Report Day

Central South District will hold report day on January 11, 2022. Please mark your calendars for this important date. More details will be emailed in November and December.

The Central South District is Moving

During the 2021 Annual Conference it was voted to sell Bethany UMC property where the Central South District office is located. The CSD presented to the District Leadership Team several locations where the CSD could relocate along with the proposed lease for office &/or meeting space for each one. It was agreed upon unanimously that the Central South District would move to the Conference Office located at 5215 Main Street where we will occupy most of the 1st floor office space. We will begin moving in December so that we can be ready to the first of 2022 in our new office space. New contact & location information will be sent out beginning December 1st, so we do not miss any important information from our pastors and laity.

Helping to Spread the Word

We continue to work diligently to make sure our clergy, laity, and members of the communities that surround our Central South Districts stay informed. We are updating our website (www.csdistrict.org) and our social media sites as quickly as we receive information. If your church is hosting a community project or event, please email the details to csdistrict@txcumc.org along with a flyer or poster (pdf or jpeg formats) and we will do our best to share it.
