datasheets, etc.) and marketing communications texts like press releases, presentations, or website content.

Thanks to almost 10 years of experience, I can guarantee high quality, accuracy, tool competence, problem-solving and timely delivery. Please feel free to contact me, I am always interested in new business relationships with potential long-term cooperation.

High-end quality, accuracy, and fast delivery is assured. For a better perspective, you can give a sample text of around 100-150 words. I can offer the best rate in the industry.
