

JCCD President Position

Elzbieta Kaminski

“A captain doesn’t lead by telling people what to do, but by showing them how it’s done.”

“Being a captain means putting the board first, even when it’s not easy.”

“The greatest captains are the ones who can inspire their teammates to overcome any obstacle.”

“A captain’s job is to make everyone around them better.”

What ideas do you have?

Are you interested in learning new skills on the computer?

The library offers free technology help. I could arrange an evening with specific basic computer skills you wish to learn, along with an interpreter. Check it out at the Jacksonville Library website.

JCCD is your home. We are very fortunate that we have this building to make good use of.
