

# THE MASSIE FOUNDATION

CARING COUNSELING. SOAR TO NEW BEGINNINGS!

---

April 6, 2026

Dear Business Owner,

I hope this message finds you well!

On behalf of **The Massie Foundation**, I am reaching out to invite you to partner with us as an annual sponsor and community supporter in our mission to provide hope, healing, and access to mental health services for individuals and families who might otherwise go without care.

The Massie Foundation is a 501(c)(3) nonprofit organization dedicated to expanding access to compassionate, affordable mental healthcare in our community. Through counseling assistance, outreach initiatives, and fundraising events, we work to ensure that financial barriers do not prevent someone from receiving support.

In 2025 alone, we provided over 89 hours of counseling, medication management, and substance use coaching. We collaborated with the Hernando Community Coalition to deliver a PTSD workshop, participated in outreach at MacDill AFB to increase awareness of mental health services, and helped provide Christmas for 11 families through our holiday toy and food drive.

As we prepare for an exciting year ahead, we are seeking **Annual Sponsors** to help sustain and grow these vital programs.

Annual sponsors receive broader, year-long visibility and ticket benefits across all events, while event sponsors receive targeted promotion for that specific fundraiser.

Mental health affects every workplace, every family, and every community. By partnering with us, you are helping turn compassion into action.
