Mixed Containers

Elements offers a **quick ship** mixed container program based out of Malaysia. This program allows customers to select from pre-stocked groups and customize containers with as many items or sets as they want. These mixed containers ship from a 69,000 sq. ft. warehouse featuring a state of the art humidity control system. This program has proven to increase a smaller retailers ability to place container orders and allow a large retailer to turn their inventory faster.
